

The Flame

From the Pastor's Study:

So then, a Sabbath rest still remains for the people of God; for those who enter God's rest also cease from their labors as God did from his. Let us therefore make every effort to enter that rest..."
(Hebrews 4: 9-11a)

June is upon us and I honestly can't believe it! It seems like May flew by and now summer is finally here. I know many of us have trips planned to travel with friends or family. For some of us (especially those in education or our youth), June is the beginning of a season where we catch our breath to get ready for the fall. For those among us in agriculture or farming, it is the complete opposite. This is one of the busiest times of the year for them as hay continues to be put up, livestock is cared for in the heat, and crops are tended to.

As a Pastor, June has traditionally been a month of spiritual rest/renewal for me. I usually take time to reflect on the previous year's ministry, and then begin making long-range plans for the next year. This includes everything from choosing preaching texts, drafting liturgies, planning classes, and even working to create some fun ministry programming. June is also usually when all the Holston Conference clergy and laity come together to meet as an Annual Conference. This is a time where church business is done, but it is also a time of fellowship, renewal, retreat, and inspiration for mission. I hope you will be in prayer for all of us who will gather between June 4th-7th at Lake Junaluska for the 2023 Annual Conference.

I also hope that you will find time this month to rest and be in retreat as I will be. For some of you, this will come naturally. For others of you it might sound impossible because of all that needs to be done. Still, we are called to find a time for Sabbath rest just as God did in the story of creation. God gently commands this so that we can remain balanced and centered on him.

As I considered this, I came across a couple of quotes from Rev. Eugene Peterson, who says, "Sabbath is the time set aside to do nothing so that we can receive everything, to set aside our anxious attempts to make ourselves useful, to set aside our tense restlessness, to set aside our media-satiated boredom. Sabbath is the time to receive silence and let it deepen into gratitude, to receive quiet into which forgotten faces and voices unobtrusively make themselves present, to receive the days of the just completed week and absorb the wonder and miracle still reverberating from each one, to receive our Lord's amazing grace." He also reminds us that, "Sabbath is that uncluttered time and space in which we can distance ourselves from our own activities enough to see what God is doing."

We were given the gift of Sabbath so that we can be strengthened in our hearts, souls, and even our bodies by God alone. A Sabbath practice could be as simple as a prayerful hike in the woods, or even an hour in the evenings to meditate on God's word and to pray. It could also mean a whole day away devoted to rest and reflection. I hope you will join me in striving to carve away some time to rest, to commune with God, and to be prayerfully centered on Christ this month.

Lots of hope!

Chris

Sue's News - June 2023

This newsletter is full of information for the month of June. I'm not going to take space to repeat what we have already written. You can read about all the exciting things that will take place in the coming weeks. I want to go in a little different direction this month in my writing.

Do you think about the fact that we represent our church when we are out in public or with family and friends? I think about it a lot as I am out and about. I usually, through the week, have on one of our church shirts (I don't know what I will wear when they wear out. We need to get new shirts!) Every once in a while someone will read what is written on the back of one of our shirts and make a comment—always very positive—about what the shirt says, and I am proud to take a minute and talk to the person about our church. The same goes for when I am shopping for the church and I use our church credit card. The cashier knows I am representing our church, and sometimes we will have a conversation about the purchases if they are for one of our projects. Just the other day I talked to the Walmart cashier about the health kits I was buying for. It makes me feel good to do this. I often invite the cashier or someone in line with me to come to the event we are getting ready for if I am buying things for a special event. Today at Walmart I ran into and talked at length to one of the Bruderhof folks and told them when our Bible School was and we hoped some of their kids would again join us. AND I didn't even have on the shirt today!

We are all representatives of our church whether we are "wearing the shirt" or not. We have lots of events coming up. In particular, we have Vacation Bible School coming up the week of July 9th. Don't wait until the day before to represent our church. Begin inviting folks now. We will have classes for all ages-children through adults. We are again partnering with Madisonville Presbyterian Church and the ground-work is already being laid for a fantastic week.

Lets get out there and represent our church and recruit kids and adults to be a part of this event! WE are the church!

