The Flame

From the Pastor's Study:

So then, a Sabbath rest still remains for the people of God; for those who enter God's rest also cease from their labors as God did from his. Let us therefore make every effort to enter that rest..." (Hebrews 4: 9-11a)

June is upon us and it is hard to believe that summer is finally here. I know many of us have trips planned to travel with friends or family. For some of us (especially those in education or our youth), June is the beginning of a season where we catch our breath to get ready for the fall. For those among us in agriculture or farming, it is the complete opposite. This is one of the busiest times of the year for them as hay continues to be put up, livestock is cared for in the heat, and crops are tended to.

As a Pastor, June has traditionally been a month of spiritual rest/renewal for me. I usually take time to reflect on the previous year's ministry, and then begin making long-range plans for the next year. This includes everything from choosing preaching texts, drafting liturgies, planning classes, and even working to create some fun ministry programming. June is also traditionally when all the Holston Conference clergy and laity come together to meet as an Annual Conference. This is a time where church business is done, but it is also a time of fellowship, renewal, retreat, and inspiration for mission. {You can find more details about the upcoming Annual Conference in this edition of The Flame newsletter.}

I also hope that you will find time this month to rest and be in retreat as I will be. For some of you, this will come naturally. For others of you it might sound impossible because of all that needs to be done. Still, we are called to find a time for Sabbath rest just as God did in the story of creation. God gently commands this so that we can remain balanced and centered on him.

Annually I try to remind myself of the wise words of Pastor/Author Rev. Eugene Peterson, who says, "Sabbath is the time set aside to do nothing so that we can receive everything, to set aside our anxious attempts to make ourselves useful, to set aside our tense restlessness, to set aside our media-satiated boredom. Sabbath is the time to receive silence and let it deepen into gratitude, to receive quiet into which forgotten faces and voices unobtrusively make themselves present, to receive the days of the just completed week and absorb the wonder and miracle still reverberating from each one, to receive our Lord's amazing grace." He also reminds us that, "Sabbath is that uncluttered time and space in which we can distance ourselves from our own activities enough to see what God is doing."

We were given the gift of Sabbath so that we can be strengthened in our hearts, souls, and even our bodies by God alone. A Sabbath practice could be as simple as a prayerful hike in the woods, or even an hour in the evenings to meditate on God's word and to pray. It could also mean a whole day away devoted to rest and reflection. I hope you will join me in striving to carve away some time to rest, to commune with God, and to be prayerfully centered on Christ this month."

Lots of Hope!

Sue's News - June 2024

Wow! June! kind of gauge the change of seasons by staring out my office window. I love my window! Today definitely looks and feels like early summer. I am writing this on May 30, and today is an ABSOLUTELY BEAUTIFUL (an AB day as Todd Howell would say) day. I can't wait to get home and play in the dirt and I can't wait for summer tomatoes. Say a big prayer for my little garden. It needs all the help it can get.

June is going to be busy at the church. We start the month off with communion on the 2nd, followed by Marlee's study class after worship and then a wedding shower at 1:30 for Greyson Strickland and Erin Roberts who will be getting married at the end of the month. Congratulations, Greyson and Erin!

On Wednesday the 5th we are going to have our June family night supper at 6 PM. (Choir, remember that we will not practice on this night so we can enjoy the picnic.) It will be an "indoor in the fellowship hall" picnic. Chris is going to grill hot dogs and burgers, and we are asking everyone to bring picnic sides and desserts. If you are willing to provide things like pickles, sliced tomatoes and onions or lettuce, please let me know in advance that you will bring some of these things. If I don't hear from people, I will need to go to the store on Wednesday and buy these things. You have to have these things for good burgers!

On Sunday the 9th we will have morning worship followed at 1:30 by a wedding shower for newlyweds Hannah (Harrell) and Hagen Lands. Congratulations, Hannah and Hagen, who were married on May 18th. Pastor Chris, Marlee Tierce, and Wes Hibbert will be leaving that Sunday afternoon for the 2024 Annual Conference at Lake Junaluska.

