From The Potentate Monte Steiber

The One-day Ceremonial held on May 30th in Eau Claire was a Big Success! All of the feedback received to date has been positive. Thirteen new Nobles were initiated, and events for the day were completed on schedule. A Big Thank You to the committee for all their hard work in planning this event and executing the plan. Also, thank you to the Director's Staff and Ritual Divan for travelling to Eau Claire for the day. Past Potentate John Benedict was invited to the afternoon proceedings, and I had the honor of presenting him his 50 year pin and certificate as a Shriner and Grand Master Bill Beetcher presented Brother John his 60 year pin and certificate as a Mason. I encourage all of the New Nobles to get involved with a club or unit and to visit one of our hospitals. I spoke to one of the new Nobles that participated in a parade the very next day and had a great time.

I attended the 171st Annual Communication of the Grand Lodge of Wisconsin on June 5-6 where I had the opportunity to present Noble Frank Struble his Grand Master's Fez. We are very fortunate in Wisconsin to have a good working relationship between the Grand Lodge and the Shriners. I look forward to expanding our opportunities to work together on membership.

The project to upgrade Zor's website is moving forward. The developer has sent us some home page mock-ups to choose from, and to provide input on home page content. We are still targeting mid-summer for completion.

Barthel his Samsar Award and Noble Paul Handa the Award of Merit. Jim Stelsel and I also delivered Noble Robert Johnson his 60 pin and certificate that same day. Refer to the photos with more details in this issue of the Zephyr. Congratulations to all three Nobles. The next Steak Fry will be held on Thursday July 16th. Make plans to attend.

The 2nd Steak Fry of the season was held on Wednesday, June 10 at the Shrine Temple with approximately 80 people in attendance. Prior to the Steak Fry, I had the honor of presenting Noble Jon

The Potentate's Fall Foliage Trip to the New England area as originally planned has been cancelled. I am working with the travel agency on the possibility of scheduling a different trip with further details to be announced later.

CLARIFICATION: Annual Driver Certification form

There have been several questions and some confusion regarding the "Annual Driver Certification" form. I spoke with our insurance agent on May 14th to get clarification.

Our insurance carrier requires every Noble that drives a motorized vehicle representing or on behalf of the Shrine, submit an "Annual Driver Certification" form. This applies to hospital patient drivers as well as anyone driving a motorized vehicle in a parade such as mini-cars, scooters, motor cycles, 4-wheelers, vans, and etc. I realize that this is a change from past practices, and we could have done a better job of communicating this change to all clubs and units.

The reason for the questions regarding your own personal insurance is to prove insurability to Zor's carrier and to show that our drivers are responsible. Zor's insurance has primary coverage for any and all motorized Shrine vehicles and parade units on the road and in parades. The following quote is taken from an email from Zor's insurance agent; "The Shriners carry \$1,000,000 per occurrence for automobile related accidents. In addition to that coverage amount, they have purchased a \$2,000,000 liability umbrella. In essence, the Shriners and its units have \$3M of coverage for any one accident."

Another reason for the request for a driver's personal insurance is if a Noble is driving their own vehicle to a Shrine event or parade, their personal insurance would have primary coverage and Zor's insurance would be secondary. Per my discussion with Zor's insurance agent, we agreed that another question should be added to the form: "Do you carry auto insurance on your personal vehicle/s? With boxes to check: Yes or No." We will also drop the box asking for your physician's name, but leave the box to list the month and year of your most recent medical exam. I will ask our office staff to make the change on our Driver Certification Form, and forward to each club and unit.

Your personal insurance is, and has always been primary when going to or from a parade. During the parade, Zor's insurance will be primary even for parade vehicles that are owned by individual Nobles. Typically the secretary of each club or unit should list all vehicles owned or being used by the unit for parades when submitting their club/unit insurance form each year. Said forms are forwarded onto the insurance carrier as well as the Driver Certification Form.

Hopefully this letter helps clarify the need for "All" drivers of Shrine vehicles and parade units to submit a Driver Certification form in order to maintain compliance with our insurance carriers request and to ensure individual coverage for Shrine events. A Big Thank You to all Nobles for all that you do and for your support of Zor Shriners and our kids. Please feel free to contact me if you have any further questions regarding the Driver Certification Form or our insurance coverage.
