Summary:

This is a great opportunity to acquire a well established and profitable oilfield field service company. The future is bright for Alberta 's oil and gas sector and increased government regulations will create more work for this sector of Oil &Gas. This established Company works for the best companies in the field and has aligned themselves with established and efficient supporting companies.

The business operates with 8 full time staff , 1 part timer and 2 manager/owners who coordinate work, communicate with clients, maintain equipment, train and oversee staff as well as field work when needed. This business is poised for growth within existing clientele and with a stronger sales strategy on attaining new underserved producers as clients.
