Monthly rate for any of the above writing classes - \$140 per month

- Payments can be made monthly or bi-weekly. If paid bi-weekly, they will be invoiced prior to service start, and will be due by the first day of service in that billing period.
- If a student does not attend on a previously paid scheduled day, the student may attend on a different day or have that day's payment credited toward their next invoice.
- If a 2nd child from the same family is attending the tutor center, the lesser payment owed of the 2 children will be discounted 10% for services in the same billing period. This discount would increase an additional 10% on a 3rd child, etc.
- By signing the registration form, you agree to the above pricing and policies.
