

# PROJECT OVERVIEW

## Project Details

- Current state of project development (i.e. planning, preliminary engineering, final design, etc.)
- What is the estimated project timeline?
- What tasks and steps need to be completed before the project can begin (e.g. obtaining permits, licenses, hiring staff, etc.)
- Will the proposed project involve coordination between state/local government and inter-municipal/regional planning?

## Project Description

- How does your project align with the REDC Strategic Plan/Upstate Revitalization Initiative Plan?
- You will need a concise narrative describing your history and current operations. Include information about company/organization size, products, services, market share, position within the industry, competitors and the year in which the company was formed, etc.
- Include a 2-4 sentence press release ready description of the proposed project. This description may appear in the REDC Awards Booklet if the project is funded.
