I am sad to report that we still have just over 100 Nobles who have not paid their 2011 dues.

Nobles it is now time to step forward and pay this year's dues. Zor operates on established budget each year based on its membership. 100 Nobles times Zor's dues of \$48 equals \$4800 plus the \$15 per capita and the \$5 hospital assessment equals an additional \$2000 that Zor has already paid to the Imperial. Please send in your 2011 dues so we DO NOT have to send you another dues notice, spend time trying to contact you, and, come December 31, be required to suspend you from the Shrine. If you are unable to pay your dues, please contact the Zor Office or the Recorder to determine if we can assist you in some way.

From The Potentate

Steven Peterson

The heat of summer is upon us, and July was certainly on fire with many activities across the state.

The month started out for Lady Mary Ellen and I in Denver with the Imperial Session, July 2-7. Since this was my last year as a delegate, I was diligently working with ZOR's voting delegates in making decisions that would contribute to keeping our fraternity strong and the hospital system running into the future for the children. The session emphasized the importance of continuing to grow our membership; ZOR was proud to accept the Bronze award for our membership growth in 2010. By continuing to RETAIN our existing members and REEL IN new members, we can take our membership to the next level, with hopes of receiving the Silver award next year. Our 2011 membership numbers will be posted in upcoming issues of the Zephyr. Learn more about the session in the article on page 6.

We had one day to regroup from our trip in Denver, and then it was off to the Mallard's baseball game in Madison on Saturday, July 9. I was honored to present with John Thorstad, PP, a defibrillator to the Mallard's team, which was given by the Director's staff and Masonic Foundation. Throwing out the first pitch for the Mallard's game was a bit of a challenge since it dropped right before home plate, but we had a great time with more than 50 Nobles, ladies, and friends who came out to enjoy the evening at the ballpark. While the Mallards came up a little short and lost to the Rafters of Wisconsin Rapids, our Wisconsin Rapids area Shriners were happy for the win.

I was able to make a visit to the Hayward Musky Shrine Club and the Musky Cycle Patrol dinner meeting at Karb's restaurant in Hayward on July 12. I always enjoy visiting our northern groups, who were busy with parading and

planning their ATV ride fundraiser that is coming up on Saturday, September 17. They are getting excited that several local ATV Clubs are getting involved to help make the ride an even bigger success this year.

The Mini Car unit invited me to drive their pace car for the Edgerton Tobacco Heritage Days parade on Sunday, July 17. This brought back memories of raising tobacco when I grew up in the Viroqua area. Lady Mary Ellen and I were honored guests at the annual Mini Car picnic at the beautiful property of Austin & Connie Tronnes. I was given the opportunity to show off my fishing skills in their pond. Miles Bradley determined I would have better luck in the water rather than fishing from the pier. So he willingly helped me into the water, with a splash. I showed Austin two things that day: 1) there really are trout in his pond and 2) that ZOR Shriners are Hooked on Helping Kids. Many thanks go out to the Mini Car unit and the Tronnes family in making this a memorable outing.

Saturday, July 23 was an activity-filled day that started out in La Crosse with the ZOR Shriners Ride from LaCrosse to Madison. The ride was proceeded by a quarterly meeting at the Zor Shriners Center and ended with a steak fry for the Shriners, Ladies, friends, and possible new candidates that either participated in the ride and/or attended the meeting. Fez's go off to the ZOR Midgets mini car unit that coordinated the motorcycle and classic car ride, making this a new fun outing for ZOR Shriners. This is just another way that we are able to revitalize our clubs and units by having events that bring together ZOR Shriners from all areas of our widespread territory to raise funds for the fraternity and have fun doing it.

The last Saturday of July, Lady Mary Ellen and I will be busy attending the

Potentate Party sponsored by the La Crosse Shrine Club at Jansky's Eagles Nest, overlooking the Mississippi River. The experience is breathtaking as you look over the Mississippi River and can view the borders of three Midwest states.

