***Sewer fees** are a 100% pass-through from the Arapahoe County Water and Waste Water Authority (ACWWA) which provides sewer services to some homes in East Valley and all homes in the Valley Country Club Estates through a service contract. The Usage Fee is charged per 1000/gallons based on actual water usage December through March (winter usage). An average of winter water usage is used for the Usage Fee each month from April through November. The ACWWA sewer Flat Fee and Usage Fee charged to East Valley customers include a 25% out of service area fee as East Valley residents do not pay ACWWA property taxes.
