Shirley Otis-Green, (<https://www.collaborativecaring.net/about>) is an internationally recognized social work expert in palliative care and is the author/editor of numerous articles and books including The Oxford Textbook of Palliative Social Work, 2E.

Myra Glajchen, (<https://www.mjhspalliativeinstitute.org/the-staff/>) is an internationally recognized leader in palliative and oncology social work with a distinguished teaching and research portfolio. She is Project Director for *Educating Social Workers in Palliative and End-of-Life Care (ESPEC)*, which has trained over 850 social workers.

Together, they will be presenting an introduction to a state-of-the-art training program called **Educating Social Workers in Palliative and End of Life Care-(ESPEC)**. This session is free.

We, at Hui Pohala, are grateful that Shirley has been consulting and collaborating with the Hui Pohala, PEACE Program, Social Work Special Interest Group for over the past year and a half regarding the Hui Pohala, PEACE Munch and Learn palliative care series. We are now collaborating with her and Myra to make the ESPEC training program available for **all Hawai'i social workers**, especially for those social workers working with people who are seriously ill and their families. Plans include in-person training on all of the neighbor islands and Oahu. Please register and attend this session to learn more about this exciting career enhancing opportunity. CONTINUING EDUCATION:

JOINTLY ACCREDITED PROVIDER
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Hawai'i Pacific Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

As a Jointly Accredited Organization, Hawai'i Pacific Health is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. Hawai'i Pacific Health maintains responsibility for this Regularly Scheduled Series (RSS). Social workers completing this series receive 1.0 continuing education credits per session.