The following day we have Shriners & Masonic night at the ballpark in Wausau. The local Wisconsin Woodchucks will play the Wisconsin Rapid Rafters. Local Lodges & Shrine groups in the Wausau and Wisconsin Rapids area are invited to come together for this event. This is a great opportunity to meet with our Blue Lodge brothers and families to introduce them to what Shriners do and also invite guests that may be interested in learning what Masons are all about. We just keep focusing on REELING IN new members.

August's first major travel will be to Winnipeg, Canada for the Midwest Shrine Association Summer Session. The Divan and several other units will hop on a bus and head north to Winnipeg to represent the ZOR Shriners. The Khartum Shriners of Winnipeg promise a fun-filled event from August 4 - 6.

Other events for the month that will keep Mary Ellen & I busy are the Potentate party by the Heart of Wisconsin and Vernon Shrine Club.

Are you getting ready for the Reelin' & Rockin' with the 50's Potentate Ball? Mark your calendars for September 17! The day will start with a classic car show and conclude with dinner and a sock hop. So bring your classic car, wear your 50's and 60's attire, and get ready to enjoy an evening of fellowship and kicking up those heels on the dance floor.

I hope you're enjoying your summer. Let's keep reeling in those new members.

We are Hooked on Helping Kids!! Let's have fun doing it!

Peace be with You,
 Potentate Steve Peterson

Shriners and Masons Knock One Out of the Park

Photos and story by Todd Wohlert

Hot. Balmy. Overcast. Those were the conditions Saturday July 9 in Madison but it was a sellout crowd at the Duck Pond. Thousands of people came to enjoy Madison Mallard baseball action, including many members of the Zor Shriners and Hiram Lodge No. 50. It was a very special occasion for both groups – they were there to present 2 (AED) Defibrillators to the Mallards for use in their facility.

Ted Erickson from Hiram Lodge explains how this presentation came about: “Starting last year during the Madison Baseball Mallard season, my daughter - Lisa Erickson AKA “Millie the Duck” - was experiencing some medical issues during a game. Well, my daughter having been involved with Job’s Daughters for many years knew of the AED Defibrillator program through the Wisconsin Masonic Charity Foundation and approached me last fall about the program. It being too far into the 2010 baseball season there wasn’t enough time for (a presentation). I spoke with Conor Coila, General Manager for the Madison Mallards, and they also felt the need for the AEDs.

“I approached Past Potentate John Thorstad last fall to see what they thought about doing a joint effort in getting the AED’s together. He brought it back to the Zor Shriners Director staff. John and I chose the date for the presentation July 9th, 2011 and together made a fun family outing for all. Potentate Steve Peterson and W.M. Jerry Roscoe from Hiram #50 each threw out an honorary 1st pitch of the game.”

Other highlights included the Zor Color Guard presenting the flags of our country, state, and more while Bill Gant sang the National Anthem. Nobles and Ladies dined on brats, burgers, chicken breasts, and all the fixings plus ice cold liquid refreshment. This is the 7th year that the Zor Shriners have enjoyed hospitality and notoriety at a Madison Mallards game.

The Madison Clowns were enjoying the event and pointed out that there were no Funsters at the event and they wondered if perhaps that the Funsters were lost and went to Wausau instead of Madison for the baseball game.

Other notable events are the game were all the fun door prizes that the Director’s staff gave out and Tom Nelson almost getting hit in the head with a foul ball. He said that the ball probably wouldn’t have caused much damage if it had connected.

By the end of the evening, the Mallards fell to the Wisconsin Rapid Rafters 7 to

2 but the enthusiastic local crowd was treated to a fireworks display nonetheless.

Tom Nelson PP shared his thoughts: “This is a great outing for the Shriners, to showcase our (organization) ... and this is great outing for the family. It’s really a fun event to attend.”

