## Trash & Recycling

### Collection Companies\*

\*Known to be operating in Butler County

Trash removal can be contracted in some municipalities on an individual, subscription basis and some municipalities contract with one hauler for all their residents. Call your municipality or homeowner's association for details.  
All residential trash haulers are required to offer curbside recycling service to their residential customers in Butler County.

Adamik (Sarver) - 724.265.4287

Brunner Disposal (Zelienople) - 724.775.6665

Hunsberger Sanitation (Knox) - 814.797.5583

Reddick Rolloffs (Sandy Lake) - 724.376.2261

Schumacher Refuse (East Brady) - 724.526.3236

Serafine Hauling (Slippery Rock) - 724.445.7488

Tri-County Ind. (Grove City) - 724.748.4705

Triple P Disposal (Sarver) - 724.900.4849

Vogel Disposal (Mars) - 724.625.1511

Waste Management (W. Sunbury) - 800.451.3060

## Butler County Department of Recycling & Waste Management

Closed in 2025. Still operating as a transfer station. Call for Hours.

### **Seneca Landfill**

421 Hartmann Road

Evans City—724.625.9000

Call for Hours

## **GET RECYCLING RIGHT!**

Placing the wrong items in your recycling bin can damage equipment, pose a danger to haulers and facility workers, and contaminate properly recycled materials.

It is extremely important to make sure only the correct items go in your curbside bin. By recycling the correct items, you are making the entire system efficient and ensuring success of the recycling program! All companies collecting residential curbside waste also collect curbside recyclables.

### **WHEN IN DOUBT, LEAVE IT OUT!**

#### Ask Your Hauler:

1. what can be placed in your curbside recycling bin (since this can vary by hauler)
2. how recyclables are to be prepared for collection (for instance: recyclables that contained food or other residue should be rinsed and lids should be discarded.)
3. when your recyclables will be collected

## **PLASTIC RESIN CODES**

## Special Event Recycling Bins Available

The Butler County Department of Recycling & Waste

Management has collapsible recycling bins available to loan.

Groups organizing special events in Butler County that would like to offer recycling to their participants along with waste disposal can borrow the bins on a first come – first served basis. For more information on this program, please contact the Department at:

**Phone 724.284.5305**

**Email [skelly@co.butler.pa.us](mailto:skelly@co.butler.pa.us)**

## Tips for Identifying, Storing and Transporting a Hazardous Waste

### Identifying Hazardous Waste (and remember, electronics are considered hazardous too!)

**The following warning words on a container can alert you to the hazardous nature of its contents:**

**Danger, Poison, Toxic, Corrosive, Volatile, Flammable, Inflammable, Combustible, Explosive, Caution, Warning, Harmful, Oxidizer, Irritant, Environmental Hazard**

### Proper Use & Storage of Hazardous Materials

- \* MOST IMPORTANT: Follow the directions on the label.
- \* Ask the dealer or manufacturer to provide more explanation if needed. Don't use more of the product than is recommended.
- \* Never mix products; this can lead to explosions or poisonous gas being released.
- \* Use hazardous products in well-ventilated areas and always use gloves, eye protection and air purifying respirators whenever warranted.
- \* Never eat, drink or smoke where hazardous products are being used.
- \* Keep products in their original containers.
- \* If you do have to use a different container be sure to label adequately to prevent poisoning and for safe use and disposal.
- \* Store all hazardous products upright, tightly sealed, and away from pets, children and food.

