

FOR IMMEDIATE RELEASE

The Theodorou Foundation Announces Partnership with Humber College Alumni Network to Empower Healthcare Access

April 22 2023, The Theodorou Foundation proudly announces its strategic partnership with the esteemed Humber College Alumni Network, a collaboration aimed at empowering healthcare accessibility and support for individuals facing chronic health conditions.

The Foundation, established in honor of the late Elias Theodorou, an esteemed alumnus of Humber College, is dedicated to providing educational resources and vital medical support to those navigating health challenges. This partnership represents a pivotal alliance bridging the Foundation's mission and the extensive network of over 300,000 Humber College alumni.

"Elias Theodorou's legacy embodies resilience, compassion, and an unwavering commitment to helping others," said Mimi Theodorou, a representative of the Theodorou Foundation. "We are honored to partner with Humber College's extensive alumni network to amplify our efforts in supporting individuals navigating the complexities of the healthcare system."

Humber College, known for its excellence in education and fostering a community of driven and compassionate individuals, holds a vast network of alumni across various fields. The collaboration between the Foundation and the Humber College Alumni Network aims to leverage this extensive network to provide crucial resources and guidance to those in need.

"We are delighted to join forces with the Theodorou Foundation in continuing Elias's legacy of compassion and support," expressed Humber College Official, a representative of Humber College. "This partnership embodies our shared commitment to making a meaningful impact by enhancing healthcare accessibility for individuals facing health challenges."

Through this collaboration, the Foundation aims to harness the collective strength, expertise, and resources of the Humber College Alumni Network to expand its reach and support initiatives. Together, they strive to ensure that individuals grappling with chronic health conditions receive the necessary guidance and assistance to navigate the healthcare landscape effectively.

The partnership between the Theodorou Foundation and Humber College Alumni Network stands as a testament to the power of collaboration in creating meaningful change within communities and advancing healthcare equity.