There are lots more things that will be going on in June, but to end the month our youth group and adult leaders will be leaving on June 30th on a mission trip back to a the place in Kentucky where they worked 2 years ago where a tornado devastated the area. This is the Princeton/Dawson's Creek area. A few days ago another tornado went through this same area so they know there will be lots of work to be done. Please begin to pray for our missionaries as they prepare for their trip to Kentucky.

Watch for emails and texts throughout the month and read your Sunday bulletins to find out

about other happenings during June. Take some time to enjoy the beautiful weather and plan to be with us on Sundays throughout the month. June is going to be a great month at First UMC Madisonville.

Read Together for June

This year Rev. Chris Black invites you to join him in participating in the Holston Conference's "Read Together" initiative. This opportunity challenges us to read through the whole Bible in one year. In 2024, we will be reading the Bible chronologically using a path laid out in J. Ellsworth Kalas's "The Grand Sweep: 365 Days from Genesis through Revelation". This reading plan asks us to read only 2-3 chapters a day which will be much less burdensome than previous years studies.

Bible Fellowship Class

The Bible Fellowship welcomes you to our current study which began on May 26th! We discuss and pray about current events as we see the connections in the Bible to our daily lives. Please consider joining our group right after church in the Youth Room to share lunch and enjoy discussions as we learn more from the scriptures. Our study is "Growing Older and Wiser" by Dale and Sandy Larsen.

From the day we are born we grow older, but do we grow wiser each day as we get older? This study uses scripture from the Old and New Testament to discover the Bible's perspective on aging, and encourages us to reflect on the questions about who we are and what we believe. We'll discover how God can effectively and powerfully use those who have grown wiser with the passing years. Each of the 9 chapters focuses on a different aspect so you can attend as you are able and find ways to grow in tune with what God wants you to become. Marlee Tierce already has the books so just let her know if you want one.

Are you interested in joining our Church?

We are a faith community that is incredibly blessed because we have so many active members! However, we are also blessed because we have numerous folks who have been faithful as long-time visitors, and some who have been wonderful short-term guests. If you are someone who is interested in learning more about what it means to join the

church as a full member, please feel free to reach out to Rev. Chris Black by email cblack@firststumcmadisonville.org or you can call or text him on his cell. We are so blessed to be such a vibrant and multifaceted community of Christian disciples!

Looking Ahead to the Next Annual Conference

Continuing with our Together theme, the 2024 Holston Annual Conference will focus on serving together. 2024 is our bicentennial year, and as we celebrate the past 200 years, we will be looking back at some of the ways Holston has served its communities. We will also be highlighting our present ministries and planning ways to serve into the future.

We hope you will begin praying for our Annual Conference today, and that you will continue in the days to come. Members of the Annual Conference will be gathering

at Lake Junaluska June 9-12, 2024, and others may join via livestream that will be posted on ac.holston.org.

Holston Conference Missions Offering: New Voices

(From Holston.org)

The Holston Conference is blessed with several fruitful, effective ministries that help our young people find their voices for faithful leadership, and this year's annual conference missions offering will support those ministries raising up and equipping young voices.

The New Voices offering will benefit our five conference camps, our five campus ministries, and our two colleges/universities, allowing them new opportunities to equip young leaders as they have for many years. In fact, it's likely that there's a leader in your congregation right now whose faith has been affected or shaped by an experience in a Holston Conference camp, campus ministry, or college.

(continued on page 4)

(continued from page 3)

Will your congregation please consider making a generous gift toward this mission offering to ensure that New Voices are equipped to lead our conference and its congregations for years to come? If each congregation contributes \$3,000, our mission offering will total \$1.5 million, and each of these vital ministries will receive \$125,000 to equip New Voices.

Holy Conferencing

A Reflection from our Annual Conference Representative Marlee Tierce:

What Is the Purpose of the Annual Conference? Annual Conference is a yearly meeting of Holston United Methodists (lay and clergy) for spiritual renewal, missions reporting, business and ministry decisions; also, appointments and ordination of clergy take place. The purpose of the Annual Conference is to connect, equip, and inspire local churches in our shared mission of making disciples of Jesus Christ for the transformation of the world. John Wesley desired the Annual Conference to be a means of God's grace through Christian "conferencing."

