Amish Young Ladies Hone Their Needlecraft Skills as They Share Gifts

The eighth grade Amish young ladies from West Ridge Amish School, Grabil, IN produced 21 exquisite quilts for our kids as part of their graduation work from eighth grade. Sewing is a basic necessity for young ladies in the Amish community, since Amish moms produce all of the clothing worn by all family members, as well as fabric necessities of the home.

These elegant and colorful quilts are an expression of both the ladies' craftsmanship and aesthetic sensibilities, so important, so necessary, in their lives.

Recently seven of the young ladies, Three young eighth grade men, and four adults visited us, delivering the quilts for our kids.

In the photo right, Mizpah Shrine drivers Jerry Willman and Doug Brouner pose with some of the quilts and Mary McCauley, who received the gifts on behalf of the many patients who will benefit from the young ladies' skills and generosity. More than 25 children from the Grabil-Harlan-Spencerville Amish community are active patients in our hospital at this time. We cherish our close and special relationship with Amish friends in Indiana, Ohio, Michigan, Wisconsin, Iowa, Kentucky, and New York. It's always a delight to have them visit us, and we are honored by their frequent gifts.

FROM THE DESK OF
ILLUSTRIOUS SIR

Chuck Miller

Lady Sharon and I are eating our way through Zorland, meeting Nobles and Ladies from all over Wisconsin, (the apple pie was worth the extra calories at the Lakeland Shrine Club fish boil). We are so grateful for the warm reception we have received from everyone.

Our media team has found a new app I think you will enjoy. The app is called Cluster, and you can read more about it in this Zephyr. We have placed the app on our web site and e-blasts with an easy excess button. This is a photo album we can all share and leave comments, such as "try it you'll like it"! Just click on the button and follow directions. It takes about 20 seconds to sign up. Or you can try this link <https://cluster.co/i/JR8LKYCJ> One more positive about this app is our media team can pull pictures from this site and use them for facebook or for the Zephyr.

We have received good news about the Zephyr and everyone seems to be receiving their copy. The Divan has decided to continue sending every paid Noble a copy of the Zephyr unless or they indicate they only want the Zephyr online. We will still encourage Nobles to take the online Zephyr only because it does save us much needed funds.

You must have heard the news about Gander Mountain being sold; our gun raffle committee Miles Bradley and P.P. Joe Thompson are on top of this. By the time this issue is released our new tickets should have been printed and dispersed. We will exchange Gander Mountain tickets for the new ones. Please save all the old Gander tickets as we need them accounted for. We will give you more information as it comes in. We had great success with the steak fry's and cold sands last year and we are enthusiastically continuing them. Al Brueggen is scheduling many Steak Fry's and our membership Chairman Bob Hering will be overseeing the program.

We will also continue the variety shows, a big hit. Rod LaBlanc is the contact person for these shows and please assist him as it is a big job.

Lady Sharon and I hope to see you at the snack table, Have fun!

New Tool! We have set up Cluster for you!

Cluster is one of the most well-known private photo sharing apps at the moment, and it's built around small groups and special occasions. Other than that, it works very much like a standard social network across the web and mobile devices, with notifications, comments, likes, and it supports notes and videos as well as photo sharing. Check it out today. Available for your mobile phone or computer. Zor Digital Media Team

VIEWS FROM THE PAST

On April 19th, 2017, the results from a paranormal investigation team were revealed from a March investigation at the Beloit Masonic lodge. The original lodge burnt down in 1951. Over 30 people were in attendance with a potluck dinner and stayed until almost 3am!

Several anomalies were found including contact made with several spirits! Most notably were some lodge members and Shriners, Sterling Ramboldt and Steve Fairchild, among others. Pete Sterling was able to ask questions of his father and receive his answers.

