Whether a beginner, an amateur or a seasoned professional, there is a course to fit all skill levels when golfers come to Florida to hit the links.

"Golfers from all over the country continue to visit to Panama City Beach for its challenging

the championship tees. Located only minutes from the beach, the celebrated course has hosted numerous regional and local events including the USGA U.S. Open Qualifier in 2016. In the summer of 2018, the Nicklaus Course underwent a greens conversion which involved a full-till process. This major renovation included upgrading the original specs of the greens sprigged with ultra-dwarf grass to improve course playability, green speeds and green receptiveness year-round. The renovation also included new green-side bunkers on all the holes throughout the course.

Whether an amateur, professional or beginner golf enthusiast, there is something for guests of all skill levels and interests. For those looking to learn tips and tricks from the pros, the resort offers Dewssweepers Golf Instruction, providing state-of-the-art lessons that include video analysis. The Resort Golf Club also includes a full-service practice facility as well as Bar 72 Pub & Eatery to enjoy a hearty lunch and refreshing cocktail after a round. The Sheraton Bay Point Golf Club is located at 4701 Bay Point Road in Panama City Beach. For more information or to book tee times, call 850-235-6950 or visit www.baypointgolf.com

Plantation On Crystal River

The Plantation on Crystal River is a beautiful 50-year-old, 232 acre eco-friendly golf resort offering comfortable accommodations, 27-holes of great golf, award winning dining and a full service spa. Surrounded by the natural springs of Kings Bay, one of the largest aquifers in the state, Crystal River is home to more than 400 West Indian manatees that migrate each year to the warmth of the springs. Our onsite activities range from golf to boating and fishing with so much in-between and we offer several specials and packages to help sculpt your perfect vacation! There's always something fun to do at Plantation on Crystal River!

TRADITIONAL FLORIDA-STYLE GOLF

Our exclusive Central Florida golf resort features 27 holes of competitive and challenging golf. Our course was designed in the tradi-

tional "Florida" style with variety of water and bunker obstacles, along with challenging fairways lined by mature emerald pine and oak trees native to the region. If it's a short course you prefer, "The Lagoons" is a great option to sharpen your short game. If you're into hitting monster drives, try our "Championship Course" which consists of 18 holes of world-class golf. All of our links are beautifully manicured and well-groomed, and they provide a traditional mix of the best golf Florida has to offer.

RELAX IN TOTAL COMFORT IN OUR CRYSTAL RIVER ROOMS

Packed with all the comforts of home, our Crystal River resort suites and guestrooms have everything you need for a perfect stay. Choose from our patio rooms, with unique out-

door lounging areas, or our rooms with views of the garden or water. No matter what room you choose, you won't be disappointed because we fill them all with excellent amenities for you and your family. Our Golf Villas provide the perfect accommodations for your group.

FISHING AT ITS FINEST

Few places compare to Crystal River when it comes to salt or freshwater sport fishing. There really isn't a better place for an inshore slam of tarpon, redfish, and speckled trout. Offshore

opportunities include grouper, a variety of snapper, smoker kingfish, and cobia. If freshwater fishing is more your interest, our area has multiple lakes and reservoirs with excellent fishing for largemouth bass, crappie, bream, catfish, and more. We can also arrange a charter with one of our area's fishing guides that will pick you up from our own dock for charters. And make sure to bring your catch back to our resort so the chef of our West 82° Grill can cook it for you!

THE PLACE TO STAY & PLAY ON THE NATURE COAST

Our #1 concern is your safety and wellbeing. Our resort adheres to all mandated CDC guidelines and State COVID provisions. Bring your friends or your family and let them enjoy our full-service spa, manatee tours, fishing, and diving while you hit the links. There's never been a better time to head to our resort and discover how Plantation on Crystal River helps make Florida one of the top golf destinations in the world.

