Summary: This is an excellent opportunity to takeover a turnkey Business with established clientele. This is a great business for an owner/operator current owners have operated this company since 1995 previous owner established the company in 1974. **Covid took a bit of a hit to the company however they are on track this year for \$1M in sales.**

The company focuses on Commercial, Industrial, Safety and Traffic signs and has built a long list of clients. There is room for growth as current owners have very little marketing and no longer chase new business.
