## IT'S SPRING CLEANING TIME!!

Our storage areas are bulging and need to be reduced. Any club or unit that has material stored in the main storage area at the Shrine Center is asked to identify and tag items they want to keep and remove any un-needed items.

Tag each needed item with club/unit name and date and those items will not be disposed of. Please complete this task by July 31st. Items not identified as needed may be disposed of by the Trustees after that date.

Any questions, contact Bill Jones, Chairman, Zor Trustees, [bjones70@tds.net](mailto:bjones70@tds.net) or 608-850-4590.

FROM THE DESK OF  
ILLUSTRIOUS SIR

*Chuck Miller*

Lady Sharon and I are eating our way through Zorland, meeting Nobles and Ladies from all over Wisconsin, ( the apple pie was worth the extra calories at the Lakeland Shrine Club fish boil). We are so grateful for the warm reception we have received from everyone.

Our media team has found a new app I think you will enjoy. The app is called Cluster, and you can read more about it in this Zephyr. We have placed the app on our web site and e-blasts with an easy excess button. This is a photo album we can all share and leave comments, such as "try it you'll like it"! Just click on the button and follow directions. It takes about 20 seconds to sign up. Or you can try this link <https://cluster.co/i/JR8LKYCJ> One more positive about this app is our media team can pull pictures from this site and use them for facebook or for the Zephyr.

We have received good news about the Zephyr and everyone seems to be receiving their copy. The Divan has decided to continue sending every paid Noble a copy of the Zephyr unless or they indicate they only want the Zephyr online. We will still encourage Nobles to take the online Zephyr only because it does save us much needed funds.

You must have heard the news about Gander Mountain being sold; our gun raffle committee Miles Bradley and P.P. Joe Thompson are on top of this. By the time this issue is released our new tickets should have been printed and dispersed. We will exchange Gander Mountain tickets for the new ones. Please save all the old Gander tickets as we need them accounted for. We will give you more information as it comes in. We had great success with the steak fry's and cold sands last year and we are enthusiastically continuing them. Al Brueggen is scheduling many Steak Fry's and our membership Chairman Bob Hering will be overseeing the program.

We will also continue the variety shows, a big hit. Rod LaBlanc is the contact person for these shows and please assist him as it is a big job.

Lady Sharon and I hope to see you at the snack table, Have fun!

## Wautoma Area Steak Fry

More than 40 Masonic Brothers, Shriners, Guests and their Ladies gathered together in Wautoma on May 24th for an evening of great food and camaraderie. Divan Rep Rodney LaBlanc and his Lady Mary and daughter Lexie hosted the event with help from the Zor Mavericks. LaBlanc introduced dignitaries in attendance who each gave a brief presentation about their organization, including: Tom Williamson – Master of Wautoma Lodge; Keith Wohlfert – High Priest Chapter #107 Royal Arch Masons; Jon Barthel – Captain of the Zor Mavericks; Kevin Reilly – President of Mascoutin Shrine Club; and Zor Divan members – Bob Calverly, Steve Livernash, Al Brueggen, Mark Jerdee, and Potentate Chuck Miller.

Divan members and guests also enjoyed a presentation by former Shriner’s Hospital patient Taya Gerlach. As a child, Gerlach had numerous surgeries on her facial bone structure. These surgeries were able to repair and realign her jaw bones to allow for normal functions. Those in attendance were riveted by her story.

The evening ended with a special raffle ticket drawing for gift bags. \$335 was raised and donated to Shriner’s Hospital. A good time was had by everyone!

## An Interview With Lady Sharon!

Q: Tell me about your project for the Children's Hospital

Lady Sharon: I am collecting both Barbies and Actions figures in the original packaging, coloring books and crayons. The project continues throughout the year and I find it to be the most rewarding thing about being in this position this year. We do good for the children and I look forward even after this year, to do even more for them.

Q: What has been your favorite part of being the Potentate's Lady this year?

Lady Sharon: It has been incredibly exciting and interesting meeting people I wouldn't normally have met in our circle both within and outside of ZorLand. I have to say I loved our Potentate's trip to Cancun and look forward to traveling the rest of the year to meet even more Shriner's and their ladies! I cannot wait to travel to Imperial and Tampa!

Q: What have you been most impressed with in 2017?

Lady Sharon: The Zephyr has changed drastically and it's most impressive. Steve Livernash and the Digital Media Team has taken Zor into the 21st century! I hope to see the trend continue to encourage younger folks to join Zor Shrine.

Q: What is the hardest part of being Lady Sharon?

Lady Sharon: Oh my gosh! The schedule has been grueling at times. I feel that Chuck is always on the road but then again, its also the most fun year we have had.

So close to home.....

We are always talking about the Black Camel and the Nobles that it takes from our great fraternity. I must say that reality really set in when my Shrine Club lost 4 Zor Nobles in the last two weeks. These Nobles wore Zor Zoo animal costumes in the 60's through the early 90's and when the Road Runners originated in the mid- 90's they stepped out of mascot costumes walking in parades to precision driving of go carts. They drove in parades for many years.

Our entire Zor Shrine has been experiencing this loss for some time. Our "seasoned Nobles" are slipping away. It's the seasoned Nobles that reminded us of the impact we make supporting the Shriners Hospitals for Children. They remind us about the impact we are making being one of the best philanthropist in our local communities as well as worldwide. They remind us of the fun they have had at the circuses, parades, ceremonials and other Shrine events. Their presence is inspiring at gatherings and appreciated to keep the introductions, stories and fellowship flowing.

