

# ON TOP OF THE WORLD - WINTERSTATE

(SCROLL DOWN IF YOU NEED EASIER GUITAR CHORDS THAT USE A CAPO)

B (add11 – optional\*)  
 I saw my life in LEDs  
 B/E  
 Burning bright in effigy  
 G#m F# E  
 The light from it is keeping me awake

B  
 There were days of hope and consequence  
 B/E  
 A gilded age of innocence  
 G#m F# E  
 When we set our sights as high as they could reach

B  
 I'm on top of the world  
 B/E  
 But baby I can't sleep  
 G#m F#  
 I've been diggin' down deeper and deeper just trying to find  
 E  
 Whatever you saw in me

B  
 I'm on the top of the world  
 B/E  
 don't let me go  
 G#m F#  
 Cause it's a long way down when nobody knows  
 E  
 You're dying on your own  
 B  
 on top of the world

B  
 There were times we lived like royalty  
 B/E  
 There were moments fit for the silver screen

G#m F# E  
There were nights we made a scene on the way back home

B  
There were days we felt like giving up

B/E  
There were fights that made us fall in love

G#m F# E  
With life and all the heartache it can bring

B  
I'm on top of the world

B/E  
But baby I can't sleep

G#m F#  
I've been diggin' down deeper and deeper just trying to find

E  
Whatever you saw in me

B  
I'm on the top of the world

B/E  
don't let me go

G#m F#  
Cause it's a long way down when nobody knows

E  
That you're dying on your own

B  
on top of the world