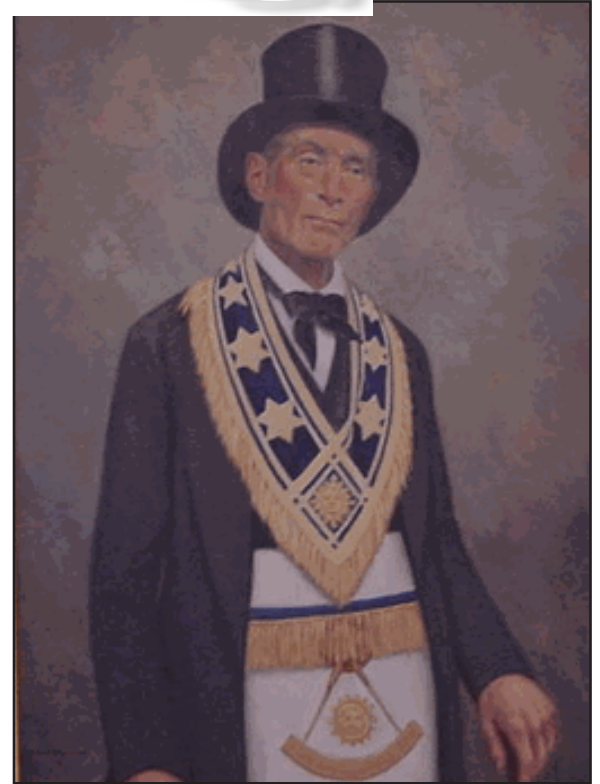

The investigator said that Sterling said he wasn't happy with the way the lodge wasn't growing, but that the over 20 spirits communicating at that moment were there for a stated meeting. The report was put on 2 cds even with video even showing evidence of movement and voices.

One of the investigating ladies was in the dining hall reading over the first meeting minutes on record of Morning Star Lodge #10 looking for a specific name when she was suddenly interrupted by a spirit, saying, "what does she thinks she's doing". One of her colleagues had just put on John Bicknell's beaver skin tophat and that disturbed the spirit quite audibly.

The reason all this started is that 2nd Harvest Food Bank has been working in the building twice monthly for 4 years. Some clients would get there extremely early and wait in their cars. One of the them asked Steve Fairchild who lived in the building and Steve said no one. He took her in to look at past masters wall to see if she could identify the person looking out the window. And she ID'ed John Bicknell, who was master of the lodge in 1846. And that's what got it all started!

There will be another presentation of the paranormal detectives work as they couldn't finish because of a tech difficulty.

...so there will be the rest of the story. D. Paul Harvey.

John Bicknell was a ships captain out of new Hampshire and and after losing his 3rd ship his wife decided he should try a new career. Being fairly well to do, he sent a group to scout out new land in Wisconsin. They landed at the confluence of the turtle creek and the rock river. Which today is South Beloit and Beloit. And so once that was done John and his family came, divided the land and the area was then settled. The Beloit area grew from there. John not having a fixed vocation at the time, spent his time growing Free Masonry. He would spend every Sunday going to other areas and making new Masons. In doing so, he did it so often he was excommunicated from his church. He founded 1846's Beloit lodge which is still active and apparently so is John!

IS SHRINEDOM'S MOST IMPORTANT BUSINESS!

Shriners International

You're not alone

Maybe you have heard the excuses from a younger generation that aren't sure they have time to be a Mason or a Shriner. Maybe they know they don't have time to help support a hospital on top of their family and work commitments. Our response to them is "you're not alone". Our Shrine clubs are not about pulling anyone away from their family and work commitments, but encourage them to balance their time by enjoying play time with supportive Mason and Shriners. We strive to host social events of various kinds that can fit into their schedules. These events are held once a quarter or more. Don't keep this a secret! Let the cat out of the bag and invite a friend, family, family member or a co-worker to join in on the Shrine fun. Just a few hours with good friends can be energizing and put life back in perspective.

Green Bay Packers Midwest Shrine Football Game

The Midwest Shrine Game is scheduled this season for Thursday, August 31st, at Lambeau Field. This event, hosted by Tripoli and Beja Shrine Temples, has been well attended for many years. The Packers Organization has donated thousands of dollars over the years to the Shriners Hospitals for Children. Any Zor Shriners who are interested in attending the game and participating in the 'Pre-Game' on the field activities are welcome to attend and take part in releasing balloons and / or holding the American Flag during the singing of the 'National Anthem'. Beja Shriners host a pre-game 'Tailgate Party' which is open to all Shriners. The 'Tailgate Party' is at a cost of \$20.00 per person. Drinks, burgers and brats have been the traditional menu for the event. Tickets for the game against the Los Angeles Rams are available through Tripoli Shriners in Milwaukee. Ticket prices last season were \$53.00 each and it is anticipated that this year's price should be comparable. Tickets will be available closer to the event and can be ordered by contacting Tripoli Shriners at: Tripoli Shrine Center, 3000 W Wisconsin Ave, Milwaukee, WI 53208. Phone: (414) 933-4700. The game is scheduled to 'kick off' at 6:00 PM with activities starting at least 4 hours prior to the game. In order to participate in any 'on-field' activities you must be registered with the Packers in advance. More information will be forthcoming as we draw closer to the event or you can contact Zor Chief Rabban, Gary Cuskey.
