

Private Kayak Lessons

includes kayak, paddle, lifejacket, dry bag, and phone pouch

Introduction to Kayaking

A brief, two-hour introduction to paddling a kayak.

Students are taught basic information on simple rescues, potential hazards, and appropriate clothing to paddle safely.

A simple paddle skill set is demonstrated and practiced, teaching students to safely and comfortably maneuver on still water.

While designed as a stand-alone course, Introduction to Kayaking moves at the pace of the students and could cover additional skills.

\$75*

*minimum two (2) students or pay \$150/\$190 respectively for just you.

Honing your Kayaking Skills

A three-hour semi-experienced level kayak instruction.

Students are taught rescue techniques, develop a strong understanding of tides, currents, as well as wind direction and using it to your advantage. Potential hazards, advanced paddling techniques and further instruction is also provided.

While designed as a stand-alone course, Honing your Kayaking Skills moves at the pace of the students and could cover additional skills.

Together with your kayak guru, you'll tailor the instruction to your needs and wants.
