BROOKE

ITSKOVICH

Caden,

We could say a million amazing things about you because you are an amazing human. Your love for football, your knowledge, hard work, and dedication are simply inspiring. Every day, we watch you and are inspired not only by your on-field dedication but also your dedication to being the best possible version of you. The man you are will propel you to the greatest places. You make us better parents, better people. We are beyond proud of you and will always be your biggest supporters. We love you!

Dear Caitlyn,

I am so proud of the amazing young woman you've become. You light up every room with your smile, your kindness, and your determination. This year is such a special chapter, and I know you'll fill it with laughter, memories, and achievements that make you shine even brighter. No matter where life takes you next, remember—you are deeply loved, endlessly supported, and always my shining star.

***Love you more than words,
Mom, Chloe & Larry***

Jasleen,

Watching you cheer has been nothing short of magical. Your dedication, strength and spirit inspire us every single day. You embody everything a true cheerleader should be; fearless, graceful and full of heart.

Whether lifting your teammates or lighting up the crowd, you lead with heart and inspire with every move. You bring kindness, warmth, laughter and light wherever you go. We'll always be your biggest fans in the crowd, cheering the loudest.

***Love you so much!
Mom, Dad, Darina & Shaan***

Parker,

You have made us more proud over the years than we could've ever imagined. Earning your 2nd degree black belt with respect, perseverance, integrity, and honesty have honed you into the amazing person that you are. Your kindness, thoughtfulness and endless giving is a magnet to all who meet you. Your empathy has made your heart bigger than most at any age. All we want for you is continued success in anything you touch ~ career, football, friends, and family. Keep that heart BIG and OPEN for more to enter the circle of PARKER.

***Love,
Mom, Dad, Grandparents & Siblings***

We are so very proud of you, Griffin Perry! You continually surprise and amaze us with your accomplishments. Your growth in football and baseball, in spite of the change and challenges you've faced, has been a pleasure to watch. Keep going for it on and off the field.

*Love,
Mom, Dad, Honus and
everyonewho roots for you
(of which there are many)*

Dear Luca,

This is it—the year you've been building toward. Your last season under those Friday night lights, your last year walking those halls as a high schooler. We've watched you put in the work, push through challenges, and grow into a leader on and off the field.

We know it is a tough football season since injuring your knee and unfortunately not how you planned to end your football season, but watching you put your heart and soul on the field for the last 4 years has been a joy to watch. Remember that football is part of your story, but not the whole story. The same dedication, heart, and discipline you show on the field will carry you far in life.

We are so proud of the man you're becoming. Enjoy every moment, because these are the days you'll look back on with a smile. Go get 'em—we're cheering for you every step of the way.

*Love,
Mom, Bill, Ethan, & Brooke*

TINOULIVA,

We commend your passion, commitment and dedication to this football program. We have enjoyed watching you grow as an athlete. Be proud of what you have accomplished. Know that this is only the beginning. We are excited to see where your future takes you. We will be here every step of the way.

***We love you!
Dad, Mom & Ali'iomitiana***

Dear Vincent,

Before you ever laced up a pair of cleats - You loved football! Through hundreds of practices, tough games, injuries and deep personal loss, you always held your ground. Always leading with a cool humor, and an insane knowledge and respect for this game. You've been an amazing example for your younger brothers of what it truly means to play with heart, grit, and courage.

Remember always that you are never alone on this journey. You will forever be supported and loved by all of your family cheering you on from the stands, and your Dad cheering you on from heaven.

***We love you to Mars
and back Vincent!***

DEAR KAI,

What an absolute joy it has been to watch you grow and do what you love. We are so proud of your hard work and growth on and off the field.

Looking forward to continuing to watch you attack this beautiful life and the fields with the same drive, work ethic and grace.

***We love you buddy!
Dad, Mom, Tay & Jackson***
