

Rushford Lake Landowners Association, Inc

Winter - 2026

From the Board of Directors:

Our 76th Year

As winter settles in and the lake gets quieter, we can't help but start dreaming of warmer days. We miss the lively sound of pontoon boats, the joyful laughter that echoes across the water, and the friendly faces of our summer pals and neighbors who make the season so special. Even though the shoreline may be still for now, the sense of community that makes our lake so unique never really fades away—it's just waiting for spring to bring it back to life.

Winter is also a great time to get ready for the season ahead. With fewer distractions, it's the perfect chance to brush up on boating safety and make sure everyone is ready for a fun and safe summer on the water. [Just a friendly reminder that New York State's Brianna's Law requires boat operators to complete a state-approved boating safety course.](#) Taking care of this now means more time to relax and enjoy the lake when summer finally comes back. We can't wait to see you all again!

Good news! Our lake newsletter is now available online at www.rushfordlake.org, making it easier than ever to stay up to date. Over the next year, we'll be gradually phasing out mailed paper copies, though printed versions will still be available at the [Rushford Lake Recreation District office in Rushford](#). We appreciate your understanding as we make this transition and thank you for staying connected with our lake community.

Fill the Lake CONTEST

**Deadline
Thursday,
March 19**

Here's how it works: fill out the enclosed postcard with your best guess (date, hour & minute) as to when the Lake reaches the 1440 ft elevation and win...tadah!

**4 RLLA
Monogrammed
Beach
Towels!**

Book Club

There's just something magical about a good book club—the laughter, the thoughtful conversations, the “Wait, I didn't see it that way at all!” moments, and the joy of sharing stories with friends who love reading as much as you do. Book clubs aren't just about turning pages; they're about building connections, discovering new authors, and finding a little pocket of time each month that's just for you. Whether you're a lifelong reader or someone getting back into the habit, a book club makes reading richer, warmer, and a whole lot more fun.

Our Rushford Lake Book Club is excited to resume in April, and we'd love for you to join us! We meet at the Rushford Free Library at 1:00 PM on the third Tuesday of every month. Come for the books, stay for the friendships, and leave with a smile—and probably a few new titles on your “to-read” list. New faces are always welcome!
