The Flame

From the Pastor's Study:

"Therefore prepare your minds for action; discipline yourselves; set all your hope on the grace that Jesus Christ will bring you when he is revealed." -1st Peter 1:13

For many of us July is a month filled with summer fun, outdoor activities, cookouts, and fellowship time with friends and family. However, as the summer heat continues many of us will naturally begin looking ahead toward what is next...or the fall. I know this will be especially true for our educators and students who will be returning to school very soon. This could also be true for farmers getting ready for a harvest, or even grandparents preparing their schedules for grandkid pickups/drop offs. In the coming weeks I'm sure all of us will begin making preparations in our own way for all that awaits us in August and September.

Those of us in the church are currently making preparations for Vacation Bible School this month, but we are also looking ahead toward many fall activities, studies, dialogue opportunities, and worship. As you personally prepare for what is to come this fall I hope you will make intentional plans to be a part of some of our programming ministries in the church. Sue, Richard, Erin, and I will be looking to cultivate opportunities for you to be engaged here at the church so that you can grow as disciples in your love for God and your love for those around you. My prayer is that all of us would prepare our hearts, minds, and bodies to be engaged in the work of sharing God's unconditional grace but also growing in that same grace day by day.

See you around the church!

Chris

New Opportunities for Dialogue

In anticipation of the United Methodist Church's General Conference beginning on April 23rd, 2024, our congregation will enter a season of intentional dialogue that will extend from August 2023 until after our denomination's General Conference meeting. This will be a time of prayer, exploration, discernment, study, sharing, and discussion. Rev. Chris Black will be hosting several events and opportunities for shared dialogue around issues that he anticipates will come up at the next General Conference. All of the upcoming events will be informative in nature, but will also encourage discussion from all participants.

Beginning in September, Rev. Chris Black will offer a six week class called "Conversations," which will focus on the divisions that are currently present in the United Methodist Church. Each week the class will put prominent conservative and progressive voices from within and outside the UMC in dialogue with each other. The hope is that these conversations will naturally create opportunities for dialogue amongst our own community members.

Later in the fall, our congregation will also have the opportunity to participate in a couple of straw polls in the coming months, as well as listening sessions, and community wide discussions. *(Continued on Next Page)*

(New Opportunities, continued)

The first event that has been scheduled for our season dialogue is a **“Watch Party”** on Wednesday, August 16th at 7:00 p.m. This event will be for all those who are interested in or who care about our church. We will be watching two informational videos together about the state of the UMC and the current conflicts within the denomination. The purpose of this event will be for our community to get informed about what is going on in the denomination and to talk about it together. Popcorn and Soda will be offered, but you will have to bring your own movie candy if you prefer that. We hope you will make plans to join us on August 16th!

Sue’s News - July 2023

Can you believe it?! We are just officially a few days into summer, but it seems like summer is almost gone. It won’t be that long until the kids start back to school here. WOW! BUT! THERE IS STILL LOTS TO ACCOMPLISH THIS SUMMER!

Our big July event will be our community Bible School when we will again join with Madisonville Presbyterian Church beginning on Sunday July 9th and ending at Sweetwater city pool on Thursday evening July 13. We could not get the pool the last Friday of Bible School as we have done for many years so we are going with a 4 day class week and end at the pool on Thursday night. The pool party has become a favorite tradition over the years and we all look forward to that evening. Please plan to join us for our exciting Bible School—Hero Hotline. We will have classes for all ages including adults. Our food folks are planning great meals. Kathleen Cornett is leading our meal group, and she said that individual bags of chips, watermelons, cantaloupes and any kind of garden produce will be greatly appreciated. Everything is coming together for a great Bible School week!

Not long after Christmas last year, I ordered this year’s Christmas cantata. I am so excited about this cantata. It has taken all my will power not to start working on it, but we will soon! We would love to have people join us in the choir. Think about it, please. We meet at 6 PM on Wednesday evenings in the sanctuary for practice.

