

ABOUT US

The African American Club of Hernando County, Inc. was founded in 1991 as a non-profit organization by a group of men who had recently made their homes in Spring Hill, Florida. During the early years, the members met in various homes for meetings and social activities.

The African American Club of Hernando County Inc. is a 501(c)(3) tax-exempt membership organization that strives to bring people together by offering social, cultural, and educational activities through the year.

Each year the Club awards scholarships to minority students and disadvantaged youth in need of financial aid to pursue a higher education.

Club members also, via the Headstart Angel Tree Project, make children smile by granting their personal holiday wish lists.
