

What does your Richmond Pond Association do?

Our Purposes:

- Promote and support the pond's preservation and protection, and maintain and enhance the natural environmental, recreational, aesthetic and economic values to the public of Richmond Pond and its watershed.
- Educate the public about the importance of preserving and protecting Richmond Pond, its watershed, and the wetland values associated with the pond.
- Assist town, regional, state and federal governmental bodies, nonprofit environmental organizations, and planning agencies to facilitate financial support for pond preservation and protection, including repairs to the dam and other infrastructure.
- Establish an information base regarding the pond, and serve as a member of the Lakes and Ponds Association of Western Massachusetts and similar organizations, and advance the exchange of ideas and information regarding the protection and preservation of the pond.
- Conduct other such activities and programs in furtherance of the foregoing purposes as may be carried out by a corporation organized under the M.G.L. c 180 and described in Section 501(c)(3) of the Internal Revenue Code.

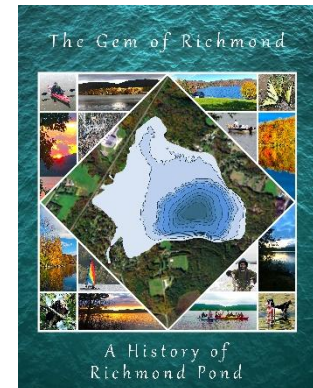

Brochure updated July 2025

Recent Specific Projects - many in collaboration with the Richmond Town Administrator & others:

- Maintain a highly informative website (www.richmondpondassociation.org) & email regular updates to our subscribers.
- Conduct a summer "annual meeting" to inform the public about pond health strategies & solicit input on pond matters.
- Develop & implement a Lake Management Plan (ongoing).
- Support pond health efforts financially.
- Provide input on herbicide & other weed management strategies to control invasive weeds & nuisance native weeds.
- Educate pond users to ensure clean boats; this has helped keep zebra mussels & other invasives out of the pond.
- Educate pond users about safe boating & swimming practices.
- Engage in RPA board member education through regional & state workshops.
- Respond to homeowner concerns regarding sound & light annoyances, canal health, & swimmer safety by facilitating conversations & solutions.
- Conduct regular testing of the 4 tributaries & the pond's outlet by RPA volunteers.
- Coordinate bi-weekly testing for cyanobacteria levels with LAPA West.
- Developed a protocol for water testing of the pond's beaches & generation of related communication alerts as needed.
- Updated the depth charting of the pond.
- Proactively assisted Mass Audubon in creating Tracy Brook Wildlife Sanctuary on a portion of the former Girl Scouts' Camp Marion White.
- Developed & implemented an all-pond goose management plan (2019-2022).

Additional Projects:

- Historically, proactively advocate for pond health in other ways, such as limiting development parameters around the pond.
- Published *A History of Richmond Pond* book in February 2022, still available at Bartlett's, now only \$10. With 30 chapters & over 600 copies sold, book sale revenues have exceeded publishing costs.

Recent RPA Budgets

Your contributions constitute most of our revenues, in addition to dues paid by member organizations. Annual expenses vary, based on initiatives. We contribute \$2,000 annually to a dam maintenance fund, and budget for lake management programs that include water quality testing, weed management, and educational funding for school workshops.

Historical major expenses:

- Tributary testing & pond studies
- Assist with costs of weed treatments & dam maintenance
- Annual free all-town picnic
- Annual newsletter

Richmond Pond is a 218-acre raised great pond, with a maximum depth of 53 feet, located in Richmond and Pittsfield, MA. It has a public boat launch ramp for small boats, a kayak launch dock, the Richmond town beach, 2 summer camps and 182 seasonal cottages and year-round dwellings, about 55 of which are at shoreline. MassWildlife fish surveys list 14 species: largemouth bass, rock bass, black crappie, chain pickerel, yellow perch, bluegill, sunfish, pumpkinseed, brown bullhead, common shiner, and bridle shiner, including the stocked rainbow, brook and brown trout.

How can you help?

- **Learn more** about RPA and the pond at www.richmondpondassociation.org
- **Sign up as a subscriber** to the RPA website network to receive free updates. Go to website's *About Us* page, cursor down to bottom, enter your email address & click on *Sign Up*.
- **Contribute to the RPA** – As a 501(c)(3) non-profit organization, donations are tax deductible. Send a check to Richmond Pond Association or visit the website's home page & click on *Donate Now*.

- **Volunteer** to serve on the Richmond Pond Association board (contact any RPA officer or ask your association or camp to designate you).

RPA Officers:

President (vacant as of July 2025)

Louise Brogan, Vice President

Doreen Donovan, Secretary

Laura Rosenthal, Treasurer

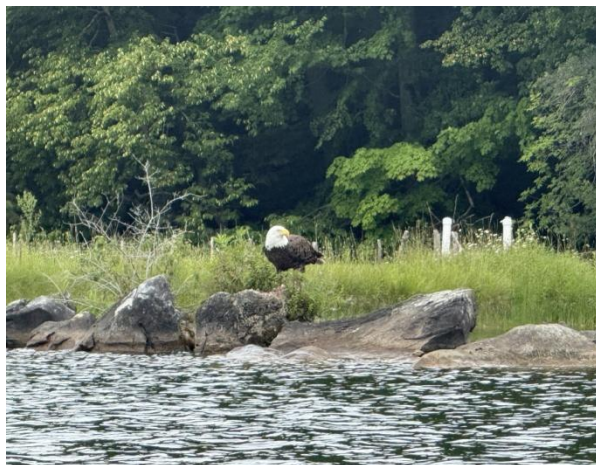

Jonna Gaberman, Assistant Treasurer