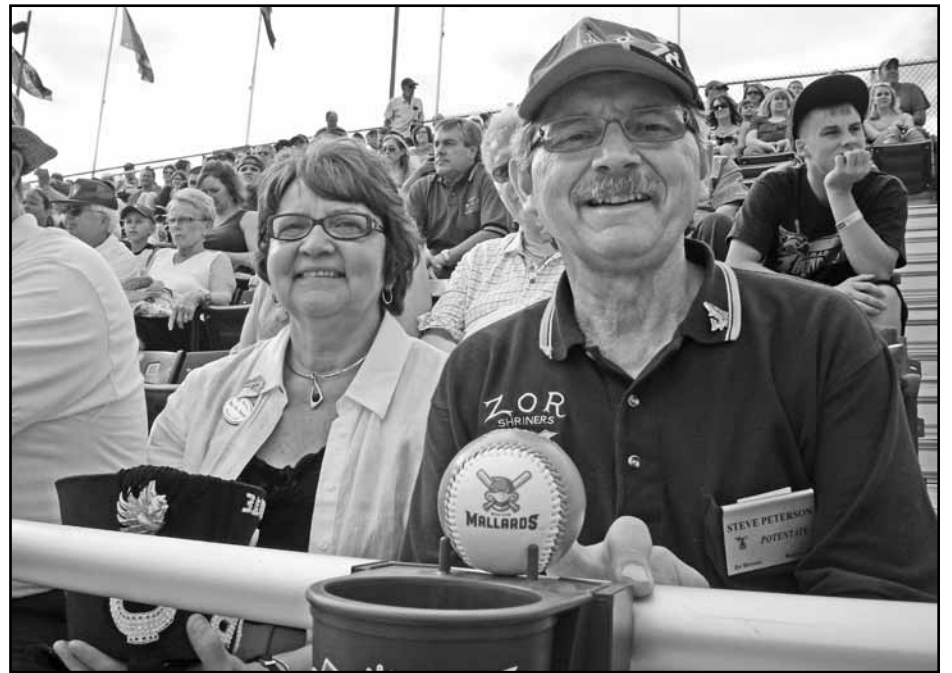

“Good time,” said Chuck Porter, member of Director’s Staff. “Good attendance. Great door prizes and hospitality.”

John Thorstad PP and member of Director’s Staff had this to say: “The event went very well. The Mallards were very pleased with our donations of the defibrillators... and our 4 door prizes that we give away (to the crowd) to get the name Zor Shriners out in the public. Great crowds – it was a sellout. We’ve got fireworks tonight and there were plenty of giveaways! Everybody has a good time here. I didn’t get to see Steve throw his pitch. I’m told that it didn’t make it all the way to home plate but everyone tries their best.”

“The event was great,” said Larry Hanson High Priest & Prophet. “Good weather – well, it was a little bit warm, but it was great. The #1 Clown Unit is here but the #2 unit hasn’t shown up yet. (Or is it #11?) It’s always a great time. The Directors Staff does a good job with this (event).”

Potentate Steve Peterson gets the last word: “It’s a great night. It’s summer time; it’s baseball time. This is the 7th year that we’ve put on the Color Guard for the Mallards. Beautiful evening, good crowd out here, and a good turnout by the Zor Shriners – that’s what it’s all about: good fellowship and having a good time. We donated a defibrillator to the Mallards. We know that it can be of great use to them. The owner was very appreciative because he knows how (the AED) can help them. He definitely supports us Shriners because he knows the good work that we do – it’s all for the children.

“I want to thank the Color Guard for coming out and thank Bill Gant for his singing. Thank you to the Director’s Staff for organizing this event and having all the door prizes. This shows how fun we have – how much fun we CAN have – and we need to do more events like this around Zorland. I’m looking forward to the baseball game we’re gonna have in Wausau between the Woodchucks and the Rafters. It will be a joint event between the Masons and the Shriners, just like this event.”

There's Trout in the Tronnes Pond!

Story and photos by Sheri Severson

Potentate Steve Peterson and Lady Mary Ellen were welcomed to the Tronnes home on Sunday, July 18 as the guests of honor for the annual Mini Car Picnic. Cooks Eddie Riddle, Bobby Riddle, Austin and Connie Tronnes were given many kudos for their efforts in preparing and serving a wonderful picnic lunch. Grilled corn, brats, pulled pork sandwiches, baked beans, and pot luck dishes were on the menu and everyone enjoyed a great feast.

The Edgerton Tobacco Heritage Days Parade kicked off at 11:30 AM from the Edgerton Community Hospital with a number of Zor Units entertaining the crowds: Zor Clowns, Wranglers, Pipes & Drums, and the home town boys – Mini Cars. Potentate Steve was a bit anxious to get behind the wheel of these small vehicles as he is used to paddling his canoe down parade routes with the Wausauken Indians. But holding true to form, Potentate Steve made his way through the parade without breaking down and made it to the end.

