To Whom It May Concern,

REFERENCE LETTER

We are pleased to provide this business reference for Mr. Ali Osman Cakirer who Director of Adaloji Ltd, in recognition of the Excel data analysis and design/drawing services delivered for OD ELECTRICS LTD. Mr. Cakirer and his firm worked with us as data analyses with excel graphics and also he were worked as site design drawings and planning. Throughout the engagement, they demonstrated professionalism, technical competence, and strong attention to detail.

Key responsibilities included:

- Excel data cleaning, validation, and analysis (e.g., PivotTables, Power Query, dashboards, KPI reporting).
- Preparing clear weekly/monthly reports and summaries for project and operational decision-making.
- Creating and updating design drawings and technical documentation to agreed standards.
- Coordinating with stakeholders to clarify requirements and iterate quickly based on feedback.

Strengths we consistently observed:

- Analytical thinking and careful handling of data accuracy and consistency.
- Ability to translate requirements into practical outputs (reports, dashboards, drawings).
- Clear communication and reliability in meeting deadlines.

We found Mr. Ali Osman Cakirer to be reliable, knowledgeable, and committed to high professional standards. We would not hesitate to work with him again, and we confidently recommend them for Excel data analysis, reporting, and design/drawing-related roles.
