### EZ-VUE<sup>TM</sup>

\$ 35.99

Price shown is packed and cartoned for shipment F.O.B. Walker, MI 49544

Patent Pending

- Magazine storage and display
- Shelves can be tightly spaced
- Easy browsing and access without removing the unit from shelves

- Front and top “shields” minimize contamination
- Durable 3/16” acrylic display unit
- Unit construction protects periodicals from damage
- Eliminates the need for magazine covers
- Separate attached front pocket showcases the current issue and will not separate when used to pull or move the unit
- Current issues in the front compartment will not “droop” forward since they are supported top to bottom
- Three separate compartments for back issues
- Access all periodicals contained without removing from the shelvesthe unit from shelves
- Cutouts on top for ease of transporting
- Polished edges, rounded corners
- Easy spin felt glides
- Sized to fit standard periodicals
