Recorder's Roll Call

Jim Stelsel, Recorder

Zor now has installed a new phone system that allows you to call Sandy, Pat, Jim, and the Potentate Bob on their direct line. The main office number remains the same which is 608-833-6343, Pat for bookkeeping issues is 608-821-6580, Jim for recorder issues is 608-821-6581 Sandy's for most questions is 608-821-6582, and Potentate Bob is 608-821-6583. On all the lines, you can leave a voice message if they are not available when you call.

If you have not paid your 2013 dues now

From The Potentate

Bob Gorsuch

No one person has all the right ideas... and I certainly do not! So I need and encourage your input as to things you would like to see us doing, changing, tweaking, or whatever. This is your fraternity, not mine; not the Divan's; not any Past Potentate. So our success depends on your involvement and good leadership in our units and clubs. So shoot me your thoughts at rgorsuch@oakbankonline.com or call me directly at 608-279-2139.

January 2013 is history. If you missed

the installation of new officers and the Fez Party following, you missed a great day! The Packer loss that day was the only downer. Special thanks go out to PP John Thorstad and Noble Dale Holmen. Of course, I expect Deb and Deb were active in the background.

I enjoyed the Zor Clown party and my new persona of "Barnyard Bob".

By the time you read this, the Madison and La Crosse circuses will be history. I'm praying for good weather!

Remember, to get your name in the

drawing for Packer, Brewer, and Badger tickets, you need to be the top line signer on new member apps. The more petitions you are the top line signer on, the better chance of being a drawing winner. Your new Shriner also gets his name put in for the drawings.

We will come and do a Cold Sands for any new member, any place, any time. Have fun!

Bob & Carol

Zor Shriners Welcome “Barnyard Bob” the Clown

Story and photos by Todd Wohlert

Clowns of all shapes and sizes poured into Zor Shriners Center in Madison for the annual Zor Clown party Saturday January 26 to honor the new Potentate and to show off his inner clown. The Past Potentates proudly showed off their portraits from previous events featuring Soda Cracker, Tommy Turtle, Lightbulb, Soot, and other Potentate clowns. Emcee Noble Dale Holmen & Lady Deb started the banquet off with warm greetings and clown hospitality.

After a great meal, it was time for the show! This is an event that every Divan member looks forward to while on his trip up the progressive line. Based on themes, professions, and previous adventures, this is the night the Zor Clowns transform the new Potentate into his official clown persona – a once in a lifetime event! Lyle “Foxy” Fox got out the grease

paint and got to work on Potentate Bob Gorsuch. The Nobles and Ladies offered encouragement as Foxy worked his magic.

Once the makeup was applied and the rubber nose was attached, Bob was led to another room to put on his outfit. While that was happening, Dale gave away door prizes. Dale announced that the Nobility raised \$500 that evening for the Red Sneaker fund in honor of Potentate Bob and Lady Carol. This also being the Sweethearts dinner, the Nobles came up to the front and picked up a long stem flower which was then gently hand-delivered to his Lady.

Finally, the big moment had arrived – it was time to unveil the brand new Zor Clown “Barnyard Bob”, decked out in the finest farmer clown duds. The Nobility as well as the Potentate thoroughly enjoyed Foxy’s work yet again.

Foxy starts the arduous task of transforming a banker to “Barnyard Bob”.

Can't You Just Taste Those Sweet Vidalia Onions?

The growing season in Georgia has been good this year, so we may get them early this year. The onions should arrive around the end of the April. We will again be allowing the onions to dry naturally in the ground in order to provide a good product to our customers. I will inform you via email and/or a phone call as soon as I know when the onions will arrive.

The fuel cost of trucking the onions here increases each year. Selling more onions will help offset this additional cost—let’s sell two semi truckloads!

I encourage you to pre-sell the onions. If you find you need to increase your order, April 5 is the deadline for ordering onions.

Advertising is a good way to promote the sales of the onions. If you advertise, your ad must be submitted to the Zor Shriners office for approval prior to going to print.

Buy One Bag and Sell Two Bags! Of

course, you can buy and sell *more!* There will be 100 bags of Vidalia onions at the Shrine Center. Please make it a point to stop in and pick up **3 or more** bags of onions. For easy bookkeeping, please pay for the onions when you pick them up.

I am challenging every noble—especially those who have not participated in the past—to Buy One Bag and Sell Two Bags!

If you have any questions, please contact Richard Winter at 608.318.1514 (home) or 608.513.2309 (cell) or email winterhaven91@hotmail.com

Pins in Platteville – The After-Easter Leaster Returns

The 3rd Annual After-Easter Leaster bowling tournament is back for more fun AGAIN this year. The Southwestern WI Shrine Clubs special event is Saturday April 6th at Pioneer Lanes, 1185 Hwy 151, Platteville, WI. Only \$20 per player entry fee. 3 per lanes - Singles Scratch. 1 p.m. start time. To register early, please send completed form and payment to: Wally Trouten, 6786 N. Elm, Platteville, WI 53818. Deadline to guarantee your reservation is March 30th. Walk-ins will be honored and mocked.