### Transporting Household Hazardous Waste to a Hazardous Waste Collection

- \* Never mix different chemicals! Toxic fumes or an explosion can result and it prevents recycling of the materials.
- \* Leave waste products in their original containers, and make sure caps and/or lids are securely closed. Gasoline is highly flammable and should only be transported in purpose-designed gasoline cans or containers. Do not transport hazardous wastes in the same portion of your vehicle as humans or pets.
- \* If the original container is leaking or damaged, place the entire container in a larger container such as a clean paint can, plastic bucket, or wrap securely with plastic. If you wrap up a container so that the original label cannot be seen, mark the contents to the best of your ability, and be sure to tell the collection staff what the contents are.
- \* Separate different types of waste, such as paints, motor oil, batteries, pesticides, acids, etc. Place containers upright in sturdy cardboard boxes or plastic trays, and pad with newspaper. You may also want to line your car with plastic before you pack the car.
- \* Put containers in trunk or rear of your car, not on passenger seats. Come straight to the Hazardous Waste Collection to avoid any problems with the waste.
- \* Don't eat, drink or smoke while handling household hazardous wastes. Wash your hands after handling these materials. Never put hazardous waste into trash bags or trash cans. Lids can come off causing chemicals to mix and possibly creating dangerous reactions.

## **IN CASE OF AN EMERGENCY SITUATION, DIAL “911”**

**Butler County holds several residential household hazardous waste and electronics collections each year using its current contractor, Noble Environmental. For program details and to pre-register to attend, see [www.butlercountypa.gov](http://www.butlercountypa.gov) (Recycling Department web page) or [www.nobleenviro.com](http://www.nobleenviro.com)**

<b><u>Large Quantity Pickup for Businesses:</u></b> Penn Gateway Recycling (prefers already baled) 305 Halstead Blvd., Zelienople 412.837.8777	<b><u>CEILING TILES (reuseable tiles only)</u></b> Construction Junction 214 N Lexington Ave., Point Breeze 412.243.5025 <a href="http://www.cjreuse.org">www.cjreuse.org</a>	
<b><u>CARDS (greeting)</u></b>	Give away on Butler County's local Freecycle™ web site at: <a href="http://www.freecycle.org">www.freecycle.org</a>	
Some day care centers, schools, etc. will accept cards for children's craft projects.	Armstrong World Industries will send a sales representative to your construction site, verify that tiles can be recycled and will allow you to recycle a minimum of 30,000 sq. ft. through their program. For more info, please call 888.CEILINGS or visit <a href="http://www.armstrongceilings.com">www.armstrongceilings.com</a> .	
Call your recycling hauler to ask about what can be placed in your curbside bin.		<b><u>CHRISTMAS LIGHTS</u></b> HolidayLEDS accepts mailed-in Christmas lights and offers discount on new LED lights. <a href="http://www.holidayleds.com">www.holidayleds.com</a>
		Lowe's, Home Depot, Ace Hardware and Busy Beaver Lumber stores usually offer free Christmas light recycling at their front desks at certain times before Christmas (usually in early fall). Check with your local store for more information.
		<b><u>CHRISTMAS TREES</u></b> Several municipalities in Butler County offer curbside pickup or dropoff each year for their residents. Call your municipality for details.
		Certain landscaping / composting businesses offer dropoff after Christmas each year. This information will be found at <a href="http://www.butlercountypa.gov">www.butlercountypa.gov</a> every year shortly before Christmas.
		You can recycle/reuse your tree to grow mushrooms and at the same time help reduce the tree into compost. See: <a href="http://www.mushroommountain.com">www.mushroommountain.com</a>
		You can use your tree to build brushpiles and windrows that provide cover for birds and other wildlife.

You can stand your tree outside after the holidays and decorate with homemade bird foods to help feed the wild birds during the cold winter season. Internet search: Christmas tree bird feeder

#### **CIGARETTE WASTE**

[Terracycle.com](http://Terracycle.com) has a program for recycling cigarette waste. Check their web site for details and for the MANY other items that they can recycle.

#### **CLEANING PRODUCTS**

Noble Environmental, through Butler County's Household Hazardous Waste and Electronics Collections, accepts this at regularly-scheduled collection events each year. Residents must pre-register to attend at [www.nobleenviro.com](http://www.nobleenviro.com) or call 412.567.6566

#### **CLEANING PRODUCT CONTAINERS**