Welcome to golf heaven, where our 22 distinctive courses are waiting for you. And after a day of avoiding sand traps, dig your toes into white sand beaches, grab an ice-cold drink and watch as the sky turns into a fiery orange sunset, or dine al fresco at the all-new St. Pete Pier. However you plan to spend your time, there's something waiting for everyone in St. Pete/Clearwater.

St. Pete Pier

St. Pete/Clearwater is more than just America's Best Beaches. It's also home to some of America's best golf courses and proud home to PGA and LPGA tour stops. Whether you're looking for a modern course or a classic, you can have your pick from St. Pete/Clearwater's 22 public or semi-private golf courses. There's something for everyone—a mix of new and traditional, stunning landscapes, and demanding courses shaped by some of the top designers in the world. Plus, golf provides a safe way to get outside and stay socially distanced.

Once you step onto The Innisbrook Resort and Golf Club's breathtaking resort and manicured grounds, you will never want to leave. The resort's five golf courses—The Copperhead, Island, North, South and Fox Squirrel—offer challenging, surprising and rewarding courses veterans and novices alike will appreciate.

The Innisbrook Resort and Golf Club

The Copperhead 15th Hole

The Copperhead's elevation tests the best players in the world each year. The 7,340-yard, par-71 brute, designed by the imaginative architect Lawrence Packard, is one of the PGA Tour's favorite stops. Paul Azinger, a 12-time PGA Tour winner, called it the best course the PGA Tour plays. The Copperhead meanders through beautiful trees and landscaping with water strategically placed to test golfers of all levels. Innisbrook's other courses offer an enjoyable challenge as well. The 7,310-yard, par-72 Island Course, in particular, can prove every bit as tough as the Copperhead.

If you're looking to play on a gorgeous island (who isn't?), the Vinoy Golf Course, located on Snell Island, was re-designed by renowned course architect, Ron Garl, and put back into play in 1992. Conditions for play are ideal year-round, with cool Gulf breezes in summertime and a perfect, warm escape in the winter.

Take it up a notch and try a round at Dunedin Golf Club. Former home of the PGA of America, this 18-hole course was designed by world renowned golf course architect Donald Ross. The facility went through a major restoration with the rebuilding of greens, tees and bunkers in 2006 through 2007, which has restored the course to nearly the same as when Ross originally brought it to life.

After a day on the golf course, head over to the all-new St. Pete Pier, a beautiful 26-acre waterfront oasis surrounded by the sparkling blue waters of Tampa Bay. Grab a tasty bite and an ice-cold drink at Doc Ford's Rum Bar and Grill, serving up authentic Florida cuisine. Peruse shops and artist galleries or take a relaxing walk along the 3,000 feet of walkways. Kick back in a colorful Adirondack chair as you watch the people go by or opt for a rooftop view at Pier Teaki.

Come discover the newly expanded Clearwater Marine Aquarium offering adventure for the whole family. From Winter the dolphin's brand-new home with an underwater viewing area to a specially designated area for rescue animals, you'll feel totally immersed in a new, fascinating world. With five times more space for guests, you can stay safe as you explore.

Plus, 35 miles of sugar white sand beaches are here for you to enjoy. Unwind in the warm sun, stick your toes in the soft sand, and take in a fiery sunset to top off your day. Whether you plan to visit for one night or a few days, there are endless hotels, vacation rentals and renovated timeless landmarks to make your home away from home.

From world-renowned golf courses to world class beaches, unbeatable dining to delicious craft cocktails, you can't go wrong in St. Pete/Clearwater. Discover it all at VisitStPeteClearwater.com.

Florida Grapefruit League Ballparks offer Modern Amenities while Looking Back at Team History

Major League Baseball Spring Training was the State of Florida's first venture into sports tourism.

By Nick Gandy

Beginning in 1923, Florida Spring Training stadiums were constructed in Bradenton, Clearwater, Orlando, St. Petersburg, Fort Myers and West Palm Beach.

Four of those communities are hosting Florida Spring Training in the 20s of the 21st century.