The object of the game is to get the lowest score. The purpose of Low Ball is to practice on your 7 and 10 pins and to practice focusing on a specific target. You want to get the lowest score, but there is a catch. Here are the rules for Low Ball:

- 10 frame game
- Ball must hit at least one pin
- Every gutter ball or zero (0) count = +10 to final score
- Lowest score wins

In Low Ball, bowling strikes and spares are scored exactly the same way you would score a strike or spare in a regular game of bowling. At least one pin needs to be knocked down. A perfect game in low ball is a twenty (20). Meaning that one pin is knocked over on each of the two balls per frame in the score. To get the lowest possible score, aim for the 7 and 10 pin each frame. If you knock down 4 pins on your first ball, you want to try to hit only one of the remaining six pins down. If you knock down 6 pins on your first ball, you want to try to hit only one of the remaining 4 pins and so on. A gutter ball will be recorded as a strike if it is on the first ball in a frame. If on the second ball you do throw a gutter ball, it will score as a spare. You've got to knock or topple over at least one pin on each thrown ball to get a low score. Therefore, this version of the game is quite a challenge. If there is a tie, there will be a 5 frame bowl off.

Prairie View Students Help Kids with Pop Tops

by Milt Helmer

Mrs. Scobie's 2nd grade class at Prairie View Elementary School have been encouraged to become active in community service. Mari Scobey, who has taught school for the past 25 years, was talking with Joyce Swan of Ellsworth and learned about the Women's Auxiliary at the Shriners Hospital for Children in the Twin Cities and their project to provide stuffed stockings for the children at Christmas time.

Swan and several other area women, including the Auxiliary chairperson Cheryl Hoffman of River Falls, work on this and other projects throughout the year.

In the conversation, Mrs. Scobey asked how her class could become involved and

help out. Swan shared the Auxiliaries drive to collect "pop tops" that are used to earn money to provide supplies for the kids at the hospital including wheelchairs.

Since the students families were limited in what they could donate in a monetary way, they decided to put up a container in the school asking for pop tops.

That was three weeks ago and today, the students have collected a large tube full of the tops. Mrs. Scobey said, "a special thanks go to first grader Jakob McCabe's parents for bringing in the very large tub full of tops." Joyce's husband Rick Swan, a Shriner, will deliver to their destination.

The students also plan to make bracelets and other items out of the tops to give to the kids.

Snowmobile Ride Snowless But Productive & Fun

Story & pics by Julie Riemenschneider

The Rice Lake Sno-Birds Snowmobile Club held their 18th annual snowmobile ride fundraiser on January 19th. Once again, they were unable to ride for lack of snow, but they made the rounds by truck or car anyway and received donations of \$11,903.96 which they donated to the Indianhead S.C. for the Shriners Hospital for Children - Twin Cities. Noble Jim Sockness, chairman of the event for the Indianhead S.C. was proud to report that the Sno-Birds have raised a grand total of \$235,000 for the Shrine Hospital in 18 years.

It took several Shriners to organize the event. Shrine Club Secretary Chuck Stene and Chaplain Chuck Nelson were there to help Jim Sockness with details. Larry Riemenschneider PP, president of the Indianhead Shrine Club and Bob Hering arrived by 7 AM to lend support. Donna Sockness and Jean Olson, wives of Nobles, worked taking pledges from participants in the morning and decorating the tables for dinner. Marlene Arnold rounded up donations from various places of business so that everyone who participated in the ride would receive a prize. Indianhead SC Past President Larry Hoyer, dressed in a tuxedo, emceed the program at dinner. It

definitely was an upscale event.

Pete Schneider, President of the Sno-Birds called the names of participants according to the amount of their pledges. The top four prizes went to Pete Schneider, Jim Ebner, Brent Thunberg and Paul Buesser. Brent Thunberg, who was a Shrine patient himself raised \$2,526.96 this year.

The Blue Hills caterers served a delicious dinner for guests at the Blue Hills Lodge. Five Kohl's employees provided three hours of free labor at the evening event which included helping carry meals to the table and bussing dishes. In addition Kohl's donated \$500 from Kohl's Kares to the Rice Lake Shrine Club.

Prizes for raffle ticket drawings were handled by Judy Thunberg. Judy also presented several bags of pop tabs collected by the Pepperettes and Beavers 4H Clubs to PP Larry Riemenschneider and Past Captain of the Guard Bob Hering.

GEORGE C CIRCUS WO MADISON C

Story and photos by

The Madison weather was beautiful all weekend long for the Annual Zor Shriners Circus at the Alliant Energy. Nobles and their Ladies from all over the state came to help with Zor's largest fundraiser. The George Cardin Circus was fantastic and breathtaking, as always. Great conditions made it possible for over 30,000 people from near and far to attend the shows featuring tigers, dancers, dogs, motorcycles, camels, and elephants.

