

Introducing TKH Coin: A New Era in Travel and Blockchain

TKH Coin is the official cryptocurrency of **T.K Holidays Travel Agency LLC**, a leading travel and tourism company based in the United Arab Emirates. Built on the Binance Smart Chain (BEP-20), TKH Coin brings together travel services, blockchain technology, and community-driven finance — offering users real utility and long-term value.

TKH Coin is designed to make travel booking, payments, and rewards faster, cheaper, and fully decentralized. Whether you're booking a flight, planning your next holiday, or investing in a utility-driven token, TKH Coin delivers transparency, low fees, and a global vision.

Token Overview

- **Token Name:** TKH Coin
- **Ticker Symbol:** TKH
- **Blockchain:** Binance Smart Chain (BEP-20)
- **Total Supply:** 100,000,000 TKH
- **Ownership:** Renounced
- **Tax Fees:** 0% — fair and transparent for all users
- **Verified Contract:** Open-source and listed on BscScan

First Release: 50 Million TKH

The total supply of **100 million TKH tokens** will be released in phases.

- ◆ **Initial Launch:** 50,000,000 TKH tokens will be released publicly
- ◆ **Listing Price:**
 - ✚ **1 USDT = 100 TKH** (or 0.01 USDT per token)
- ◆ **Exchange:** PancakeSwap (<https://pancakeswap.finance>)
- ◆ **Liquidity:** Paired with BNB/USDT for trading
- ◆ **Wallet Compatibility:** MetaMask, Trust Wallet, and other BSC-supported wallets

The remaining 50 million tokens will be locked or reserved for strategic use — future exchange listings, staking, business development, and community airdrops.

Why TKH Coin?

- **Real Utility in the Travel Sector:** TKH Coin is directly backed by T.K Holidays Travel Agency LLC — a fully licensed travel company in Dubai.
- **Fast, Low-Cost Transactions:** Powered by BNB Chain, ensuring speed and affordability.
- **Decentralized & Community-Friendly:** No taxes, renounced ownership, and a roadmap focused on transparency.

- **Future Expansion:** TKH will evolve into travel NFTs, hotel partnerships, and global travel payment solutions.
-
