

M. Bonnamy Brut Rosé **Crémant de Loire** **Cave des Vignerons de Saumur**

In 1957, around forty winegrowers grouped together to confront the economic difficulties of the era, pooling far more than mere financial concerns. At the time, Robert, Marcel, Yvon, Geneviève and the others, hailing from the same terroir, hewn from the same rock and sharing the same time-honoured values, set up their cooperative at the top of the hill in Saint-Cyr-en-Bourg. "They chose to share their experience, their expertise and their dreams,"

100% Cabernet Franc

The Production area of Cremant de Loire in the South of the Loire Region extends over 2700 hectares. The grapes in this vintage are a blend from selected terroirs, mainly of clayley limestone. Age of the vines: 20-30 years / yields: 70hl/ha.

Manual harvesting, gentle pressing and low-temperature fermentation (18°C) to preserve the aromas. Second fermentation in the bottle by the Traditionnal Method after selection of the best juices.

Stored for at least 12 months on racks in our freestone cellars before disgorging to make unique fine bubbles.

A wine with tiny long -lasting bubbles. Lovely gleaming pink. Delicate nery nose with aromas of fresh red fruit. Lively attack and aromatic intensity. Well-Balanced mouth enhanced by a fresh but subtle finish.

On its own by the glass at the aperitive! Perfect wine for any celebration.