The Sunday Bible Fellowship—Ten Men of the Bible

We meet after services most Sundays and enjoy lunch provided by volunteer cooks. Each lesson is a capsule of scripture, thoughtful discussion and a story from the Bible from a book written by Max Lucado. The writing style is both humorous and

thought provoking providing a glimpse of what it would look like in the modern day. We share this time together to talk about the lesson as well as what is happening in the world around us until about 1:15 p.m.

Anyone is welcome any Sunday we meet. You don't have to come every session. We don't gather on holiday Sundays or the third Sunday.

You don't have to read the book but it will help your understanding in our discussions. (I will order extra books.) We go through a summary of the lesson and choose questions to discuss as we go through the five days of learning more about the lesson the Lord has given us in scripture. We find out about ties from the Old and New Testaments.

"The men of the Bible were not perfect by any means: Noah drank too much. Job thought he knew more than God. Moses murdered a man. David committed adultery. Joseph risked his reputation. Matthew was a tax collector. Lazarus...died. Peter betrayed Christ. Paul killed Jesus' followers. We find our hopes and struggles in the pages of the Bible that tell their stories."

We will begin with an introduction to Ten Men of the Bible on May 28th if that study sounds intriguing to you. Marlee will order those books (\$15) if you are interested in joining us. If you want a book ordered or have any questions, please contact Marlee Tierce – mtierce@aol.com or call 423-884-2196.

Looking ahead to the next Holston Annual Conference

Continuing with our Together theme, the 2023 Holston Annual Conference will focus on gathering and worshipping together. Our theme was set to remind us we are called, designed, and created to worship God. We also know God moves in powerful ways when we set aside our differences, gather for holy conferencing, and worship together. In anticipation of the Annual Conference our lay representative Marlee Tierce has made a summary sheet of all the resolutions/petitions that have been submitted for our gathering. If you would like a copy of this please reach out to Marlee at mtierce@aol.com or you can also read the book of reports at ac.holston.org. We hope you will begin praying for our Annual Conference today and that you will plan on joining us online June 4-7, 2023 for this time of holy conferencing. We also hope you will be in prayer for Rev. Chris Black, Marlee Tierce (Lay Representative), and Richard Beaubien (Hiwassee District Member-At-Large.) as they attend the conference sessions. Members of the Annual Conference will be gathering at Lake Junaluska and others may join us, via live stream, on ac.holston.org.

Our Church has **WAY** stepped up in Missions!

This year the Hiwassee District Hands-On Mission Project goal for our church was 50 health kits and at last count our community has collected **90** kits! Our District goal was 400 kits so

10 Cases ready to head to Africa!

Our church has made a tremendous contribution to this goal (almost 24% of the goal for the ENTIRE District!) As a church body we have responded in an incredible way to support the Holston Conference's ongoing mission to Liberia and Zimbabwe. This mission is part of a broader Holston Conference

effort to annually provide Health, Education, and Food resources to the people of Liberia and Zimbabwe. Let us celebrate together how we have been inspired to provide in such an abundant and beautiful way!

UWF & Scholarship Salad Bar

United Women in Faith (UWF), (formerly United Methodist Women) will meet June 11th instead of June 18 in the fellowship hall right after church. All ladies are invited. Lunch will be provided. The "Scholarship Salad Bar" will be discussed.

THEN, plan to come join us after worship service on Sunday, June 25 for a Salad Bar Extravaganza starting at 11:30 am. United Women in Faith

will gratefully accept donations to fund our Scholarship program for next year. We will be having lettuce salad with lots of fixings/choices, fruit salad, pasta salad and sandwiches like chicken salad and egg salad plus some desserts. We hope everyone will join us for food and fellowship plus the chance to donate to help our seniors headed to college next year.

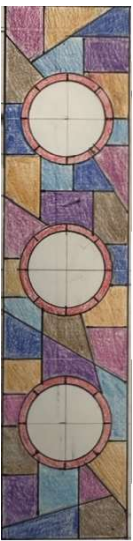

Mark your calendars for Family Night Supper!

On Wednesday, June 21st at 6:00 p.m. we will be having our monthly family night supper in the fellowship hall, and we want to invite you to bring your favorite dish! This could be a casserole, vegetables, bread, meat loaf, chicken, etc. Every time we have a family night supper it is a wonderful time to fellowship and break bread together and our dinner on June 21st will be no different! Please join us!

