

# HONEYBEE BUZZ

JULY 2021

## PRESIDENT'S LETTER

Happy 4th of July everyone! I am hoping everyone is staying safe and happy. Though everything that has gone on in the past year, I think we have certainly survived by having each other and a hobby we love. We have wonderful volunteers who certainly know how to keep us busy whether it is with charity, workshops and retreats. I am very thankful to have all of you as part of my family!

I am excited for what is planned for the rest of the year and that we are seeing quilt shows and festivals opening back up.

Itching to be stitching,

Jeanie

We know that you like to quilt, embroidery, craft, etc., but there is much more that we don't know about you.

This challenge is meant to change all of that. Let us get to know you through your quilt. There are no rules. It can be as big or as small as you like. It is due at the August meeting.

Think about all of the things that make you, you: your family, heritage, faith, career, favorite music, books, other interests, the possibilities are endless...

**Snip it: Don't forget your fat quarters!!**
