

# ECONOMIC IMPACT

## Economic Development

- What makes your project a regional economic priority?
  - Job Creation
  - Economic investment
  - Sustainability & community revitalization
  - Government efficiency/consolidation
- What kind of land use will the project foster?
  - Mixed use and compact development
  - Downtown revitalization
  - Brownfield redevelopment
  - Beauty enhancements to public spaces
  - Diverse and affordable housing close to where we work, place, and shop

## Workforce Development

- How does your project build workforce development programs?
- How does your project improve physical infrastructure?
- Does your project establish social services to connect those living in poverty with skilled employment?
  - Economic revitalization priorities
  - Distressed community targets
  - Industry growth identified in the Opportunity Agenda & Strategic Plan
- Does your project seek to eliminate barriers to skilled employment as identified in the Opportunity Agenda?
  - All efforts in collaboration at the local and regional level should be noted.
