The Flame

From the Pastor's Study:

As we enter May, I am reminded of all the transitions that often take place during this month, especially for many of our youth & children. We will have graduations, and the end of another school year for teachers and administrators. Some of our parents will be making the shift toward summer childcare, and many young people will be starting summer jobs. Also, many will be going on trips to rest or will look to spend time outside with family and friends. May can be a fun time as we shift from the unpredictable weather of spring to the promise of warmer days in the summer. Devotionally, I always find myself in a season of transition now that Easter/Lent are in the rearview mirror. So to center myself this month I am once again planning on re-reading Paul's epistle to the Romans, which begins this way:

Paul, a servant of Christ Jesus, called to be an apostle and set apart for the gospel of God— the gospel he promised beforehand through his prophets in the Holy Scriptures regarding his Son, who as to his earthly life was a descendant of David, and who through the Spirit of holiness was appointed the Son of God in power by his resurrection from the dead: Jesus Christ our Lord. Through him we received grace and apostleship to call all the Gentiles to the obedience that comes from faith for his name's sake. And you also are among those Gentiles who are called to belong to Jesus Christ. To all in Rome who are loved by God and called to be his holy people: Grace and peace to you from God our Father and from the Lord Jesus Christ.

The English translation of these first verses of Paul's letter makes for a really long sentence! Did you notice that it takes a long time to get to that first period? In this text Paul opens one of his most theologically expansive letters with a powerful assertion. He proclaims that he is called to be an apostle, set apart for the gospel of Christ. He is explicitly clear about who he is in relation to Jesus Christ and the work that God is continuing to do through the good news of our Savior. Later he reminds the Romans, (and us many years later,) that we have a clear identity as well!

As disciples, we are called "to belong to Jesus Christ" alone. This means as Christians we are called to prioritize our own growth in God's "grace and apostleship" and to invite others into (or teach others about) this life of "obedience of faith." We can do this in many different ways. John Wesley encouraged his followers to intentionally utilize what he called "Means of Grace": things like prayer, searching the scriptures, worship, serving others, visiting the sick or imprisoned, and partaking of the sacraments. For Wesley, these were outward and inward practices that were meant to intentionally deepen one's love for God, and for others.

As we move into May and the summer months, I want to invite you to try to do one thing different to deepen your relationship with God, and to reach out to (or serve) others in faith. This could mean doing something like making time to pray at noon each day for the whole month, or even seeing how you could get involved with feeding the hungry here in Monroe County. Whatever it is, I hope you will be creative with how you express how you "belong to Jesus Christ."

Lots of Hope!

Chris

Sue's News - May 2024

Wow! May is here! I can't believe it, can you? MAY is here! I keep looking out my office window at all the greenery outside—beautiful grass, shrubs and trees. I am an outdoors person and I would love to be outside this morning. I have mowed my lawn for the 3rd or 4th time already. I have flowers and vegetable plants. Springtime in East Tennessee is such a wonderful experience. We are so lucky to live where we get to enjoy all the seasons! I love springtime!

May is a time of completion and a time of new beginnings—especially for those graduating from high school and college/training programs. On Sunday May 5th we honored our high school graduates (Quinn Strickland, Lily Maiuri, Hunter Cavett and Brooke Kennedy) with a reception in the gathering area. Way to go! We are so proud of you all! If you have someone graduating from college or a training program this spring, please send me their name, school and area of study and we will get this information in the June newsletter.

As many of you know, one of my favorite things to do is keep the blessing box supplied. Sitting at my desk and working for a long time on one thing is not really one of my strong points. I like to move about. Going out to the blessing box a couple of times a day gives me the opportunity to get up and move and feel like I am accomplishing something. Sometimes I even get to visit with folks who come by the blessing box—both those who are leaving items and those who are taking items that they need.

We have been so blessed over the last few months with the giving to the blessing box. Sometimes, when I come back from taking items to the box, someone has brought into the office another huge supply for the box! The blessing box right now has made me think about Matthew 14:13-21—the feeding of the 5000! A few times in the past we have gotten down to just a few items in our storage room where it seemed like we had just enough to feed a few people. Right now our supply has multiplied to feed many many people. I don't put too much in the box at one time so we can serve more people. When you think about the blessing box, our Tuesday night Community Cafe' and our Community Assistance Fund, we are providing food to many people who need food. Go back and read Matthew 14:13-21 and think about the "5000" that together we can feed. Thank you so much for your dona-

tions.