Even though it is summer time and things have slowed down a little bit for a short time, I am

amazed at how much outreach our church has been doing over the last few months and will continue to do in July. We put together 90 health kits for Holston Conference. Right now we have taken the names of 25 children who will get a back to school outfit and a pair of shoes through The Good Shepherd Center’s Christmas in July project. Thanks to Regina Warfel who has coordinated this effort for our church and is going to volunteer at Good Shepherd Center to check incoming backpacks. Several of our members volunteer on a weekly basis at Good Shepherd Center year round. We had four of our folks go on a mission trip to Guatemala. The Passion Sisters have made several fidget blankets to distribute to people with dementia. We also have volunteers for the Isaiah 117 House. We have provided snacks for the late afternoon bus kids. We have collected and distributed baby diapers. We have done suppers for the Community Café. We have served needy people through our Blessing Box and our Community Assistance Fund. We have sent our folks on a mission trip to West Virginia. We gave a monetary gift to the Conference’s Change for Children project and money for another mission project. The United Methodist Men and the Women in Faith will be giving out scholarships and graduation gifts in July. The Women in Faith gave a partial scholarship to one of our children who will be going to Camp Lookout in July. We call our Bible School a community Bible School and hope to have unchurched children attend our Bible School. I am sure I am leaving some things out.

July will be busy. Save this newsletter so you will have the July calendar. We’ll have updates to events as July goes along. If you are not getting Richard’s Friday email update and/or my Saturday email update, let us know and we will put you on the group email list. July is going to be a busy month..

Christmas in July

Passion Sisters is hosting a Christmas in July workshop. We will be creating a unique holiday craft that you may take home with you. If you are interested in joining us on Monday, July 17th at 1:00-3:00 PM, sign up on the sheet in the gathering area. Materials will be provided. If you wish to bring a friend, sign them up too! For more information contact Carolyn Peters or Bev Taylor.

Mission Trip 2023: Fellowship, Community, Hard Work

What an absolutely amazing week in Bishop, Virginia/West Virginia! The work done and relationships built by this group of youth and adults is phenomenal. The work

included building a new front porch for Jerry, repairing and painting a shed for Bear, sorting and folding clothes at the mission center, updating a bathroom and painting a family room and kitchen for Roger and Nahoma. Our crew put in full days of work and even stayed late on multiple nights to make sure we could finish projects. This group

includes some of the hardest workers, and I'm so excited I get to serve with them. When they would finish one task, they would ask what they could do next. No task was too big or too small. They tackled

them all with a positive attitude and a genuine desire to help the homeowners. We look forward to telling you more about the work during our recap service on July 23.

One of the biggest impacts made this year is the relationships built with the homeowners and this small community that

feels forgotten. Being visitors and helping people in their community made us the talk of the town! Jerry's neighbors called Pastor Daniel to tell him they hadn't seen Jerry smile that much in years, but his

new porch had him grinning from ear to ear. Bear's sister said he called her at least

three times each day to give him updates on our progress on the shed and that we painted his carport and fence as well.

(You can read the letter from Bear's nephew as well!) Not only did we work on Roger and Nahoma's home but we also played with their grandchildren and showed them we love and care for them. Their

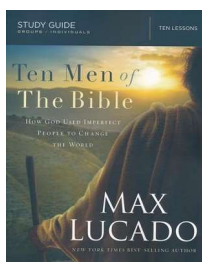

handwritten letter to us is beautiful! We hope the people of Bishop know they are not forgotten, and that we consider them part of our community now, too. This mission trip had us feeling the struggles of the people in the town, but we also spread hope and love. Pastor Daniel shared that our youth and the work they were doing had inspired a handful of local youth. They asked if they also could help with repairs

like we were doing. WOW! That's the impact our group made on their young people. And another mission team was talking to Daniel about continuing the work we started. YES!

There are so many stories to share, but I'll end with this: These kids are my kids. I'm proud of them. I love them. They are part of my and Jerry's family. Please share in the excitement of a week of hard work that is inspiring a community.

The Sunday Bible Fellowship—Ten Men of the Bible

We meet after services most Sundays and enjoy lunch provided by volunteer cooks. Each lesson is a capsule of scripture, thoughtful discussion and a story from the Bible from a book written by Max Lucado. The writing style is both humorous and thought provoking providing a glimpse of what it would look like in the modern day. We share this time together to talk about the lesson as well as what is happening in the world around us until about 1:15 p.m.

A Note of Thanks from One of the Families Helped By Our Mission Trip

From Christopher Callahan for Glenn "Bear" Marshall

Good Day First United Methodist Mission Service Team that helped in Bishop Virginia, I am the Nephew of 73 year old Glenn "Bear" Marshall for whom the team repaired and painted the garage,

carport and fence white. The Marshall family has lived in this property for over 50 years, and for the last couple decades this once vibrant community full of hard working people from coal miners to state workers took pride in their community, which has been ravaged by the opioid and meth drug epidemic. As hard working people started passing or moving out, the drugs moved in. Many houses in Bishop have been stripped of metals, sold, or burnt down. Even the police do not want to respond to calls for help. Through all this the resilience of the people have endured these hard times.

