# From The Potentate

**Bob Gorsuch**

I still have a lot of my coins to give to Nobles in Zorland. Hopefully those who have received one are carrying it with them and thinking about what the coin represents on a daily basis. As those who have it know one side of the coin is our silent editorial and the other side is a reminder of our need to accept and initiate change in our fraternity. Shriners International membership is now below 300,000. In 1985 we had almost a million

members. So in less than 28 years we have lost 700,000 members!

Clearly, we have a challenge. There are pockets of renewed activity within Masonry. We need to always be on the alert for non-Shriners and ask them if they have ever thought about becoming a Shriner. Our hospitals are still one of our best selling points. We truly do have the greatest philanthropy in the world!

The summer is upon us. Get out

and enjoy the parades we are part of. Attend the social events that are offered throughout Wisconsin. Bring your lady.... And bring a prospective Noble.

Question of the month: When was the last time you signed a petition for a new member?

Remember why you became a Shriner!  
Bob & Carol

### Recorder's Roll Call

**Jim Stelsel,  
Recorder**

If you have not been to Zor Shriners Center recently, the front lobby update has been completed and the new furniture is in place. It has changed the look of our facility and should help attract the use of our building for those wishing to hold an event.

It's the onion time of the year as the onions have either just arrived or should arrive during the first week in May. Help your club or unit sell their onions as well as deliver the onions you have sold. Remember, your club or unit does receive 2 dollars a bag for each bag sold.

April was a great month for events and parties but probably others took place that

may not have been reported to the Zephyr Editor. If your club or unit does have an event, please write up an article and send it in. Events that took place in March were the Mehara Pote's party, Gun Raffle Drawing, Beloit SC Pancake Breakfast, Southwest SC Mexican Fiesta, Pipes & Drums St. Pats Tour, Mini Car Holiday Spring Fling, Easter Egg Hunt, Scottish Rite Reunion Valley of La Crosse, and the Wranglers 9 Pin Bowling Tournament.

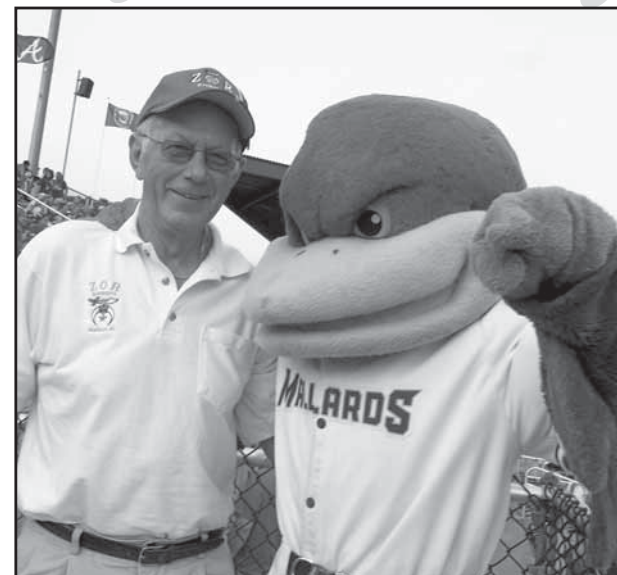

In each month Zephyr, the calendar of events contains about 5 months of upcoming events and parties, so send in your scheduled events and parties as it may also increase your attendance if Zor members are aware of your scheduled functions.

We are making a little progress on unpaid dues as we are now under 200 Nobles who have not paid their 2013 dues.

Have a great summer and have fun being a Shriner.

## Join Zor In Duluth For Summer M.S.A.

Illustrious Sir Bob Gorsuch and Lady Carol are encouraging you and your unit to attend the 2013 Midwest Shrine Association (MSA) Summer Session 15-17 August. It may have been several years since your unit has participated in this annual MSA event. It is entirely possible that many Zor members may not have experienced this fun-filled event.

This year, the event is about as close to ZOR-land as it gets, hosted by AAD Shriners in Duluth, MN. There will be two big parades - one Thursday marking the arrival of the Midwest Shrine Temples and another on Saturday to close the annual event. On Friday, unit and individual competition takes place amongst the temples at various sites. There will also be unit breakfasts, lunch, or dinner meetings. There is also entertainment for those in attendance Friday evening. Of course, there will be the Hospitality Suite open often throughout the weekend. The preliminary web site ([www.aadshrine.org/msa2013.htm](http://www.aadshrine.org/msa2013.htm)) is up so you will be able to review a complete schedule of the planned happenings. Online registration will be open on or before May 1.