By 1928, the State of Florida was prospering with a booming population, arriving by automobiles, to live in newly built homes. Baseball was America's pastime and 10 of the 16 Major League teams held their spring training in Florida. It was a prosperous time for the growth of Florida Spring Training Baseball, even during the Great Depression years, only to be interrupted by the World War II years of 1942-45.

Since 2010, nine of the 12 Florida communities have made significant investments in a spring training facility, giving fans top-notch amenities found in the much larger stadiums and arenas around the country.

When the Philadelphia Phillies opened their new spring training home, in Clearwater, in 2004, the now Spectrum Field featured the first 360 degree walkway around the park. Fans could now view the game from every angle of the field while soaking up the Florida sunshine on a March afternoon.

Over time, Charlotte County Stadium, LECOM Park, Hammond Stadium at the CenturyLink Complex, Jet Blue Park, Publix Field at Joker Marchant Stadium, the Ballpark of the Palm Beaches, Clover Park and the TD Ballpark have completed the same feature.

In those once areas, that were once consid-

ered the far reaches of the ballpark, fans can now spread out blankets on the grass, sit in cabana chairs, sip on drinks and enjoy a variety of concession foods, all while watching a Major League Baseball game.

In 2020, two Florida communities, Dunedin, home of the Toronto Blue Jays and North Port, home of the Atlanta Braves, were the latest to offer fans a 21st Century view of Florida Spring Training.

Blue Jays fans can get a bird's eye view of

Toronto pitchers warming up in the bullpen in right field while sitting in an outdoor bar area. If they grow tired of that view, they can stroll across the outfield boardwalk to an air-conditioned indoor food and drink area.

Spring training ballparks are also tapping into the team's history. At CoolToday Park, the Atlanta Braves have numeric monuments dedicated to the 11 retired numbers from Warren Spahn to Chipper Jones. The Braves followed the examples set by the New York Yankees at Steinbrenner Field in Tampa and the Boston

Red Sox at Jet Blue Park in Fort Myers.

All 13 of the Florida Spring Training ballparks have their own unique aspects, whether it be the team's history, the host community history or a nod to the culture of the team's regular season home.

Once the month of March passes, nine Florida Spring Training sites host Florida State League Class A Minor League teams, with schedules that run through August.

For over 100 years, Florida Spring Training welcomes back fans to America's Pastime, after a long winter's nap. They flock to the ballparks wearing the colors of their favorite teams. They take their seats, with scorecard in hand, to see new players who have made their way through the Minor League system, or who joined the team over the winter through a trade or a free-agent signing.

But what really brings baseball fans together in March at Florida Grapefruit League locations is to hear that familiar crack of the bat and the sound of 90 mile an hour fastball hitting the leather of the catcher's mitt.

Play Ball!

2021 Season Update

Due to the Covid-19 global pandemic, Major League Baseball

is following the same safety protocols and standards as other professional sports leagues for the 2021 season. These standards may be different, in accordance with local guidelines in the State of Florida.

Seating capacity will be limited at Florida's 13 locations. The 2021 season, which is scheduled to run between February 27 and March 28, is subject to change. Visit www.floridagrapefruitleague.com for the latest schedules for each of the 15 teams holding their spring training in Florida.

Central Florida

The Hidden Gem of Florida Golf

Golfers who live in Central Florida already know, and more visitors are beginning to learn, some truly fantastic golf opportunities abound throughout Central Florida's Polk County. With more than 40 public access courses offering 612 holes of golf, Central Florida's Polk County boasts one of the top collections of golf courses in the United States. Golf groups traveling to the area will find a wide range of course options and unforgettable off-course activities that will make your Central Florida trip one to remember.

UNIQUE COURSE OFFERINGS

With so many course offerings it is very difficult to pick our favorites, but when it comes to distinctive course design, one has to begin the conversation with Streamsong Resort. Streamsong Resort's Red Course, designed by Bill Coore and Ben Crenshaw, the Blue Course designed by Tom Doak and the Black Course designed by Gil Hanse, utilize the natural contours, sand dunes and native grasses to offer a golf experience that is reminiscent of the links-style courses of the British Isles. Built upon reclaimed phosphate mining land, Streamsong's courses are atypical of most Florida golf courses.

