

Student Leadership Application

¹² Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity.

1 Timothy 4:12

Dear Brave Student Ministry Leader Applicant,

Congrats on being bold enough to apply to serve in leadership for our ministry. The simple fact that you're considering filling out this application already says great things about who you are.

In a perfect world, we'd love to have every applicant added to our team, but we have limited spaces each year as seniors graduate and others move away or step down for a variety of reasons. Please don't get discouraged if you aren't selected for leadership this season. I encourage you to continue to apply and lead where you are among your peers here, at school, and everywhere else you are.

Please take this application seriously and give your best and honesty in answering these questions. The selection is a blind review process, meaning that no one on the team will know the identity of the applicant as we consider each application. Thank you so much for your interest in being on the Student Leadership Team. Please return the completed application to me by April 30. You will be notified by the middle of July with results. Good luck!