Lunch was ready for everyone as they were trying to escape the heat of the day – it was only 91° with a heat index of 101°; but the pond and breeze made the afternoon a bit more comfortable. Kids of all ages enjoyed the cool water as they swam to and from the floating raft, paddled in the inflatable boats, and played on the sandy beach.

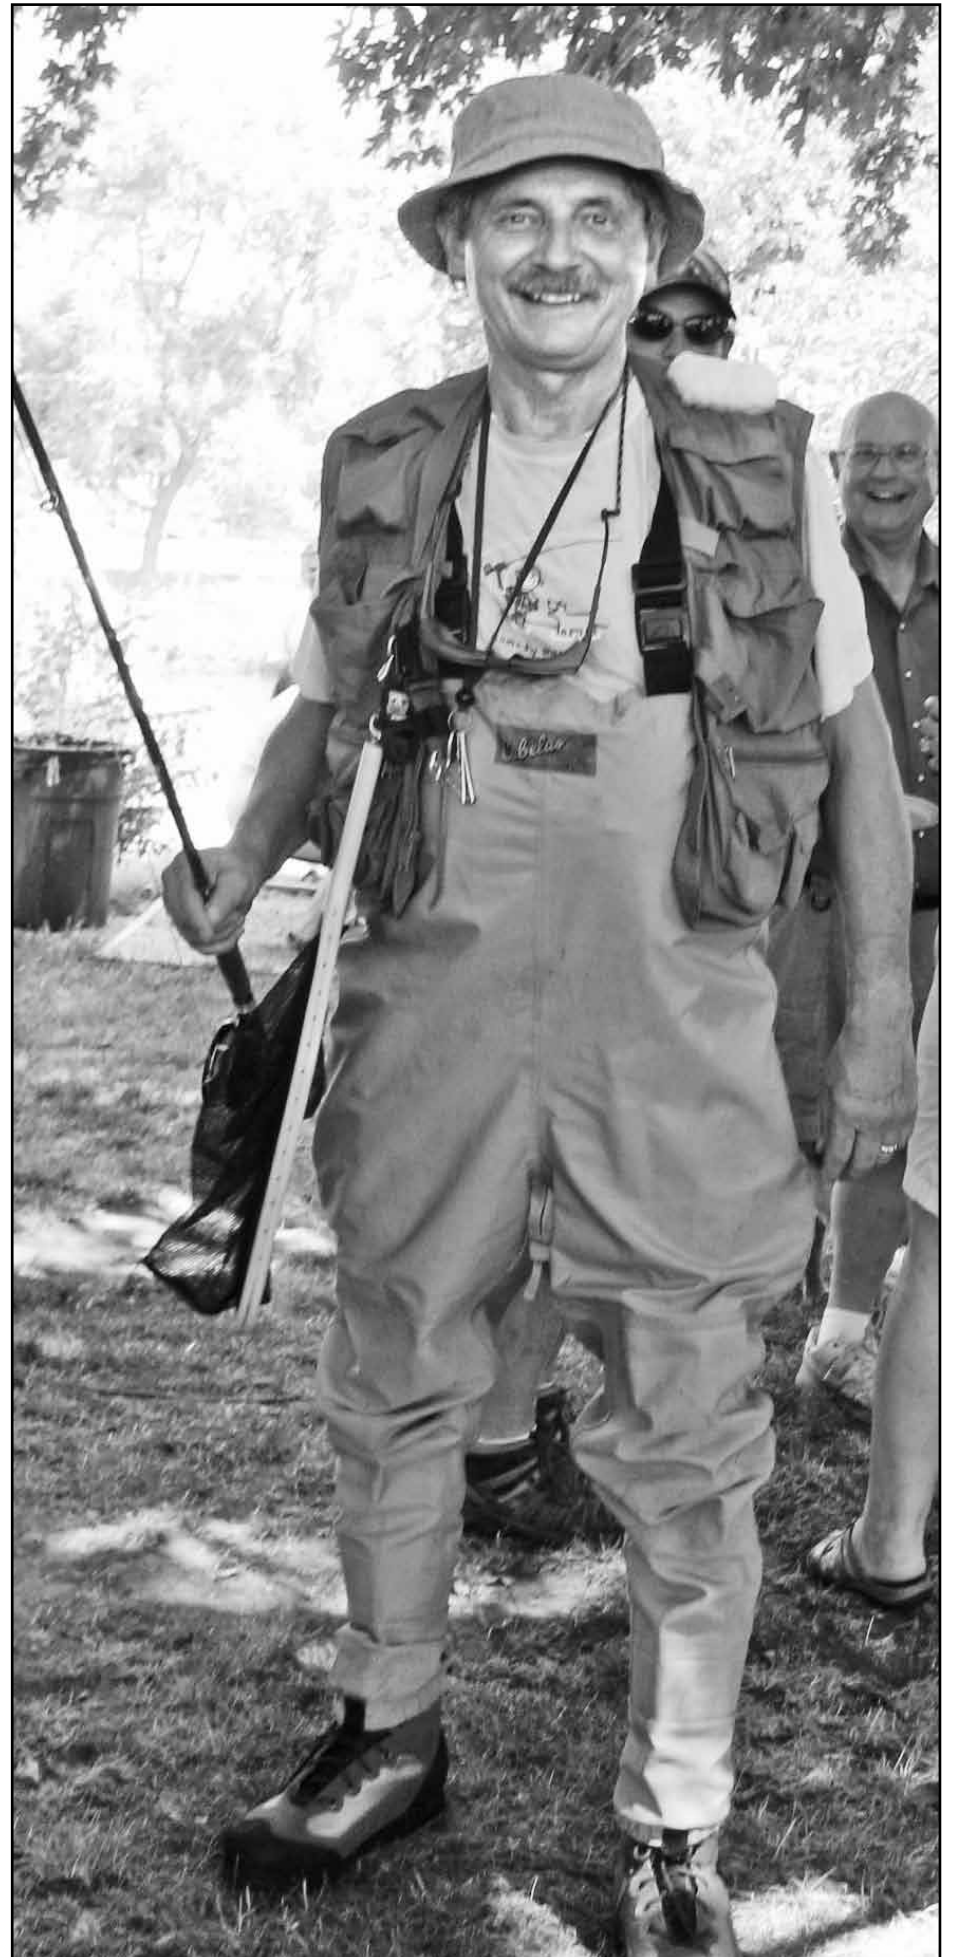

The water sports were not only for the little kids, but the big ones too! Potentate Steve and Lady Mary Ellen were summoned to the dock by Miles Bradley, coordinator of the event, to honor their efforts as the leader and first lady of Zor. Presenting a gift to Lady Mary Ellen, Miles wished them both a great year and thanked them for their service to Zor. Lady Mary Ellen thanked Miles and the Mini Cars for the lovely crystal vase. She said that the vase would be perfect to

display lilacs (her favorite spring flower).

The fun was just starting as picnickers were waiting for the special event. Not knowing if there were any trout in the pond, Potentate Steve came prepared to catch one or two, bringing his own fly reel and pole, waders, and his fearless fishing hat - "driftless angler". He was ready to cast and catch the mighty trout! Miles explained to him (and the crowd) that Potentate Steve didn't need his fishing pole, but that the trout were a special breed – they would jump to get caught.

Miles and Steve took several steps up and down the dock as they watch for the trout to "jump into Steve's pocket", but alas, not one came out of the water. Instead, Miles used his steady hand and launched Steve into the water so that he and the trout could meet one-on-one. Lo and behold, Steve pulled his prize trout from the pocket of his fishing vest and proudly presented it to the Nobles, Ladies, and guests. Being in the water had a 2nd advantage as Potentate Steve was able to cool off a bit. He and Lady Mary Ellen thanked the Mini Car members and their ladies for a great party and wonderful hospitality and asked every Noble to "Reel in" a new member.