A Cold Sands initiation took place Friday night. Please welcome our new Noble Christian Porter from Lodi Lodge #99, son of Noble Chuck Porter and grandson of Noble Charles Porter. Then, after the first show Saturday, the first ever Madison circus wedding took

The circus committee thanks the Clubs and Units for purchasing the 18 bicycles that were given away following intermission of each show. The Pipes and Drums again purchased the bike helmets for all the winners. Thank you to everyone who paid for their tickets and to those who returned them so we could donate them. The Ringmasters Club and final circus results will be printed in the April Zephyr.

The cost will be \$20 per person but, if you bring a non-Shriner Mason as a guest, there will be no cost for him or his lady. Winter MSA Report from AAD Shrine

By Dep. Chief of Staff/Housing Chairman Joe Harker PGM

Duluth, MN: February 7-9, 2013. Illustrious Sir Robert (Bob) Gorsuch led a delegation of Zor Nobles to AAD Shriners in Duluth, MN to attend the Midwest Shrine Associations (MSA) mid-winter meetings. In addition to Potentate Bob, were Chief Rabban Larry Hanson, Asst. Rabban Monte Steiber, High Priest and Profit Bob Giesler, Oriental Guide Dave Bomkamp, Chief of Staff Steve Davidson, and Dep. Chief of Staff/Housing Chairman Joe Harker. Also in attendance were special guests Imperial Potentate III Sir Alan Madsen, Past III Sir Doug Maxwell Chairman Shriners Hospital, Dr. Ken Guidera Chief Medical Officer, Shriners Hospital and other current or past Imperial officers and hospital leadership representatives were on hand to address numerous issues facing our Shrine and the hospitals.

The group arrived at the hotel Thursday afternoon allowing time to get reacquainting with friends from the other 13 Mid-West Shrine Temples. Thursday evening Wisconsin Grand Lodge's Senior Grand Warden Bill Beetcher and Junior Grand Deacon Arby Humphrey joined Zor's delegation for dinner and discussion on how important it is for Zor to continue the friendly relations, as we depend upon each other for our joint successes.

Friday morning opened with the General Session for all nobles followed by numerous informational breakout meetings covering such things as budget planning, temple finance, membership, fund raising, hospital issues, and 2013 MSA Summer arrangements.

An extensive program covering membership issues and the data that is available to individual Shrine Temple's membership committee was presented Friday afternoon for all who were in attendance. Have you heard about the

Shriner Legacy program? Ask your Divan Rep how you can honor your father or son with a Shriner Legacy certificate and pin.

Saturday morning, the 2013 general session continued an extremely powerful presentation, which was presented by Past Imperial Potentate Doug Maxwell and Dr. Guidera. Asst Rabban Monte and HP&P Bob took away from the hospital presentation that more screening clinics are required and even with the hospital collecting insurance payment that it is not enough to cover the operating budget of our hospitals.

The session concluded shortly after that announcement and the Zor members left for home.

Potentate Bob related that the two main themes during the MSA were stressing the need to retain the Shriners we have by keeping them active and building camaraderie. It is equally important to strengthen membership by actively recruiting within the pool of worthy and well qualified Masons in our Blue Lodges. We should be looking beyond the Blue Lodge and seek good men who are not yet Mason and offer them the opportunity to be part of a great fraternity and become Mason Shriners. Masons can help through proving patient referrals - by seeking out families with children who can benefit from the health services offered by the Shrine Hospitals.

Oriental Guide Dave, attending his first MSA winter session, said "I was surprised at the intensity of the event as there was always important information being presented."

The 2013 Summer Session will begin Wednesday evening with the Divan Counterpart and Past MSA Officers. Chief Rabban Larry attended the temple budgeting workshop and came away with some ideas as he plans for next year.

Noble Steve attended the Chief of Staff Meeting and received information on the Summer Session parades and competition. There will be the usual Thursday late afternoon parade in Superior, WI, and Saturday late morning parade in Proctor, MN. Friday will be unit competition, Ladies Luncheon, and Shrine-A-Rama.

This summer Zor Shrine, along with Beja Shrine, will be housed in Superior at Barker's Island Resort. A detailed communication will be prepared for all units very soon

Illustrious Sir Bob is urging all units of Zor to seriously consider attending the 2013 MSA Summer Session in Duluth. This will be the closest MSA to us for the next few years. The session promises to be a fine time for all. AAD Shrine will be releasing a web site in April to provide the latest information to all those who will be attending the session. Watch the Zephyr for updates on the web site availability. Again this year there will be on-line registration, but, if you need help in registering, Zor will assist individuals or units.

Mark your calendars Today for Wednesday or Thursday through Saturday August 14th or 15th through 17th.
