Seeking public input: Waterbury Felt Mill Site Revitalization.

The former Waterbury Felt Mill Site is the focus of a revitalization plan. The Village of Oriskany, Mohawk Valley EDGE (MVEDGE), and LaBella Associates are seeking public comment and visioning on the site's future.

The community will be able to learn more about the project and provide feedback at the Oriskany Farmers Market on September 7 from 2 - 7 PM. The public is invited to stop by the booth anytime during the Farmers Market to weigh in on how the site should be reimaged.

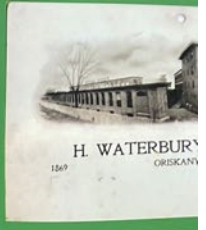

How do you envision this site to look?