Southern Dunes Golf & Country Club stretches out to more than 7,200 yards from the championship tees and this demanding layout features high ornamental grasses and decorative plantings, paired with 180 distinctively colored bunkers that provide spectacular visual appeal throughout your round of golf.

The Club at Eaglebrooke provides a challenging, but fair test of golf for players of all ability levels. Oak trees, numerous lakes and strategically placed mounding define the lush rolling fairways, and visually frame each hole as from the tee.

BREWS, BLUES AND BARBEQUE

Once the golf clubs have been put away, and the side bets settled, your group can then explore some of the great local dining and entertainment offerings that are available throughout Central Florida's Polk County.

With more than 550 lakes dotting Polk County, locals and visitors alike all have their favorite lakeside dining spot. In Winter Haven, with full length windows and a lakeside patio, Harborside Restaurant is a modern American steakhouse, seafood and oyster bar featuring

the finest cuts of dry aged meat and daily delivered fresh fish. Also in Winter Haven, with its neighborhood restaurant feel and its location on the shores of Lake Ned, no place epitomizes casual lakefront dining more than Harry's Old Place. Situated on the shores of scenic Lake Pierce.

Lakeland's Lake Mirror is best known for its large events and being a perfect place to catch a spectacular sunset over downtown Lakeland, the lake also serves as the backdrop for Texas Cattle Company, the place for those that have a craving for a nice juicy steak cooked over a specially built open-pit mesquite wood fire.

A trip to Florida wouldn't be complete without fresh seafood. Gary's Oyster Bar & Seafood House in Lake Alfred is known for its eclectic décor, friendly service and fresh seafood. Crazy Fish Bar and Grill is well worth the drive to Lake Wales. For a little taste of Louisiana, Harry's Seafood Bar & Grille in Lakeland, serves up some good 'ole down home Cajun favorites.

Mojo Federal Swine and Spirits has transformed Lakeland's Federal Building into the newest culinary and entertainment experience. Mojo Federal is a premier barbecue,

southern food, and craft cocktail destination.

In Central Florida, Lakeland has served as the leader in the brewpub movement. Brew Hub is a partner brewing enterprise that brings together a number of smaller craft brewers to brew their beer. The Brew Hub Tasting Room serves locally sourced, naturally raised, made to order food options that are great for pairing with their beers. Swan Brewing offers lakefront views and microbrews just a few blocks from downtown. Kick back in the taproom or relax on the patio as you sip on a selection of more than 20 seasonal and small-batch beers. Brimming with authenticity and local love, Winter Haven's Grove Roots Brewing Company looks to create inventive, artisanal beers. With names like "Rind & Shine" and "6am Pickers" scrawled onto the chalkboard tap list, there's no question Grove Roots is serious about bringing

Polk County's citrus heritage to life. While they don't serve food, Grove Roots has a rotating roster of food trucks available for those wishing to eat. On Friday and Saturday nights, live music is offered at the venue.

After a long day on the course, and after a delicious meal, the way to cap off the evening is with a trip to the Lakeland Loft Cigar Bar and Jazz Club, an ultra-premium upscale Jazz and cigar lounge, located in historic downtown Lakeland. The Lakeland Loft offers a unique musical experience featuring talented local musicians, with live Jazz performances every Thursday, Friday and Saturday night.

TAKE IN A GAME

No matter what time of year you visit Central Florida, your group can catch some professional sports action. Lakeland has been the spring training home of the Detroit Tigers for more than 80 years. From late February through the month of March, you can catch the Detroit Tigers at Joker Marchant Stadium as they face other Grapefruit League teams such as the New York Yankees, Boston Red Sox, Atlanta Braves, Philadelphia Phillies and the Baltimore Orioles. In fact, there are five other MLB teams within an hour's drive of Lakeland, making it the perfect "home base" for an extended golf and Spring Training tour.

