### Potentates Message

Baseball, Apple Pie, Parades and the 4th of July, Our country's Birthday. By the time you read this the elected representatives of Zor Shriners will be in Tampa, Florida at the Imperial Session. They have a very busy schedule with 27 items on the Call with items regarding Imperial Officers and their duties, use of member lists for advertising, and jurisdictional items. Zor Shriners will also be receiving the Bronze Award in Membership for having an overall improvement of less than 2% from the previous year. To receive Silver we must have overall improvement of more than 2% and to achieve Gold, we must have a net gain in membership.

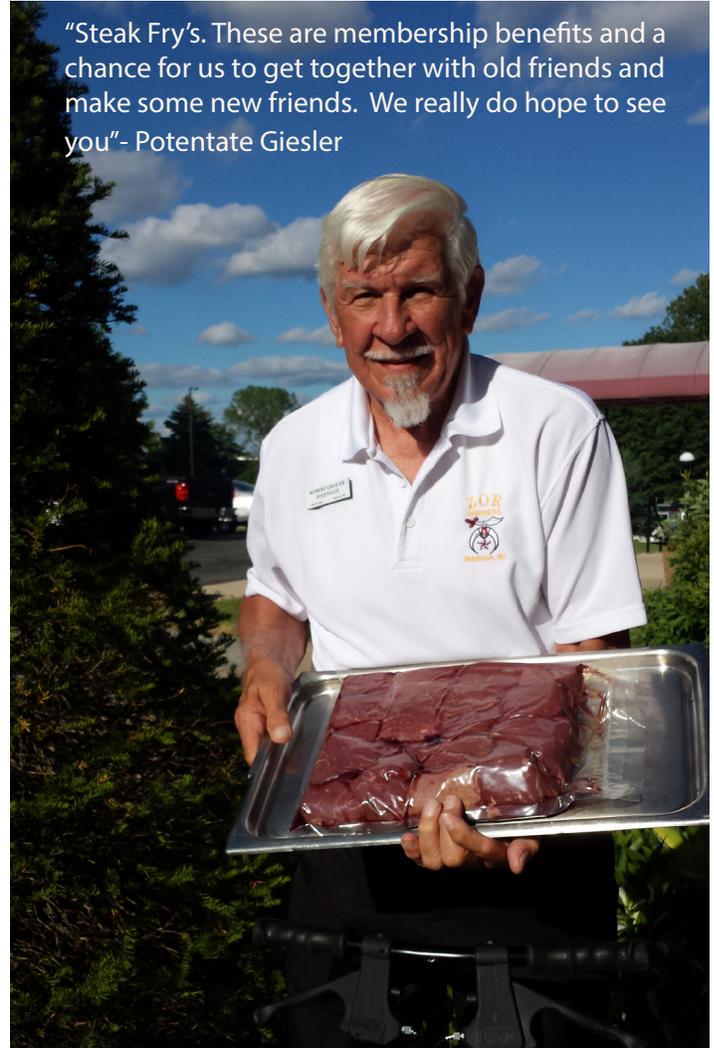

We have a Quarterly meeting this month on the 19th of July at the Temple in Madison. This meeting is open to all Nobles with a paid up dues card so make sure your dues are paid and come for the meeting and a steak fry following. Other events this month include Tobacco Days in Edgerton, Challenge Steak Fry in Ft Atkinson, hosted by Sahara Shrine Club and another Challenge Steak Fry hosted by La Crosse Shrine Club at Jansky's in La Crescent, MN.

We really need everyone of our Nobles and their Ladies to come out to the steak fries and ask a non-shriner to come with you. We are showing videos about our history and our hospitals which you are sure to enjoy and you will be more informed about what we do and why we do it. These are membership benefits and a chance for us to get together with old friends and make some new friends. We really do hope to see you.

Yours in the Faith,  
Bob "Colonel" Giesler

## Now is the Season for Summer Safety Awareness

Every year, kids cannot wait until the summer season arrives. School is over, the weather is warmer and there is a lot more free time to spend outside. But along with this time of year comes an extra dose of responsibility for parents. **Keep your family safe and healthy this summer by following these safety tips offered to you from Shriners Hospitals for Children® - Cincinnati:**

### FIREWORKS SAFETY

- Fireworks that are thought to be safe, like sparklers, can reach temperatures above 1000 degrees and can burn users and bystanders
- Mishandled fireworks can result in severe burns, scars and disfigurements that can last a lifetime
- Families should attend community fireworks displays handled by professionals rather than using fireworks at home

### LAWNMOWER SAFETY

- Only use a mower with a control that stops the mower blade from moving if the handle is let go
- Children younger than 16 years old should not be allowed to use ride-on mower. Children under 12 years old should not use walk-behind mowers
- Wear appropriate shoes and clothing
- Never smoke or use any type of flame around gasoline
- Gasoline has one purpose – to fuel an engine

### DOG SAFETY

- Consult with a professional to learn what breeds of dogs are the best fit for your household
- Dogs with histories of aggression are not suitable for households with children
- Be sensitive to cues that a child is fearful or apprehensive about a dog. If a child seems frightened by dogs, wait before bringing a dog into your household
- Spend time with a dog before buying or adopting it. Use caution when bringing a dog into a household with an infant or toddler.

Summer should be a fun time, not a scary time, but it also shouldn't be spent in a hospital. By taking these few extra measures, parents can make sure their children have a safe, happy and healthy summer.

Shriners Hospitals for Children®-Cincinnati is one of only four freestanding hospitals in the country dedicated to the treatment of pediatric burns and specializing in plastic and reconstructive surgery. Our physicians' experience and expertise in pediatric burn treatment, cleft lip and palate, complex wound and skin conditions, and plastic and reconstructive surgery makes Shriners Hospitals for Children – Cincinnati a first choice for care.

If you know a child we can help, go to [shrinershospitalcincinnati.org](http://shrinershospitalcincinnati.org) or call:

### Shriners Play a Big Role in Referrals

When it comes to finding medical help for children, Shriners are now more important than ever. Members of the fraternity have always played a critical role in helping families in their communities get connected with Shriners Hospitals for Children – Cincinnati, and now it has become even easier with a website and referral cards.

#### Website

Shriners Hospitals for Children – Cincinnati continues to make referring a patient and obtaining an appointment for care easier than ever through the [www.shrinershospitalcincinnati.org](http://www.shrinershospitalcincinnati.org) website. Every page has a Schedule an Appointment and a Contact Us feature; both are easy forms that families can complete and submit online directly to the hospital.

#### Referral Cards

Referral cards are also a great resource that Nobles can use. These cards allow families easy access to hospital information and services. The cards provide hospital contact information to assist in scheduling appointments. On the back of each card is space for the Shriner's name and Temple. Please stop by the Business Development office to pick cards up, or call 513-872-6391 to have them mailed to your Temple.