The party brought out a bit of competition between the sweet corn eaters. This year there were several vying for the title of "King/Queen of Corn". PP John Thorstad, Noble Miles Bradley, Ally, and Angela did their best to finish the mounds of grilled corn. Grill Chef Eddie Riddle did his best to keep everyone happy and the corn piping hot! Seems PP John won the contest, eating 13 ears of corn. We're not too sure who came in 2nd, but the others ate more than 9 pieces each. The partiers were very grateful to the Mini Cars and the Tronnes family for their hospitality and for hosting a great party! Thank you to everyone who made the party fun and a great success.

The Potentate is ready to REEL 'EM IN!!

Is that the bait or is that the catch? Either way, it's smiles all around.

Imperial Session 2011 –What a Wonderful Time for Everyone!

Story and pictures by Sheri Severson

With a full delegation representing Zor, Divan members and Past Potentates were kept very busy as they attended sessions in Denver at the Colorado Convention Center, July 3 to 7. Everyone arrived safely, on time, and without lost luggage.

The sessions were very informative and enlightening as business was conducted on behalf of the Iowa Corporation (Fraternal) and Colorado Corporation (Shriners Hospitals for Children®). Potentate Steve Peterson was assigned the responsibility of Captain of the Guard during the business sessions, PP John Thorstad served as Imperial Marshall's Aide, and PP Mark Severson manned the Membership Booth.

New to the sessions this year, Divan member Larry Hanson had this to say "In attending Imperial sessions, you gain

much insight on Hospital issues and how the Colorado and Iowa corporations work. Valuable information is there to be gained in meeting with counterparts outside of the Midwest. It is of vital importance for us at Zor to continue with all of the available training we can get. From seeing other Temples and how some work, Zor is far ahead of them in our efforts to have a good temple. As this being my first year to attend, I gained much from this experience."

Divan member Bob Gorsuch gave this quote: "I really don't know how an elected officer of the board (Divan) can effectively help lead his Shrine without attending the annual Imperial session."

Michael Severe was elected as Imperial Potentate to serve Shriners

International for the 2011-2012 year. Newly elected Imperial Outer Guard, Jim Smith is familiar with Zor as he first became a Shriner of Zor when he lived in Phillips, Wisconsin. This was his first attempt in running for Imperial office and was successful in his bid. Shriners International had a net loss in membership in 2010 of 14,798, bringing the total members down to 325,250; there were 14,100 suspensions during this past year. A proposed new temple was requested in the Philippines and will likely be granted their charter in 2012. Emirate Shriners were given their charter as a new temple in Germany.

The ladies were active in the events which occurred during the week, with a delegation attending the Imperial Ladies

Luncheon where they were entertained by a very funny comedy act. As Lady Mary Ellen put it "we laughed so hard that we will live much longer" (Laughter is the best medicine).

Zor was very proud to see its Pipes & Drums unit lead the Imperial Parade with the fellow pipers from other areas of the country and world. The cadence was steady as the drummers kept the course through the parade route and the pipers brought musical entertainment to everyone. Watching the parade in 99° heat was a bit unbearable, but everyone stayed to watch Zor's entries in the parade and take pictures of the Pipes and Drums and Noble Ron Jakes as he drove the newest semi-trailer sponsored by Oasis Shriners. It was a site to see, especially at the Imperial viewing stand when members of the Imperial Divan stopped the semi, where Noble Ron opened the door to greet them and explained the trailer program to them. What a proud moment for Zor! Great job to everyone involved

The pipers had their own barnstorming session in Denver as they visited the Zor Delegation in the Grand Hyatt hotel where they were able to serenade a newly married couple with an Irish wedding song (it brought tears and smiles of joy to everyone in the lobby).

After a few bottles of water, the Pipes & Drums were on their way to the Imperial Headquarters Hotel, the Hyatt Regency, where they were the hit of the day. They took a few minutes to perform in the George Carden Circus Hospitality room and were also able to perform their competition program for the Imperial Potentate George Mitchell. Imperial Sir George was so impressed by their

performance that he presented each of them with one of his pins. The group also performed a special song for the Divan of the Emirate Shriners from Germany; their charter for a new Temple was approved at this years' business session.

