

VOTE YES

Charter Question #1

Clean water starts here.

In **Orange County** your 2020 Ballot will have a Charter Question concerning the Right to Clean Water.

A YES Vote Would Mean...

Safe Drinking Water

The first step to safe, healthy water is to prevent contamination of water at the source.

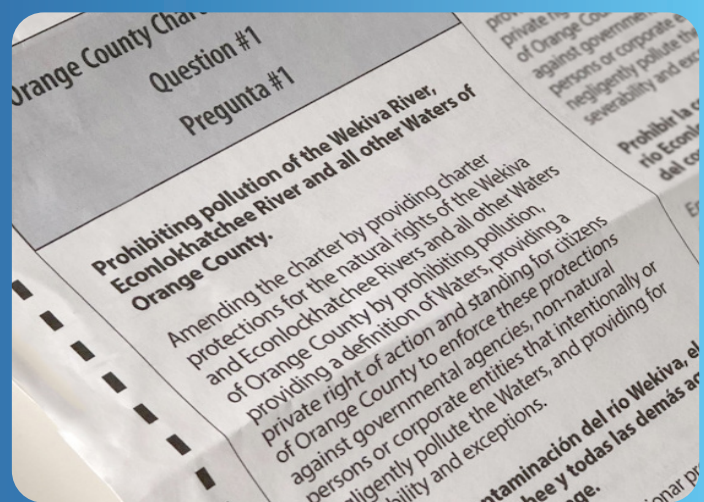

Greater Protection

Natural bodies of water throughout Orange County would be protected from pollution.

Enforceable Law

If passed, citizens of Orange County can take legal action to enforce water protection laws.

Look on your ballot for:

Yes! It's that simple!
