Assets: : \$561,300 included in sale

Type of Business: Machining and Manufacturing Company focusing on milling and turning a wide variety of high quality machined components.

Location: Edmonton

Premises: Leased space 3,446 sq. ft. / \$2,721 per month

Reason for Sale: Owners have other business interest that are taking up their time.

Summary: This is a great opportunity to acquire a well established 17 year old Machine shop which provides complex, high tolerance production orders and turnkey solutions to their customers. Their state of the art machinery gives them the ability to decrease the scrap rate while providing lower run times. As a result, production of extremely accurate and efficiently produced parts carries over to lower costs to their customers.

This company is well equipped to manufacture a wide range of machined parts with precision accuracy using their CNC Machines. **OWNERS ARE MOTIVATED TO SELL**
