Subject	Reference Letter for Ali Osman Cakirer
To	To whom it may concern

Dear Sir / Madam,

I am pleased to provide this reference for **Mr Ali Osman Cakirer**, Director of **Adaloji Ltd**.

We have engaged Adaloji Ltd (Mr Cakirer) on a project-by-project basis as an independent subcontractor and a service provider for approximately two years. During this period, he has provided professional support primarily in the areas of measured surveys, technical drawings, plan production, 3D modelling, visualisation, rendering, and design-related documentation.

His services have included the preparation of existing and proposed layout drawings, detailed technical drawings, 3D models, presentation materials, and high-quality rendered images to support our design development and project planning processes. His ability to accurately survey existing conditions and translate site information into clear, coordinated drawings and visual materials has been particularly valuable to our business.

Throughout our working relationship, Mr Cakirer has consistently demonstrated professionalism, reliability, and strong attention to detail. He is organised, responsive, and diligent in the preparation of drawings and design documentation. His work has enabled us to communicate design proposals effectively, evaluate project options, and make informed decisions throughout the planning and development stages of our projects.

We have been very satisfied with the quality of his work and the level of service he has provided. Over time, we have come to regard Mr Cakirer not merely as an external consultant, but as a trusted professional who understands our requirements and contributes positively to the successful delivery of our projects.

We now consider Mr Cakirer and Adaloji Ltd to be one of our regular solution partners for measured surveys, drawing production, design support, 3D modelling, and visualisation services. We are pleased to continue working with him and would have no hesitation in recommending him as a reliable, skilled, and professional consultant.

This letter has been prepared at Mr Cakirer's request as a professional reference.

Should you require any further information, please do not hesitate to contact the undersigned.