Stained Glass Is Coming to First United Methodist Church!

Stained Glass is coming to FUMC of Madisonville. UWF is raising money for Phase I, a stained glass transom window above the main sanctuary doors. Emma Tate left money for a stained glass window project. Ben Parsham from State of Art, Inc. Stained Glass in Knoxville has designed the transom window (above) in addition to Phase II - which will be the three side windows in the sanctuary (below left). Phase I of this project costs \$1,780 to make and install the glass. Emma left the UWF \$540 which leaves \$1,240 left to raise to

complete the Phase I of the project. UWF is asking for help to raise this money. In the design there are 29 background pieces and 3 medallions. We propose that anyone who would like to help could sponsor a background piece at \$25 each or one the medallions at \$200 each. You can also donate any amount you would like. If you would like to donate to this beautification project of our church or have questions, contact Regina Warfel 219-964-8989. Donations can be put into the offering earmarked stained glass. UWF thanks all who would like to make Emma's dream a reality. For this first project we would like to have a deadline of July 31. It will take approximately 4 weeks to make and install the window.

Editor's note: as of the time of publication, we've already raised \$1,050 toward Phase I of the stained glass project.

Emma Tate's Ring

Emma Peck Tate was a lifelong member of First UMC Madisonville She was at church "every time the doors were open". Even after she moved to a retirement community in Maryville because she could no longer reside in her home alone, she drove down Hwy. 411 to Madisonville almost every Sunday to attend church!!!! That caused a lot of concern!

Emma dreamed that someday, our building would have beautiful stained glass windows. She made a donation designated for that cause several years ago.

Emma passed away at age 94 in April 2021. Her funeral of course was held at our church sanctuary. Her family requested donations in her memory be made to

our church, or the United Methodist Women (as was called at that time). The women's group decided to honor Emma with a stained glass transom over the main sanctuary doors. It is hoped that someday the three side windows in the sanctuary will also be replaced with matching stained glass.

After her death, Emma and her family gifted our church a much loved diamond ring from her estate. The center is a 1+ carat pear shaped diamond adorned with 16 baguettes in 14 carat gold. The church Trustees discussed how Emma would want the proceeds of the sale of the ring be used. Of course, stained *glass!*

The women's group is working with a stained glass designer in Knoxville. The preliminary designs will be available to view along with the ring on Sunday, June 25 after worship.

The ring has been appraised by four Graduate Gemologists, GIA. The appraisals will be available. If a potential buyer wishes to have additional appraisals done (at their expense), a Trustee must be present. We will accept bids starting June 25 until July 15. The minimum bid is \$6,000.

We are hopeful the ring can be sold locally so our church can benefit from the entire proceeds and not have to pay a commission to another party. ***The higher the selling price, the more stained glass can be installed!***

For more info, contactCarolynn Greenwood or any Trustee for viewing at another time.

Vacation Bible School - Call to Action

We are teaming up with Madisonville Presbyterian Church for "Hero Hotline" Vacation Bible School scheduled from July 9 to 14. The topic of VBS is how everyone's gifts are valued, and every hero has a role to play to bring peace to the world, build each other up, and share the great story of God's love for us.

We will be needing YOUR help to pull this together. Specifically, volunteers will be needed to

- *Distribute flyers/posters (there are stacks outside on the table—take what you think you can distribute.)
- *Get the word out by sharing email and social media posts about VBS
- *Daily Set-up
- *Prepare and serve food
- *Build sets (there will be a superhero cave made with chicken wire—think "Batcave")
- *Lead music and lessons
- *Check-in and check-out participants
- *Help cover for the unforeseen things that happen with children.
- *Clean-up and reset for the next day

We look forward to working with you for this joyful, event for all ages! Sign up at vbs.1umcm.com

Community Assistance Fund & Blessing Box - an Appeal

With your support, this year our Community Assistance Fund has been able to provide \$2272.89 in funding for food, utilities, housing, transportation, & health care, and our Blessing Box has provided a great deal of direct food and hygiene supplies to those in our community who are less fortunate. With the approach of Summer, the coffers and cupboards are growing bare, and we will soon need to turn people away. Please consider making a contribution or providing food to these two important missions of our church.
