2015 Royal Football Booster Club

A Special Thank You!

The 2015 Royal Football Team and Booster Club would like to take this opportunity to thank all of the parents and businesses who have helped support the Highlander Football Program by giving of their time and to those who have advertised in this media guide. Please support our local businesses and tell them where you saw their ad!

Without all our supporters, the football program would not be as successful as it is today.

"It's a simple cycle: support the school that sustains the community that supports your business."

GO HIGHLANDERS!

A Note from our Principal

Welcome to Royal, a Great American High School, and the proud home of the Highlanders. With your support in the stands, the Highlanders are poised and ready to carry on the rich tradition of athletic accomplishments in a continuing era of Highlander pride.

I am very proud of the hard work and dedication demonstrated by our athletes and coaches in preparing for the 2015 football season. Our coaching staff, under the direction of Head Coach Kevin Flye, teaches not only the fundamentals and skills of the game, but also emphasizes character and a strong work ethic. As Vince Lombardi noted, "The achievements of an organization are the results of the combined effort of each individual". By being dedicated to the football program, our student athletes grow as individuals and athletes.

No school runs a successful program without the support of the entire school community. Both our Marching Band and Cheer Squads have prepared long and hard to provide inspiration and support to our football program. We thank them deeply for their commitment to the great football traditions upheld here at Royal High School.

I would also like to thank our Royal Football Boosters for their continuing dedication. Many hours are spent in making sure that our football program is healthy and competitive. This group dedicates themselves to creating events and fundraisers to support our student athletes. Royal is very fortunate and thankful to be able to partner with our outstanding Boosters.

Let's make sure our reputation as a "class act" remains intact with good sportsmanship on and off the field. Working together, we will continue the tradition of pursuing excellence in the classroom and on the field of competition. Thank you for your support and contributing to our Highlander pride.

Go Highlanders!

Royal Rocks!

A Special Thank You!

The 2015 Royal Football Team would like to take this opportunity to thank all of the parents and businesses who have helped support the Highlander Football Team by giving of their time and to those who have advertised in this media book at all levels. Please support our local businesses and tell them where you saw their ad! We would also like to acknowledge the Royal Booster Club for all their help and time. Without all our supporters, the football program would not be as successful as it is today. We wish to continue the tradition of Royal Football and this community family in years to come!