Let's show our thanks by offering to pick up our seasoned Nobles and bring them to a Shrine function regardless if they can drive or not. Appreciate the opportunity to visit them at their home, assisted living, long term care center or hospital. We all have someone in mind that would appreciate a visit or even a phone call for some good old-fashioned conversation. Don't wait!! For the "techy" Nobles, go ahead and put a weekly reminder in your smart phone to make a connection with a Noble. Maybe a simple reminder on the paper calendar will do for others. As for seasoned Nobles, please reach out to the others as well. You are not forgotten, It's easy to think you are simply content with your day and don't want interruptions, but often times that is not the case. When you don't want company is when you need it the most! Nobles of all ages appreciate connections if even for only five minutes.

We can imagine seasoned Nobles want to see what they worked so hard to develop and maintain for Zor to continue on; to see the support for the Shriners Hospitals for Children to continue on; to see the desire for camaraderie, fun, and friendship lasting a life time to continue on; to see this beloved fraternity and their belief in the importance of family and community to continue on.

From the lessons of their wisdom and dedication, we strive to fill the shoes of those well-respected Shriners. We will not let them down.

## Tabs Collection Supports “For the Love of a Child”

Since 1923 the Shrine Women’s General Assembly “For the Love of a Child” continues to provide childhood memories during a challenging time in a child’s life. Lorraine Schluter, Augusta, WI has been gathering tabs through the Osseo-Fairchild schools for the last 3 years. Schluter said the collection started when she put a photo of a Shrine Hospital patient in a wheelchair with a sign asking for the tabs along side the schools other collection projects. The idea started slowly, but this year she has been able to turn in a quart bags full of tabs each month. In April a third grade student turned in a large tub full.

The tabs help the auxiliary to fund wheelchair purchase, repair, and upgrade wheelchairs for the kids. One wheelchair costs between \$5000 and \$16000. The Women’s General Auxiliary for the Twin Cities Shrine Hospital has a goal of \$100,000 to fund the purchase of wheelchairs. Schluter is grateful for the support of the Osseo-Fairchild school in assisting in the attainment of this goal.

Schluter has volunteered in the Osseo-Fairchild Elementary Foster Grandparent Program for 22 years. Along with the tab collection, she made 40 tray favors every month for several years. A few times the school Art Class assisted in making them.

The Eau Claire Auxiliary meets every 3rd Monday at 12:30 at Dove South, Eau Claire. Membership is open to all individuals who would like to make a difference for a child being served at the Shrine

Hospital. Further information on the work of the Auxiliary can be found on the website newsletter at:

# Hospital News: Camp Splash!

25 patients took part ranging from 3 to 17 years of age. For some, it was their first time in a pool, while others built strength and confidence in the water, regardless of their physical limitations. Zor pays to send one of our kids to this camp each year.

## Hospital News: Chicago Bears Visit Shriners Hospital (sorry Packers Fans)

Suffering from a rare growth disorder that affects his legs, Dolapo Koleosho rarely leaves his room at Shriners Hospitals for Children in Chicago. But the 12-year-old was glad he did Monday. The Bears rookie class spent the afternoon visiting Koleosho and the rest of the young patients at the hospital, helping them with crafts and playing basketball, air hockey, foosball and ping-pong.

Bears Rookies at Shriners

Bears rookie Isaiah Irving (47) plays foosball with a young patient at Shriners Hospitals for Children while teammates Joel Bouagnon (37) and Freddie Stevenson (43) look on.

“It was fantastic,” Koleosho said. “I met a fellow Nigerian and he gave me his jersey and I got some signatures. I was pretty stoked. I was excited. I normally don’t come out of my room, but today I came out and I enjoyed it. Everyone is excited.”

Maria Skoczen was thrilled to see her 19-year-old daughter, Kathy, playing wheelchair basketball with Bears rookies Eddie Jackson and Tarik Cohen.

“It makes my heart glow because when I see that she’s smiling and she’s happy it makes me happy,” Skoczen said of Kathy, who suffers from spina bifida.

Kelly Mathey also smiled watching her son, Connor, play basketball with the Bears rookies.

“I think it’s wonderful the way they give back to the community,” Mathey said. “These kids sometimes have very long days. Especially for the kids who are staying here in the hospital, it’s just a great way to break up their day.”

“A lot of our patients here come from far and wide,” said Shriners Hospitals public relations specialist Cathleen Himes. “They cross state lines. They’re here for a couple days or weeks and so when different guests like the Bears come here and meet and play with them, it makes such a huge impression on them. It brightens their day.

“It adds a lot of joy to their overall hospital stay. What might otherwise be kind of a difficult time becomes a time that they’ll remember forever because these are guys in here that they look up to and that they aspire to be like. So it just becomes such a wonderful memorable event.”

Like the rest of his teammates, Bears first-round pick Mitch Trubisky played games with the kids and also posed for photos and signed autographs.

“It’s always nice to hang out with the kids and try to bring smiles to their faces,” said the rookie quarterback. “It’s usually them bringing smiles to our faces. It’s nice to meet a bunch of different kids and their families; get to know them, spend some time with them and have a good time.”
