

# COMMUNITY IMPACT

Based on the:  
CFA Program Questions

## Community Development

- Where is the proposed project located?
  - A developed area
  - An area designated for concentrated infill development
- Does your project advance downtown revitalization and strategic community investment?
- Does your project improve access to child care?
- Does your project directly address the needs of people in your region living in poverty?

## Historic Importance

- Is the project site located on/near a property listed or recommended for listing in the NYS or National Registers of Historic Places?
- Is the project site wholly/partially included within an identified archeologically sensitive area?
  - Use GIS for Archeology and National Register tool to identify
- Will the proposed project protect, preserve and enhance the State's resources?
  - Land, forests, surface/groundwater, air quality, recreation & open space, scenic areas, and historic & archeological sites