As always, keep your May newsletter handy, take home your weekly bulletins and watch for emails and texts throughout the month. Our church is alive!

Read Together for May

This year Rev. Chris Black invites you to join him in participating in the Holston Conference's "Read Together" initiative. This opportunity challenges us to read through the whole Bible in one year. In 2024, we will be reading the Bible chronologically using a path laid out in J. Ellsworth Kalas's "The Grand Sweep: 365 Days from Genesis through Revelation". This reading plan asks us to read only 2-3 chapters a day which will be much less burdensome than previous years studies.

Looking forward to the next Annual Conference

Continuing with our Together theme, the 2024 Holston Annual Conference will focus on serving together. 2024 is our bicentennial year, and as we celebrate the past 200 years, we will be looking back at some of the ways Holston has served its communities. We will also be highlighting our present ministries and planning ways to serve into the future.

We hope you will begin praying for our Annual Conference today, and that you will continue in the days to come. Members of the Annual Conference will be gathering at Lake Junaluska June 9-12, 2024, and others may join via livestream that will be posted on ac.holston.org.

Pastor's Weekly Bible Study Continues:

Continuing until Wednesday, May 15th Rev. Chris Black will host a weekly home style Bible study class at 10:30 a.m. in our Sanctuary. Even if you haven't attended yet, you are welcome to drop in anytime! This month Pastor Chris finishes off his in-depth 7 week exploration of the 5th book of the Torah called Deuteronomy. In each of the classes Chris engages with how themes from Deuteronomy (and the story of the ancient Israelites) are foundational for Jesus' ministry. It doesn't matter if you're new to the Christian faith or have studied the Bible for years, you are welcome to attend. If you have any questions about the upcoming class, please email Pastor Chris at cblack@firstumcmadisonville.org!

Are you interested in joining our Church?

We are a faith community that is incredibly blessed because we have so many active members! However, we are also blessed because we have numerous folks who have been faithful as long-time visitors, and some who have been wonderful short-term guests. If you are someone who is interested in learning more about what it means to join the church as a full member, please feel free to reach out to Rev. Chris Black by email cblack@firstumcmadisonville.org or you can call or text him on his cell. We are so blessed to be such a vibrant and multifaceted community of Christian disciples!

Salad Bar Extravaganza Report

The UWF salad bar extravaganza was a big success. We made \$1860 for the scholarship fund between the salad bar and silent auction. The big winner of the day was Peggy Wengert who outbid several others for Steve Tweed's photo of Bald River Falls. Everyone had a good meal, enjoyed fellowship, and had fun rivaling others for the auction items. The officers wish to thank all who helped with set up and clean up, donating items of food and auction items and those who came to support our cause.

Dental Clinic Day Provides Cleanings

The free dental clinic hosted in the FUMC Community Room by the United Women in Faith on April 15 was a big success! Dental cleanings were provided by appointment on that day by Tennessee Wesleyan's (TWU) Dental Hygiene students and their mobile clinic under the direction of Dr. Randa Colbert. Local dentists Dr. Brakebill, Dr. Devine, and Dr. Austin Johnson provided onsite coverage throughout the day. Participants received free dental cleanings and exams, and referrals for further care at the Athens clinic location if needed.

Community health assessments for Monroe County have previously noted that access to dental care is one of the most significant health needs in the county and regular dental care can help to prevent chronic diseases. The TWU dental hygiene program was originally founded at Hiwassee College and moved to Tennessee Wesleyan when Hiwassee closed. The program leads to a bachelor's degree and is accredited by the American Dental Association. The Director of the TWU dental hygiene program is Dr. Randa Colbert, Ed.D., RDH who also supervises the free dental clinic.

Thanks to Dr. Colbert and her students for their time and work. We also give a special thank you to our local dentists who volunteered their time with their onsite support. Plans are underway to continue this partnership with the TWU Dental Hygiene program with a Fall Dental Care day!

The Hiwassee District has once again begun the process of collecting Health Kits which will go to benefit folks in Liberia. Throughout the month of May a box will be available in the gathering area labeled "Health Kits for Liberia." This is part of a broader Holston Conference effort to annually provide Health, Education, and Food resources to the people of Liberia and Zimbabwe. The Hiwassee District goal is 400 kits, and we would love for 1st UMC of Madisonville to collect at least **50 health kits** this year.

Come Join the Choir!

