

# HONEYBEE BUZZ

FEBRUARY 2018

## PRESIDENT'S LETTER

BURR!!!! The only good thing about the cold weather is we have two quilts on the bed. It makes a nice heavy cocoon to sleep under.

There were seven of us at the Kori Road Library on Saturday. We had great mini retreat. There was hand sewing, machine sewing, binding lessons, embroidery lessons and lots of laughs. The shared lunch was awesome. We want to do it again, and the rest of you are encouraged to come.

The program committee has planned another game for February.

Think BLOCK. That's all I will say.

The February workshop will also get us outside our quilting box.

Don't forget to bring back your bingo blocks sewn up.

We received a thank you letter from Five Star Veterans for our donation and plans are for a representative from Betty Griffin House will be at the February meeting to receive their check.

If you want to recommend a charity to receive our donation next year please bring that info to the meeting, we will publish the info in the newsletter for everyone to study and then vote.

April will be our retreat at Epworth by the Sea, be sure to sign up if you would like to go

Keep on keeping on  
Elaine

## PROGRAMS

The activity planned for the next meeting should really get you inspired! We will be creating (with paper) different quilt block patterns and exploring some of the many ways they can be used. You won't want to miss this meeting.

At the workshop on Saturday, February 24, at the Kori Road Library, we will learn how to make and use chenille. There will be samples of some of the possibilities at the next meeting. A \$ 25 refundable

deposit will be required to sign up, to insure there will be enough supplies for participants, so bring your checkbooks.

A workshop is also planned for Saturday, March 17, at the Kori Road Library, to use up some of the fabric in the storage unit to make charity quilts. There will fun activities from cutting, piecing, quilting and binding, so save the date. There may even be some attendance prizes!

The committee is trying to fill the calendar a little further out, so if you have any ideas for speakers or workshops, let us know. We are also looking for ideas for places to meet on a Saturday, so if you have any ideas for that, please let us know. We can only book the library two months in advance, so it's hard to plan very far in advance.

Looking forward to seeing you all at the next meeting.