If you prefer the hardcourt to the baseball diamond, Lakeland's RP Funding Center is home from November to March to the Lakeland Magic, Orlando Magic's G league affiliate. The Center also plays host to the Major Arena Soccer League's Florida Tropics from December through April. Each May through July, the Tropics take to the outdoor soccer pitch as they compete in the United Soccer League, one of the MSL's professional soccer development leagues.

CHOOSE EVERYTHING

Central Florida's Polk County is one of the most beautiful and affordable golf destinations in Florida. While not as widely known as its more commercial neighbors, Orlando and Tampa, Polk County is a "hidden gem" that offers hundreds of unique attractions, both natural and man-made, that will provide your golf group with plenty of off-course thrills for the young and old alike. For more details or information on all of our local restaurants and craft breweries, our nightlife and entertainment offerings and exciting area attractions, log on to www.VisitCentralFlorida.org to begin planning your group's Central Florida golf experience.

Tee off with the best golfing in Florida

And explore local gems the whole family will love

Recognized as one of the top golfing destinations in the state by experienced golfers and beginners alike, Lake County has more than two dozen golf courses that offer challenging play in addition to spectacular views. And while golf is a beloved part of the lifestyle here, it's the allure of small-town charm paired with vibrant communities and a wide array of eclectic restaurants and boutique shopping that keep this golfing destination at the top of the list.

Visitors can tee off at a range of public and semi-private courses in the area, and two of the most distinguished courses are found at Mission Inn Resort & Club, located in Howey-in-the-Hills. The El Campeón course, known for its 85-foot elevation changes that are uncharacteristic to Florida courses, is one of the best in the nation, coming in at Golf Advisor's national No. 2 spot in 2015, and taking the top spot in the state. This championship course was built in 1917 and features water on 13 of its 18 holes. The 17th hole is a par 5 with a double dogleg and more obstacles than some entire courses, sure to both challenge and captivate golfers as they return

time and time again to try their swings. The Las Colinas course, also at Mission Inn Resort & Club, is another championship-level course that challenges golfers with large fairways and expansive greens. These courses often play host to events like NCAA championships, PGA and LPGA events, and the U.S. Open, but all are welcome to request a tee time when courses are available.

A wide range of other golf experiences are available in the area, including the luxurious, semi-private Bella Collina Golf Club in Montverde where golfers can tee off among vineyards and beautiful estate homes. The casual golfer might enjoy the public Green Valley Country Club in Clermont, with an 18-hole course designed by Golf-Course Architect Lloyd Clifton.

With stunning courses in every corner of Lake County, golfers and their families are never more than a stone's throw away from quaint downtown shopping, exquisite one-of-a-kind restaurants, art galleries, sparkling lakes, manicured waterfront parks and countless ways to connect with nature through trails and blueways. For shopping and restaurants,

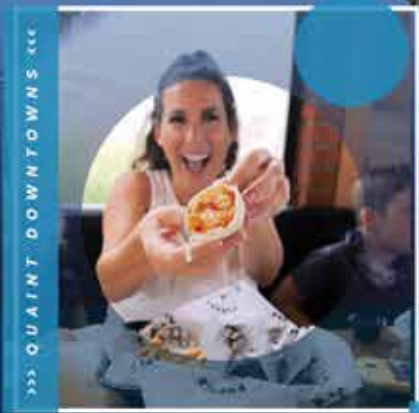

try downtown Mount Dora or the Ruby Brick Road in Tavares. Both are located on Lake Dora, with the latter just a few hundred yards from a seaplane base that offers chartered tours. The towns of Leesburg, Tavares, Clermont and Eustis each boast waterfront parks with stunning views, perfect for a post-lunch stroll or family play time. Rent a boat, take a boat tour, charter a fishing guide or launch your own boat to explore the many lakes of Lake County – with more than 1,000 to choose from, it's no wonder why this is both a premier fishing destination and a gem for nature lovers and wildlife enthusiasts. There are many natural locales, including state parks, natural preserves, trailheads and other conservation areas, that are ideal for kayaking, paddle boarding, hiking or exploring trails on horseback.