Bear has seen the good times pass with the boom of the mines where his father worked for decades before his retirement. Bear has endured the loss of his

mother, father and 80 year old brother Porky, whom he lost after living his whole life with him over 50 years together in this little white house that shines like a beacon down in these beautiful mountains of the Appalachia. Bear did not graduate high school and has not worked much of his adult life, he has the mind and spirit of a young child and has been dependent on his parents and brother all these decades. He did not drive for over two decades because of cataracts on both eyes, he has one eye repaired a little over a year ago that allows him to drive into town to get his medicine and groceries. So God is moving in him each and every day.

He is old school and stubborn and went without TV for a few years until after his brother passed this last year. They have the TV still from 30 years ago. That generation makes things last. He has a mind like the rain man where he will spout out dates and numbers like it happened yesterday. He has lived and stood the watch in Bishop for over 5 decades but as the good Ole boys age they fade like stars in the sky. This meant the world to Bear he talked about the 17 beautiful souls that came this past week to give him hope on allowing him to continue to stand his watch as you enter into Bishop, VA. He does not leave the house unless he really has to and does not go to

church but understand your team's kindness, hard work and generosity gave him a glimpse into God's beautiful plan for us all.

As Bear stands watch over Bishop and continues to endure, his cousin Melvern watches over him. My mother Eva (76) married and departed from that house when she was 27 and she took us back there every summer as kids so our memories are deep and fond of this little community on the edge of cell services, still enduring and surviving. With grateful hearts from one Christian to another you touched the heart of one big Ole Bear in Bishop, VA! Thank you, and God Blessings from Seattle, WA, the nephew of Bear.

*Respectfully,
Chris Callahan*

It's Our Turn for the Community Café

On Tuesday, July 11th, First UMC is on tap to provide the food for the Community Café at the Madisonville Presbyterian Church. Last time, we served nearly 40 people. This time, we still need sliced tomatoes and lettuce, desserts, and fresh fruit (bananas, apples, oranges). Food needs to be at the Presbyterian Church by 4:30 PM. Call Dora Nelson (928) 660-1009 or Jan Johnson (423) 295-4872 if you have any questions.

Stained Glass Update

The stained glass project is progressing well. More than enough money was raised for the UWF (formerly called United Methodist Women) transom window. Ben Parham from the stained glass company who is making our windows made the trustees an offer of exchanging Emma Tate's diamond ring for the making and installation of the side windows in the sanctuary.

Therefore, stage 1 and stage 2 stained glass project is currently under construction. These 4 windows should be installed before the end of July.

Stage 3 encompasses three stained glass windows in shadow boxes on the wall opposite the current windows in the sanctuary (right side of sanctuary facing pulpit). There is an established

fund for stained glass windows from previous donations in addition to some left over from the first stage. More information on the estimate for this phase will be communicated at a later date.

Vacation Bible School - We Are Nearly There!

VBS is upon us! It starts next Sunday, July 9, and runs until the following Thursday with a pool party at Sweetwater pool. You may notice some of the construction materials and props in the gathering area— they're being staged there for installation this week. So far, we have nearly 35 attendees confirmed, and we are expecting more this week—and of course walk-ins after we get started, and we'll be ready to take, teach, and feed all of them. This is going to be a busy week, and we plan to have plenty of supplemental oxygen for Sue on hand once she gets going in overdrive —should she need it (just kidding!)

There will be a robust adult VBS component for parents and other interested adults. If you are interested in taking part, please register yourself at the link found at vbs.1umcm.com

AND OF COURSE—Keep up the word-of-mouth at work and wherever you go in our community! Point them to vbs.1umcm.com to register.

Community Assistance Fund & Blessing Box - an Appeal

With your support, this year our Community Assistance Fund has been able to provide \$2272.89 in funding for food, utilities, housing, transportation, & health care, and our Blessing Box has provided a great deal of direct food and hygiene supplies to those in our community who are less fortunate. With the approach of Summer, the coffers and cupboards are growing bare, and we will soon need to turn people away. Please consider making a contribution or providing food to these two important missions of our church.