The group enjoyed several dinners together and especially enjoyed the evening at the Chop Yard, where they met a very nice couple with a small baby who were so impressed with the group that they spent their dinner time sharing their experiences (and let the ladies hold the baby). One highlight of the evening was sitting next to fellow Shriners from Osman and Khartum; the jokes and toasts were abundant as everyone enjoyed a great time. This was a popular eating place as the newly elected Imperial Outer Guard Jim Smith was also sitting nearby and shared in the fun and fellowship with Nobles and ladies of Zor.

It was a great experience for everyone who attended; much was learned about the fraternal and charitable aspects of the Shrine along with meeting counterparts to share stories and activities.

Two of our Nobles found each other while on full deployment. They both were, by chance, on the same base, and Lisa was able to get them connected to meet each other. Mehara Shrine Club Enjoys Busy Summer

Photos and story by J Kevin Johnson PP

Mehara S.C., for a number of years, has partnered with the Eau Claire Express Baseball Team for food service at the Mehara annual Shrine Circus. To help promote the circus this year, a Shrine/Masonic night was planned with the Express. June 6th, Shrine Club members and Ladies greeted folks coming to the game and handed out free kid's passes to the circus along with Shrine/Masonic information as well as an Imperial handout on backpack safety. Circus Chairman Daryl "Cork" Spagnoletti threw out the first pitch.

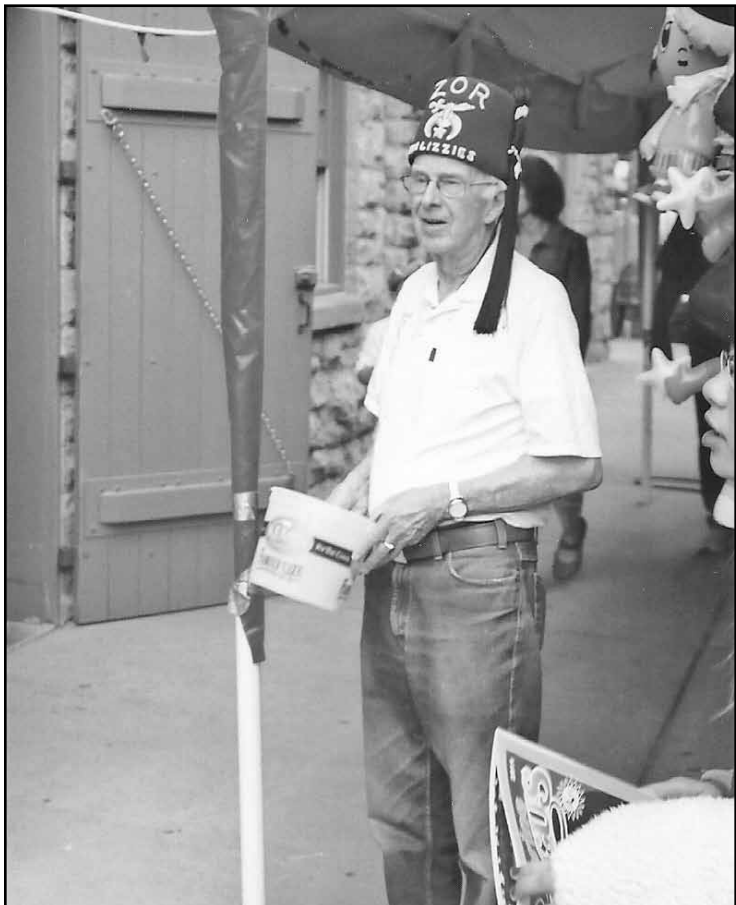

June 14-16 found the Mehara Shrine Club putting on the 64th Annual Shrine Circus in Eau Claire and Menomonie. Much community excitement was raised and everyone looked forward to six great shows. However, for the third year in a row (with the shows being outside) at least one day was rained out. Carden Circus International again brought us great entertainment which was enjoyed by all.

A group of Shriners who enjoyed the Express game and greeted the many fans.

Sawduster Darcy Fields greets kids and makes a balloon for them to enjoy.

Left, Tom Bush, who for many years has been a ticket taker, stands ready for the beginning of the Tuesday show.

