Summary: This is an excellent opportunity to takeover an established carpet cleaning and flood restoration business. This Business has built a solid reputation working with several property management companies to clean their carpets and flood restoration.. The vast majority of their clients are repeat customers , on top of their 3 mobile units they can provide other services such as drying racks for area rugs, storage, upholstery cleaning, odor removal, mold remediation, drywall repair, hoarding, estate and trauma scene clean up . During Covid sales have declined as some of their larger customers have made adjustments to perform some of the work in house. As we move out of Covid business is starting to rebound.