Our Choir ministry meets weekly on Wednesday evenings at 6 pm in the main sanctuary. This group enjoys plenty of fellowship and fun each week as they learn new music to lead our Sunday worship. Even if you have never sung in a choir before you would be welcomed to participate. Joining a choir group is a great way to build relationships with others, and to learn a new skill that can glorify God. If you have questions about our Choir ministry or wish to join please contact Sue Hamilton at sue@firstumcmadisonville.org.

Holston Conference Missions Offering: New Voices

(From Holston.org)

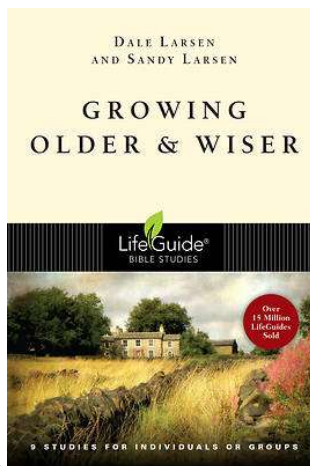

The Holston Conference is blessed with several fruitful, effective ministries that help our young people find their voices for faithful leadership, and this year’s annual conference missions offering will support those ministries raising up and equipping young voices.

The New Voices offering will benefit our five conference camps, our five campus ministries, and our two colleges/universities, allowing them new opportunities to equip young leaders as they have for many years. In fact, it’s likely that there’s a leader in your congregation right now whose faith has been affected or shaped by an experience in a Holston Conference camp, campus ministry, or college.

Will your congregation please consider making a generous gift toward this mission offering to ensure that New Voices are equipped to lead our conference and its congregations for years to come? If each congregation contributes \$3,000, our mission offering will total \$1.5 million, and each of these vital ministries will receive \$125,000 to equip New Voices.

Bible Fellowship

The Bible Fellowship welcomes you to our next study beginning May 26th! We discuss and pray about current events as we see the connections in the Bible to our daily lives. Please consider joining our group right after church in the Youth Room to share lunch and enjoy discussions as we learn more from the scriptures. Our next study is “Growing Older and Wiser” by Dale and Sandy Larsen.

From the day we are born we grow older, but do we grow wiser each day as we get older? This study

uses scripture from the Old and New Testament to discover the Bible's perspective on aging, and encourages us to reflect on the questions about who we are and what we believe. We'll discover how God can effectively and powerfully use those who have grown wiser with the passing years. Each of the 9 chapters focuses on a different aspect so you can attend as you are able and find ways to grow in tune with what God wants you to become. Marlee Tierce already has the books so just let her know if you want one.

Pastor's Community Assistance Fund Update

On Wednesday, April 17 this year, we had a visit late in the afternoon - a man, a woman, and a 4 year old girl. The man, who looked familiar, identified himself as "D" and told us he was here to "thank the church" for our assistance during some very dark days for his family. With a little checking in our PowerChurch records, the rest of the story came back to mind. "D" was the very first person who asked us for help when we started the Pastor's Community Assistance fund. Freshly laid off from his job, he visited us on May 5, 2022 in need of either gas to do his new DoorDash job, or diapers, as he only had enough money for one of those.

When asked which he needed more, his quick answer was "diapers" - and we were off to Walgreens to purchase a few packages of size 4 diapers for \$51,32. Soon after, we were able to connect him with "Nurture the Next," a local charity for families, which was able to get his family even more diapers. "D" said that with his work for DoorDash, and that he thought that with prayers and perseverance he could make things work for his small family., and we have not heard from "D" since.

Fast forward two years later to the present day...

"D", his wife "A" and daughter "P" were once again on our doorstep, but this time, "P" had a gift for us - a cookie she wanted our pastor to have. "D" and "A" reported that "D" had found new employment in his field, that their income had stabilized to the point that they had just bought a new home north of town. "D" said that every time he passes by our church, he sends up a prayer of thanks for the kindness shown to his family.

What our church has done for the community

Your \$8,707 in donations to the Pastor's Community Assistance Fund over the last two years has allowed us to assist 171 individuals (adults and children) in 228 service encounters with \$7,204 in direct financial assistance. The breakdown is as follows:

\$2,997 in food aid,
\$743 in rental/housing assistance,
\$1,549 in utilities assistance,
\$1,300 in transportation/gas
\$615 in "other" (medical, legal,
miscellaneous) needs.

We currently have \$1,503 remaining in the Community Assistance Fund coffers, and appreciate the opportunity you give us to act as the "hands and feet of Christ" in our community.