Above, Mehara Treasurer Jim Weaver and his helper for the day, Ranie Smeltzer, count tickets.

Wausau Potentate's Ball will "REELIN & ROCKIN"

The Zor Shriners Potentate's Ball to honor Potentate Steve Peterson and Lady Mary Ellen will be Saturday September 17th at the Holiday Inn in Rothschild (suburb of Wausau). Now is the time to dig out your poodle skirts, school letter jackets, saddle shoes, and those cat eyed or wide eye rim glasses as there is no formal wear or fezzes that evening.

The day's activities start with a car show from 1:00pm to 4:00pm. There is no entry fee but there are trophies for the top 3 vehicles, so make sure you spiff up your hot rods and get them entered in the show. Trophies will be given out at 4:15pm in the hospitality room.

Every attendee is requested to bring a picture of themselves from the 50's and

60's era that may be hung on the bulletin board for display.

Emcee Tom Nelson has announced the social hour will start at 4:30pm, followed by the Grand March at 5:45pm, and dinner at 6:00pm. The String Cheese Band will provide the dancing music after the dinner plus there will be a hula hoop contest.

The cost is \$45.00 per person (coupon on page 11) with a menu choice of chicken piccata, Kabeelo Lodge (pan fried) walleye, or a vegetarian meal on request.

Contact the Holiday Inn to reserve your room for 1 or 2 nights at a Zor Shrines rate of \$79.00 plus tax per night by calling 1-715-355-1111. August 26th is the firm cut-off date for both the meal and hotel room reservations.

Potentate Recaps the ZOR Variety Shows

Variety shows were definitely family entertainment for the 12 cities we had performances and for their local communities. They were in Wisconsin Rapids, Stevens Point, Marshfield, Beaver Dam, Beloit, Wautoma, Medford, Hayward, Lancaster, Monroe, Baraboo, and Viroqua. The shows were very entertaining for the kids and adults that attended the shows. The acts varied from the magic of Charles and his Lady, the Ariel acrobatics, a juggler from Columbia, plus the lighting fast changes of costumes and magical transformation act done by a Russian couple. Several acts involved participation from the audience. All in all, the shows were well received by the audiences.

The ZOR clowns units from the Funsters, Madison, and Jesters brought added entertainment before the Variety Shows began and also at intermission. The great help from the Nobles and Ladies at

each performance in selling programs and taking tickets made it a fun filled event for ZOR Shriners. This was definitely a successful new fundraising venture for ZOR Shriners. A special "Thank You" goes out to ZOR Noble Bob Sands and his company Sands Promotions as our promoter in making this a successful and profitable event.

We still have two upcoming Variety Shows in Rice Lake and River Falls. The Rice Lake Show is sponsored by the Indianhead Shrine Club and will be on Saturday, September 10. The one performance will be at 3:00 PM located at the UW-Barron County Fine Arts Center-Theatre in Rice Lake. The River Falls show is sponsored by the St Croix Shrine Club and will be on December 12, 2011. Again, one performance will be at 6:30 PM located at Riverview Hotel & Suites in River Falls.

Brachial Plexus Treatment Available in Cincinnati

All Services Provided Regardless of the Patients' Ability to Pay

Brachial plexus injuries are often seen in sports injuries, car accidents, as well as in newborns. The injury occurs when the nerves in the shoulder area are stretched. Patients experience a loss of movement and sensation in the affected shoulder and arm area. If the injury is severe enough, a complete loss of function in the affected extremity is possible.

Shriners Hospitals for Children® – Cincinnati has reached out to help children with brachial plexus injuries. Some brachial plexus injuries will heal on their own, but when surgery is indicated, the pediatric plastic surgery team at the Cincinnati hospital has the

expertise to treat these injuries. Every brachial plexus injury is different and the response to treatments varies. Through periodic clinic appointments, doctors and therapists monitor changes in a child's range of motion, ability to complete activities, and ability to use the injured arm.

Why choose Shriners Hospitals for Children – Cincinnati

- **Special expertise.**
Shriners Hospitals for Children surgeons use advanced microsurgical techniques (including nerve and muscle transfers) to repair damaged brachial plexus nerves, muscles and tendons.
