## Supporting Our Neighbors Through the Local Food Pantry

In every season, our community has shown that when a neighbor is in need, we step up. One of the most important ways we do this is through our local food pantry, which quietly works every week to make sure individuals and families have access to healthy, nourishing meals. For many, the pantry is not just a place to receive food—it is a place of dignity, encouragement, and hope during difficult times.

Right now, the need is growing. Rising food and household costs have made it harder for many families to make ends meet, and more people than ever are turning to the pantry for help. Donations of non-perishable food items, personal care products, and financial contributions allow volunteers to keep shelves stocked and services running smoothly. Every can, every dollar, and every kind gesture truly makes a difference.

Making a donation is easy. If you would like to contribute, you can contact **Bonnie** at **716-801-5415** or **[bcadyhealthlady@gmail.com](mailto:bcadyhealthlady@gmail.com)**. She is always happy to arrange a pickup and make the process simple and convenient. Your generosity supports children, seniors, working families, and neighbors who may be facing unexpected challenges.

By giving to the food pantry, you are helping ensure that no one in our community has to face hunger alone. Together, we can continue to build a caring, compassionate community where everyone feels supported. Thank you for your continued kindness and willingness to help those who need it most.

## Volunteers Needed for Dam Day – We Need You!

Dam Day is one of the most special traditions at Rushford Lake, and it only happens because neighbors step up to help. As we prepare for this year's event on August 8, we are looking for volunteers who are willing to share a little time and a lot of heart to make the day a success.

Whether you can help for an hour or the whole day, there is a place for you. We need friendly faces to assist with setup, the chicken BBQ, raffles, vendor support, T-shirt sales, cleanup, and more. No special experience is needed—just a willingness to pitch in and be part of something meaningful for our community.

Volunteering is a great way to meet neighbors, have fun, and make a real difference for Rushford Lake. If you are able to help, please contact **MJ Brown** at **716-698-0357** or **e-mail: [RusfordLakeLandowners@yahoo.com](mailto:RusfordLakeLandowners@yahoo.com)**. Every helping hand matters, and together we can make this year's Dam Day the best one yet. Thank you for supporting our lake and our community!