These exceptional experiences, paired with some of the best golfing the state has to offer, epitomize the Real Florida lifestyle. Whether near or far, start planning your trip and book a stay at an area resort to experience the hospitality, charm and appeal that make Lake County a loved destination for golfers and their families.

FLORIDA

Daytona Beach — iconic courses paired with world-famous beaches

Florida is home to more than 1,000 courses, including some of America's most popular resorts, and Daytona Beach has emerged from the crowd as a destination of choice for golfers in the Sunshine State.

The reason for the growing appeal of an area long known as the home of America's most iconic race - the Daytona 500 - and the "World's Most Famous Beach," is easy to identify.

Daytona Beach is a golf destination, delivering quality, value and good times, on and off the course, that allow the area to appeal to a broader cross-section of players than any other part of the state. Daytona Beach also enjoys the benefit of being home to nearly 20 courses, including LPGA International, a pair of Donald Ross designs, and one of the state's top 15 public layouts, just to name a few.

The appeal of the area's idyllic winter weather also can't be overstated.

Daytona Beach is home to a climate that is as golf-trip friendly as any in America during the first five months of the year, with average high temperatures that range from 71 degrees F in January to 85 in May. With the combination of great golf courses, perfect weather and abundant off-course offerings, it's no surprise players are flocking to the area faster than a race car on the track at Daytona International Speedway

GREAT GOLF, VARIETY AWAIT

LPGA International comes immediately to mind when talk turns to Daytona Beach's golf offerings, and that's an understandable impulse.

The 36-hole property, home to the Jones and Hills courses, is one of Florida's finest, including a premier practice facility that features six practice putting greens, a dedicated short game area, and a three-hole practice academy, among other offerings. The Hills and Jones courses are both 4-star layouts, according to Golf Digest, but they are hardly alone in luring players to the area.

Golfweek Magazine ranks Victoria Hills Golf Club, a Ron Garl design that wows players with a creative layout that plays through expansive oak trees and Augusta pines, among Florida's top 15 public courses.

Donald Ross designed New Smyrna Beach Golf Club and the South Course at Daytona Beach Golf Club, a draw for fans of the game's most revered architect. Spruce Creek Country Club is built around one of the world's largest private airports, giving new meaning to the term "flyer" on a layout that places a premium on playability and quality conditioning.

STAY-AND-PLAY

Make no mistake, Daytona Beach delivers great golf but where a group stays matters, too. Daytona Beach welcomes many visitors each year and the rooms - ranging from oceanfront to riverfront and everything in between - that host family beach vacations during the summer

months are perfect for golfers throughout the rest of the year.

Multiple bedroom suites, complete with kitchens and comfortable spaces, many of them overlooking Daytona's famed beach, provide idyllic housing. Golfers can gather and continue the banter and camaraderie that lies at the heart of so many trips long into the night.

Best of all, what helps Daytona Beach deliver value is the area's ability to package golf and accommodations into one deal. Daytona Beach provides a number of golf package offerings, which maximize value and convenience, allowing players to customize trips to fit their budget and preferences.

THE FUN NEVER STOPS

The area's surplus of off-course attractions begin with Daytona International Speedway, where a tour of the track and a visit to the Motorsports Hall of Fame of America are a must. The truly ambitious may also want to enjoy the NASCAR Racing Experience, which offers the opportunity to get in a stock car and race around the famed 2.5-mile trioval, 31-degree banked track.

After an exhilarating trip to the Speedway, a visit to ONE DAYTONA, the area's newest dining, shopping and entertainment complex located directly across the street is not to be missed.

Wide Open Beaches

Fairways for miles

Known for action-packed racing and world-famous beaches, Daytona Beach also offers savvy golfers challenging courses at exceptional value. Come and play where the pros play, at LPGA International and other unique courses. Savor local seafood along scenic waterways. Explore historical and cultural sites. And pair your golf outing with a range of coastal accommodations to create a perfect package.