The first Annual Conference was on Monday, June 25, 1744. "The following persons being met at the Foundry – John Wesley, Charles Wesley, John Hodges, Henry Piers, Samuel Taylor, and John Meriton – after some time spent in prayer, the design of our meeting was proposed, namely, to consider what to teach; how to teach; and what to do, i.e., how to regulate our doctrine, discipline, and practice."

As a connectional faith body in the 21st century we continue many of Wesley's organizational principles including maintaining an equal number of lay and clergy members. Lay members are elected at the charge conference of the local church/charge each year. Members-at-large are laity elected annually at District Conferences. Other lay members are included based on positions and offices held within the districts and annual conference as outlined in the Discipline.

I am honored to represent First UMC of Madisonville at the 2024 Holston Annual Conference in Lake Junaluska from June 9-12. Wes Hibbert will also attend as a Hiwassee District representative. What an amazing opportunity to attend following the week I spent as a marshal at the General Conference in Charlotte, North Carolina!

At this upcoming Annual Conference we will witness the ordination/commissioning of new clergy,

as well as recognize those who are retiring. We will also honor those clergy who have passed away during the last year. We will hear reports from: Our Resident Bishop, Our Conference Lay Leader, The Council on Finance & Admin., The Board of Pensions, The Committee on Rules and Order, The Discipleship Team, The General Conference Delegation, The Conference Trustees, our local/international missions team, our Wesley Foundations, some of our UMC affiliated seminaries, and our Holston Conference Colleges. We will also hear from those representing our Board of Ordained Ministry, The Sexual Ethics Committee, The Nurture Team, The Dismantling Racism Taskforce, The United Women in Faith, The United Methodist Men, The Outreach and Advocacy Team, The Committee on Nominations, The Children's Ministry, Holston Conference Youth, and Young Adults, The Cabinet, The Committee on Congregational Development, and the Committee on Petitions and Resolutions.

At this time, there are no petitions submitted for a vote. However, there is one resolution and information on the actions taken by the committee on the referred resolutions from 2023. The resolution requests that the Bishop and Cabinet form a conference-level team to equip local churches to minister to and with people of the LGBTQIA+ community. Please note that this year's annual conference will not vote on anything that occurred at the General Conference since those business items are not in effect until January 1, 2025 or after.

One of the last annual acts of the Conference is the fixing of clergy appointments by the Bishop and the Cabinet. Appointment changes were announced last month, but the fixing of appointments makes things official for the upcoming year.

The gathering at Lake Junaluska promises to be a formative time where we can celebrate all the great ministry that our local churches in the Annual Conference have accomplished during the past year. It will be a wonderful time of worship, prayer, learning, and celebration. If you would like more information about the upcoming Annual Conference or you would like to read the Book of Reports please feel free to explore all the resources at [Holston.org](https://holston.org).

Mark your calendars for a Family Night Cookout!

On Wednesday, June 5th at 6:00 p.m. we will be having our monthly family night supper but we will be having a cookout together! Pastor Chris will be grilling hot dogs and hamburgers, and you are invited to bring your favorite BBQ side dish or dessert.

(That means potato salad, baked beans, cole slaw, hot dog chili, potato chips, etc.) This will also be the supper for the Youth (so you might want to add a little extra.) ****Please let Sue know if you are willing to provide some burger fixings like: sliced tomato, onions, lettuce, pickles, etc.****

If you prefer eating veggie burgers/dogs just bring them along and Chris will cook them. We will eat in our fellowship hall since it will be a little hot that night. Every time we have a family night supper it is a wonderful time to fellowship and break bread together and our dinner on June 5th will be no different! Please join us!

Youth Mission Trip has been scheduled!