This annual event is an opportunity to meet, have fun, and exchange ideas with Nobles from throughout the Midwest. Most importantly it is your opportunity to show your Potentate how proud you are to be a ZOR Shriner.

More information has been sent to your unit's E-mail address. If for some reason, the information has not been received contact Joe Harker.

Zor Wranglers 1st Annual 9 Pin Tap at "Blue Devil Bowl" in Evansville was a great success. There were 55 bowlers and the winners were: 1st Place – Potentate Bob Gorsuch, 2nd Place – Jill Anthony, and 3rd Place - Mary Beaner.

# Pins in Platteville – The After-Easter Leaster

Submitted by Wally Trouten

Pioneer Lanes in Platteville again heard the sounds of cheering, groans and laughter at this years edition of the After Easter Leaster Bowling Tournament. For those not familiar with this tournament, low score is king. It's not as simple as throwing the ball in the gutter as there are penalties for doing that. The skill of this game is in hitting a pin on every ball thrown, preferably the 7 pin on one ball and the 10 pin on the other. A perfect low-ball score per game is 20. This is a tournament where fun is just as important as the final score.

This years winners were Wally Trouten, 1st place with a three game total

of 241; Bo Bertilini in 2nd with a score of 257; Chris Hinderman in 3rd at 287; and in 4th place Bob Gorsuch with a score of 340. The lowest score this year was Bo Bertilini who's low game was 53. Crystal Henning laid down the gauntlet boasting that she would be the big winner. This of course led to some of the lowest scores in the history of the tournament, while others bowled their best scores ever. Each year the tournament grows a little and each year everyone wants to know the date for the next tournament. The fourth "After Easter Leaster" is being planned for the Saturday after Easter, 26 April 2014.

# Shriners Hospitals for Children — Twin Cities Joins Mayo Clinic Care Network

**Shriners Hospitals**  
for Children™

MINNEAPOLIS — Mayo Clinic announced that Shriners Hospitals for Children — Twin Cities will build on the decades-long collaboration between physicians in both organizations and become part of the Mayo Clinic Care Network. Shriners is the first pediatric hospital to join the Mayo Clinic Care Network. Physicians at Shriners will be able to connect directly with Mayo Clinic specialists on questions of patient care using an electronic consulting technique called eConsults. Physicians also will have access to the latest evidence-based medical information through the AskMayoExpert database. These tools, among others, enhance the support available to manage complex patient care needs.

“The relationship between Shriners and the Mayo Clinic Children’s Center has been a long-standing and rewarding one, and by formalizing our collaboration, we’ll be able to work even more closely together to enhance the care we provide children” says David Hayes, M.D., medical director, Mayo Clinic Care Network.

“Both organizations are recognized

leaders in their fields,” says Douglas Maxwell, chairman and president, Shriners Hospitals for Children. “The challenges of medicine in this modern age demand that we seek and share knowledge in a way that has value to the patient. Our participation is a continuation of that commitment. We are energized by the possibilities.”

“Shriners Hospitals for Children — Twin Cities is delighted to become the newest member of the Mayo Clinic Care Network, which we believe will strengthen the 20-year bond between our two institutions,” says Cary Mielke, M.D., interim chief of staff, Shriners Hospitals for Children — Twin Cities. “Using eConsults and cutting-edge evidence-based medicine, Shriners Hospitals for Children — Twin Cities and Mayo Clinic physicians collaborate on complex patient cases in the fields of pediatric orthopedics, scoliosis spine surgery, hand surgery, rheumatology, and neurology. This partnership is a great benefit to the excellent care our patients receive.”

