

Commercial Kitchen Rebates

NATIONAL GRID

National Grid offers instant rebates up to \$2,500 per unit to non-residential customers for the purchase and installation of energy-efficient natural gas and electric foodservice equipment.

PROGRAM HIGHLIGHTS

- By replacing or adding energy-efficient equipment, you can improve performance and cut costs by 10 to 30 percent without sacrificing service, quality, style, or comfort.
- As a National Grid customer, you would receive a rebate directly on your invoice when you purchase qualified natural gas or electric foodservice equipment from participating vendors.

PROGRAM REQUIREMENTS

Many makes and models of natural gas and electric foodservice equipment qualify for rebates. Eligible equipment must be installed at an active, valid, non-residential National Grid natural gas or electric service location. For a full list of eligible equipment, select the corresponding equipment lists at www.energystar.gov/productfinder or www.fishnick.com/saveenergy/rebates/qpl.
