MIRUS (MEER-us) adj. 1. Latin for wonderful, above all others, amazing, astonishing

As President of MIRUS Consultants, Mark's role is to provide clear, experienced advice that helps clients reach their goals more effectively. With more than 25 years in the Parking and Mobility industry, Mark has built long-standing relationships with real estate developers, municipalities, and private clients, offering trusted guidance on complex projects.

His government experience includes legislative connections and a key role in changing laws that govern the way Pennsylvania parking authorities can adjudicate.
