Spring has a way of waking everything up at Rushford Lake—the water sparkles a little brighter, the docks come back to life, and familiar faces return like old friends picking up right where we left off. Welcome back, everyone. Whether you're a year-rounder or just arriving for the season, it's time to dust off the chairs, fire up the grills, and settle into lake life once again.

As we ease into the season, a gentle reminder: let's all keep boating safety and lake etiquette top of mind. The lake is for everyone—boaters, paddlers, anglers, and those simply soaking in the view. A little courtesy goes a long way, and remember... sound travels *very* well over water. What feels like a quiet evening playlist on your dock might be a full concert across the cove. Let's keep things neighborly so everyone can enjoy the peace that makes this place so special.

And speaking of special—summer is shaping up to be a great one. Mark your calendars:

- **Fireworks on the Lake – July 3** (always a highlight!)
- **Dam Info Day & District Voting – July 25**
- **Dam Day – August 8** (fun *and* for a great cause)
- **Kids Fishing Derby & Food Pantry Drive – Labor Day Weekend**

There's something about these gatherings that reminds us this isn't just a lake—it's a community. So here's to another season of sunshine, laughter, and maybe a few perfectly toasted marshmallows. See you on the water.

A Friendly Nudge from Your RLLA

As we kick off another great season at Rushford Lake, it's time to renew your **Rushford Lake Landowners Association (RLLA)** membership for the upcoming fiscal year (**June 1, 2026 – May 31, 2027**).

This year, dues have been updated to **\$35** (up from \$25), helping us continue supporting the lake, our events, and most importantly, the preservation of our nearly 100 year old dam.

If you submit your dues by the time of our next newsletter mailing, we'll make sure you receive your **2026–2027 window sticker**—a small badge of pride that shows your support for the lake we all love.

New member? Need a fresh window plaque? Just jot a quick note on the dues envelope included in this mailing. Window plaques will be available for pickup at the **Balcom Beach RLRD office**.

Thanks for being part of what makes Rushford Lake such a special place. Your support truly keeps things flowing (pun fully intended)