The Youth Group has made plans to return to Princeton, Kentucky for their annual mission trip. The group will be taking part in "Operation Recovery" with Crossroads Missions. You may remember that we helped in this community back in 2022 with tornado relief and construction. The upcoming trip will be helping with more disaster relief, tornado damage, and construction. If your youth would like to go, please have them register on our website by June 21st. You can find details about the trip under our "mission" tab on the website. If you would like details about volunteering as an adult please talk with

Vanessa Barr, Jerry Barr, or Rev. Chris Black. If you would like more information about the Crossroads Operation Recovery go to this Website: <https://crossroadsmissions.com/multi-day-opportunities/wky/>

On a side note. the end of May this year saw more tornadoes causing death, havoc and destruction in western Kentucky once again. One tore through Dawson Springs, where our youth worked in 2022.

VBS - Save the Date!

[VBS.1umcm.com](https://vbs.1umcm.com)

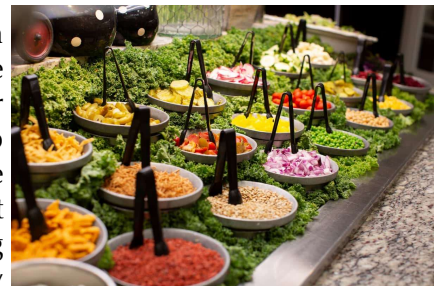

Mark your calendars now. Our 2024 Bible School will begin on Sunday July 21st and end with a pool party on Thursday July 25th at Sweetwater City pool.

Our theme this year will be Cokesbury's CAMP FIRELIGHT, and we will again join forces with Madisonville Presbyterian Church to offer a great Bible School to our community. We will have class for all ages-children through adults, and a great supper meal will be provided each evening. We will need lots of volunteers. Please let Sue know if would like to help.

Successful Salad Bar!

The UWF salad bar extravaganza was a big success. We made \$2,010 for the scholarship fund between the salad bar and silent auction. The big winner of the day

was Peggy Wengert who outbid several others for Steve Tweed's photo of Bald River Falls. Everyone had a good meal, enjoyed fellowship, and had fun rivaling others for the auction items. The officers wish to thank all who helped with set up and clean up, donating items of food and auction items and those who came to support our cause.

How to Avoid Getting Scammed!

Financial scams are on the increase! The FBI last year reported over 880,000 complaints with potential losses exceeding \$12.5 billion - and these are the cases that were reported. We've seen it happen here at First UMC as well, when someone managed to get members' email addresses/mobile numbers, and started sending messages that LOOKED like they were coming from Rev. Chris (it was NOT him) asking people to go buy gift cards, and send the scammers the numbers on the back of the cards.

The Federal Trade Commission has some helpful information for you. First of all, here are **"Four Signs That It's a Scam"**

1. Scammers **PRETEND** to be from an organization you know.
2. Scammers say there is a **PROBLEM** or a **PRIZE**,
3. Scammers **PRESSURE** you to act immediately.
4. Scammers tell you to **PAY** in a specific way.

What can you do to protect yourself?

- **NEVER** allow anyone you don't know to take remote control of your computer!!!!
- Block unwanted calls and text messages. Take steps to block unwanted calls and to filter unwanted text messages.
- Don't give your personal or financial information in response to a request that you didn't expect. Honest organizations won't call, email,

or text to ask for your passwords, personal information, like your Social Security, Medicare info, bank account, or credit card numbers.

- If you get an email or text message from a company you do business with and you think it's real, it's still best not to click on any links. Instead, contact them using a phone number or website you know is trustworthy. Or look up their phone number. Don't call a number they gave you or the number from your caller ID. Scammers caller IDs are always fake, and might even be a 423 area code and local number. - **Caller IDs, phone numbers, and email addresses are VERY easy to fake.**

- Resist the pressure to act immediately. Honest businesses will give you time to make a decision. Anyone who pressures you to pay or give them your personal information is a scammer.
- Know how scammers tell you to pay. Never pay someone who insists that you can only pay with cryptocurrency, a wire transfer service like Western Union or MoneyGram, a payment app, or a gift card. And never deposit a check and send money back to someone.

Most importantly, stop and talk to someone you trust **before you do anything else**, tell someone - a friend, a family member, a neighbor - what happened. Talking about it could help you realize it's a scam.