Punta Gorda/Englewood Beach: our best side is outside

The Charlotte Harbor Gulf Island Coast, a charming, laid-back destination nestled between Sarasota and Fort Myers on the gulf coast, features an array of quality courses allowing any golf aficionado to experience some of the best golf Florida has to offer. Golf Digest has ranked the area as “3rd Best Place in the Country to Live and Play Golf.”

Although Florida’s terrain is relatively flat, Southwest Florida is home to many different types of ecosystems providing the aesthetic appeal and natural obstacles necessary to enhance and challenge a player’s experience.

One can choose an itinerary of courses to include heavily wooded terrain, salt marshes, and wetlands, as well as Audubon certified courses teeming with a variety of native wildlife. This diverse pool of courses also features two 4 ½ star courses, including Riverwood Golf Club, which was recently ranked by Golf Advisor as the #26 course in the United States and the #4 course in the state of Florida. And more courses are added all the time, with Babcock National and Heritage Landing Golf & Country Club recently joining the party.

Whether taking a golf vacation with the guys or gals or simply playing a couple rounds during a family vacation, this is a safe,

healthy activity that enables small groups to avoid large crowds of people. And it doesn't need to be stressful or cost a fortune. In fact, the area was named the U.S. Best Value Destination in 2014 by Trivago. According to the world's largest online hotel search site, the destination offers "the biggest bang for your buck on vacation." Adding to the value, virtually every course in Punta Gorda/Englewood Beach is open to the public year-round and greens fees (with a cart) in peak season average approximately \$55 per round with summer and fall rates even lower. Plus, find adventure off the greens with nearly 200 miles of Blueway Trails ideal for kayaking, canoeing and standup paddle boarding. Charlotte Harbor has been named one of the top 10 places to sail by SAIL Magazine and the area is known for its world-class fishing with offshore and back bay angling opportunities. For a true adrenaline rush, fish for silver king in the Tarpon Capital of the World.

Speaking of water, soak up the sun and beachcomb on some of the 12 miles of Gulf of Mexico beaches, or, island hop without a passport. Five barrier islands hug the coast with some only accessible by boat offering a true natural Florida adventure.

On land, take advantage of the City of Punta Gorda's free bicycle loaner program. Pedal away on either one of the four bicycle

routes, which range from 17 to 31 miles, or ride the 18-mile Punta Gorda Pathways which circles the city and includes a ride along the tranquil Peace River.

The dining scene in Charlotte Harbor & the Gulf Islands is an eclectic mix of seafood shacks, sidewalk cafés, waterfront eateries, fine dining and sweet spots, and in 2020 was ranked #2 in the USA Today Best Small Town Food Scenes 10Best list. Primary

dining districts include downtown Punta Gorda, Fishermen's Village, Manasota Key and Englewood's Dearborn Street. Familiar chain restaurants are bountiful, too. Whatever the craving and occasion, there's a restaurant satisfying every taste bud.

Plus, new courses are added all the time, like the recently opened Babcock National and Heritage Landing Golf & Country Club. Take in scenic, natural backdrops, with three area courses Audubon-certified.

As a safe, healthy outside activity for individuals or small groups looking to avoid crowds, there's no excuse to miss a day of golf on the Charlotte Harbor Gulf Island Coast. And players also appreciate the value. You'll find great courses, accommodations, dining and more at great prices all year round. It's no wonder the area was ranked the "3rd Best Place in the Country to Live and Play Golf" by Golf Digest.

The Charlotte Harbor Gulf Island Coast

Our Best Side is Outside.™

For a golf getaway that makes up for lost time, Only Paradise Will Do.

Blue skies. Wide-open fairways. Fresh air.

They're as much a part of golf's appeal as the game itself. And they're exactly what makes golf the perfect way to get outside and engage in some healthy fun.

