AG OLYMPICS on THURSDAY, JULY 31

This competition will take place following the 4-H Family Potluck at approximately 1 p.m., but teams must be registered by noon on competition day.

The concept is pretty simple – three-person teams will compete in a series of games with ag-related themes.

Team age groups include Cloverbud (5-7years old), Youth, for those 8-19 years old. Teams in the Youth division will include

one Beginner (8-10 years old), a Junior (11-14) and one Senior (15-19) member. Team members can be in 4H but don't have to be.

There is also an "Over the Hill" division for a team made up of those older than 19-years-old.

Don't have a team but still want to participate? No problem, as there will be a drawing bucket prior to the start of the event, to create teams that day.

Teams will accumulate points in each event with points awarded

to the first, second and third-place teams. At the end of the Ag Olympics, the team with the most total points will win Olympic Gold.

Registration forms may be turned in to the Fall River County Extension Office prior to the fair or to the Office Table during the fair.

Coming together
is a local tradition.
