- Payments are made monthly. They can be invoiced at the beginning or end of the month with payment due within 15 days of receipt.
- For individual and small group tutoring, if a student does not attend on a previously paid scheduled day, the student may attend on a different day or have that day's payment credited toward their next invoice. You will only be billed for days attended.
- All IEW, Science/Social Studies, and Novel Study classes are billed per semester or monthly. If a student misses a class, we will do our best to accommodate making up the material in another scheduled session (tutor availability permitted).
- If a 2nd child from the same family is attending the tutor center, the lesser payment owed of the 2 children will be discounted 10% for services in the same billing period. This discount would increase an additional 10% on a 3rd child, etc.
- By signing the registration form, you agree to the above pricing and policies.