“Both Mayo Clinic and Shriners

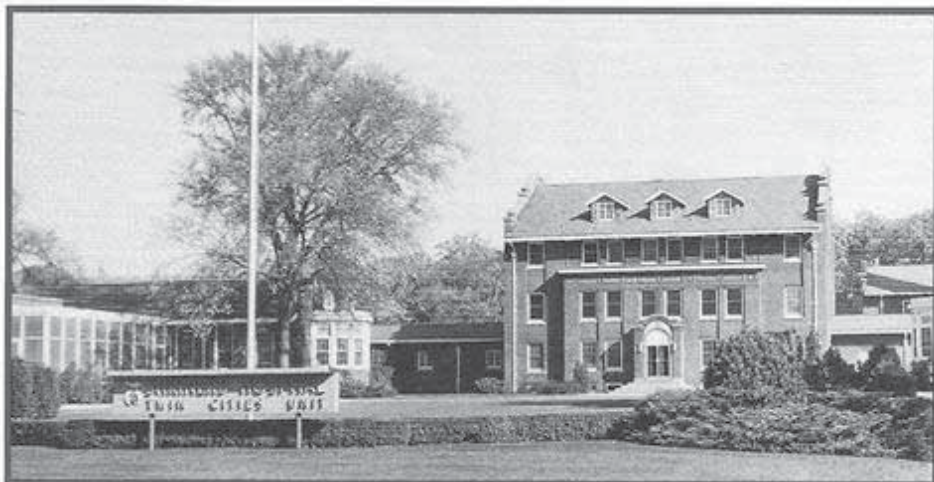

have a heart for kids, and we’re excited to know that this new collaborative step together will increasingly benefit our young patients,” says Christopher Moir, M.D., director, Mayo Clinic Children’s Center. “Combining the knowledge of Mayo Clinic and Shriners experts can only benefit outcomes for patients who are the most vulnerable among us. Both our organizations are known for our commitment to high-quality pediatric care, and we look forward to strengthening our working relationship.” The Mayo Clinic Care Network represents non-ownership relationships with Mayo Clinic. With Mayo Clinic Care Network, members share a commitment to improve the quality and delivery of health care. The network launched in 2011, and now has member organizations based in Arizona, Florida,

Illinois, Kentucky, Michigan, Minnesota, Missouri, Montana, New Hampshire, North Dakota and Puerto Rico.

Physicians from the Mayo Clinic Children’s Center, with specialties in orthopedics, rheumatology, hand surgery and neurology, currently provide service at Shriners. The Mayo Clinic Children’s Center consists of 200 pediatricians and surgical subspecialists from more than 40 medical and surgical specialties. The center provides care for more than 50,000 children and teens each year. The Children’s Center is rated in all of the US News & World Report pediatric specialty categories and is the highest-ranked children’s hospital in Minnesota and across the region from Iowa, Wisconsin, North Dakota, and South Dakota.

## Marching with the School Band: A “Wow” Moment for Joseph

Since the first Shriners Hospital opened in 1922 in Shreveport, La., caring for children with orthopaedic conditions has been a primary mission of our health care system. The orthopaedic diseases and disorders we treat are wide-ranging and diverse. Whether we are treating bone deformities such as clubfoot, neuromuscular conditions such as cerebral palsy, or genetic anomalies such as achondroplasia, our goal is to help each child become as independent, confident and healthy as possible. Here is one patient’s story:

When Joseph Van Hofwegen was born in February 2001, he was immediately diagnosed with caudal regression syndrome, which impairs the development of the lower half of the body. In this disorder, the bones of the lower spine are frequently misshapen or missing, and the corresponding section of the spinal cord can be irregular or missing. In Joseph’s case, his legs were bent with the knees pointing out to the side and his feet tucked underneath the hips. Joseph could crawl as a baby, but only by dragging his lower extremities. Kristen Hartless, Joseph’s mother, accepted the probability he would never walk.

The family learned of Shriners Hospitals for Children®—Lexington and made an appointment to discuss possible surgical solutions. Janet Walker, M.D., a pediatric orthopaedic surgeon who researches club feet, limb deficiencies, limb misalignment and children with amputations, examined Joseph. Dr. Walker advised that Joseph, then age 6, have amputation surgery, followed by prosthetics.

After a successful surgery, Joseph was very nervous about preparing for his new prosthetic legs. “He was worried he would walk like a cartoon robot,” said Hartless. “Oh, and also, he wanted toes!”

The prosthetics department at the Lexington Shriners Hospital went to work and soon Joseph had his new legs. Now 12 years old, Joseph continues to come to the hospital for fittings and therapy every six months. Recently, he announced a big event in his life.

“I have been playing the drums for several years, and we figured out how to attach the drums to my walker. Next spring, I will be in my middle school marching band as a drummer,” Joseph said. “Walking, marching, playing my drums. Wow!”

Hartless says Shriners Hospitals for Children—Lexington has changed her child’s life. “In four years, we progressed from Joseph never having walked to ‘Hey, Mom, where are my drumsticks?’ For that, I simply say thank you from the bottom of my heart.”

**Top:** Joseph Van Hofwegen, 6 years old here, waits for surgery that will give him two prosthetic legs.

**Bottom:** Along with his love of music, Joseph also enjoys playing sports.
