**Acknowledgement of Receipt
of the
HIPAA Notice of Privacy Practice**

The law requires your doctor or other health care provider to ask for written proof that you received the Notice of Privacy Practices, in what is called an "acknowledgement of receipt." The law does not require you to sign this acknowledgement form.

- If you choose not to sign, your doctor or provider must keep a record that they did not get your signature, but they still have to treat you.
- If you choose to sign, you have *not* given up any of your rights or agreed to any special uses of your health records. You are just stating you got the Notice.

By my signature below, I acknowledge that I received a copy of the Notice of Privacy Practices from the office of Ms. Christy Pulsford and Macks Psychology Group.