In fact, the best way to put the pandemic behind you while still staying safe just might be an unforgettable golf getaway. And when "unforgettable golf" is on your wish list, there's no better place to find it than Florida's Paradise Coast: Naples, Marco Island and the Everglades.

UNFORGETTABLE GOLF WITH AN UNPARALLELED COMMITMENT TO YOUR SAFETY.

In Naples, Marco Island and the Everglades, the only thing more memorable than the beauty of the destination is the golf that awaits you. It has a well-earned reputation as a golfer's dream, with the International Association of Golf Travel Operators (IAGTO) actually naming it the "Number 1 Golf Destination in North America." It offers more than 90 public and private courses designed by names that golfers of every

handicap can appreciate: Player, Palmer, Norman, and Nicklaus, just to name a few. The courses, playing conditions, and weather are so good, the area's an annual stop for the LPGA and PGA Tours.

But incredible courses are just part of what anyone is looking for in a golf getaway these days. True, concerns about the pandemic may have diminished. However, if you're like most people, you'll appreciate knowing that the courses you'll be playing

on and the hotels you'll be staying in are still operating with your health and safety in mind. Fortunately, you can rest assured that you're in good hands on Florida's Paradise Coast.

Let's start with the golf courses. Most courses still offer a variety of safety protocols, such as touchless green fees payments via phone or online, outdoor check-ins and more. They remain committed to following recommended CDC and state protocols for masks, social distancing, and group size until instructed otherwise.

Hotels, restaurants and other local

COURTESY FLORIDA'S PARADISE COAST

businesses are just as focused on your safety. Many of them have even taken the Paradise Pledge as their promise to make your health and safety their Number 1 priority. With everything from enhanced cleaning protocols to frequent staff wellness checks, you can be sure their commitment to visitor safety will remain in place for the foreseeable future.

GREAT GOLF IS JUST THE BEGINNING OF WHAT YOU CAN EXPECT.

Naples, Marco Island and the Everglades has much more to offer than just golf – a lot more. It all starts with the area’s signature feature: Its uncrowded white sand beaches. With nearly 30 miles of stunning coastline and warm Gulf of Mexico waters to enjoy, every day presents another opportunity to splash, relax, and close out the day with an incredible Gulf sunset.

If you’re looking for adventure, make time to explore the unspoiled natural beauty of the Everglades. Get one of our local guides to take you on a fishing trip through the dense mangroves of the Ten Thousand Islands to do battle with tarpon, redfish, and snook. Or reserve an afternoon for a guided hiking or 4x4 tour through this one-of-a-kind ecosystem, where you’ll spot incredible plants and wildlife.

It’s all capped off by the endless luxury you’ll find in the unique shopping boutiques and award-winning restaurants that elegant downtown Naples is famous for. Here, expert sommeliers and chefs de cuisine are ready to guide you through a culinary journey unlike any other – made all the more memorable

thanks to the fresh-from-the-Gulf seafood and locally sourced ingredients that flavor their creations.

True to its name, luxury defines everything about Florida’s Paradise Coast. Resorts like the La Playa Beach & Golf Resort; The J. W. Marriott Marco Island Beach Resort; Marco Beach Ocean Resort; Naples Beach Hotel and Golf Club; and the Naples Grande Beach Resort have golf courses built-in or close-by. All that makes this the ultimate playground for anyone who appreciates the finer things such as signature restaurants, unexpected amenities, and impeccable hospitality. These world-renowned resorts will make every moment of

every day that you’re here something you’ll never forget.

WHEN THE DESTINATION NEEDS TO BE AS MEMORABLE AS THE GOLF, ONLY PARADISE WILL DO.

With endless open spaces, unforgettable courses, and a destination-wide commitment to keeping you healthy, Florida’s Paradise Coast has set the new world standard for golf vacations.

So plan your golf getaway to Naples, Marco Island, and the Everglades today. Because if you’re looking to tee it up in a place you’ll never forget, Only Paradise Will Do.
