Illustrious Sir **STEVE LIVERNASH**

IMAGINE THAT… THE FRUITS OF OUR LABOR

As another parade season comes to a close, we're beginning to see the fruits of years of planning, dedication, and hard work throughout Zor Shriners. The foundation laid by Past Potentates, Divans, club and unit leaders, Nobles, ladies, and families continues to provide opportunities for our fraternity to grow.

Our goal has never been to reinvent Zor, but to build upon what others have accomplished, strengthen what we have, and prepare for those who will follow.

Being relevant in today's world means being seen, being recognized, and giving people a reason to belong.

Artificial intelligence, social media, and digital communications are changing how people discover organizations. If we're not sharing our story, we risk becoming invisible.However in hometown and rural Wisconsin, a handshake, a lodge visit, or a parade down Main Street can still accomplish what technology alone cannot.

We need both. Digital marketing creates awareness, personal contact builds relationships, and fun and fellowship keep those relationships alive.

This year, nearly all our Zor units have been active. Some have grown, others have returned to the parade routes, and our new Zor Drifters are preparing eight to ten big-wheel drift trikes with a team of approximately 15 members for next spring. The Visioneers and Funsters will continue into the holiday parade season, promoting the Feztival of Trees.

Our Zor-wide gathering in Vesper reminded us why these activities matter. Units from across the jurisdiction came together for a parade and public showcase, but perhaps the greatest reward was seeing old friendships renewed among Nobles, ladies, and families. The unit banners proudly displayed that day have continued appearing throughout Wisconsin, creating a recognizable Zor presence.

This past weekend's Shriners Craft Show in Arnott offered another example. Our new Zor tent, unit banners, and lighted Plinko Fun Zone helped introduce visitors to Zor while supporting Shriners Children's Twin Cities. Divan members were present both days to answer questions and share our story. Simple efforts, working together, create lasting impressions.

Membership has been a primary goal, and the combined efforts are beginning to show results.

Our CRM system is helping improve communication, promote events, and identify opportunities in new communities. Club presidents and unit leaders, please take 15 minutes to learn what this system can do for your group. You can manage your own communications, notifications, and calendar activities while keeping members connected.

At the same time, traditional visits to Masonic lodges are renewing relationships and introducing Zor to prospective members. Together, these efforts have brought new interest, revitalized clubs, and growth opportunities. We may even finish the year with positive membership numbers.

We cannot control the Black Camel, but we can control the experience we offer our members. **Recruitment brings a Noble through the door. Fellowship gives him a reason to stay**. Creating value in membership is just as important as gaining new members.

Zor is fortunate to have years of thoughtful planning, investments in technology, dedicated leadership, and financial stability behind us. Experiences shared among the 202 other Shriners temples have also provided valuable lessons. Our new strategic plan for 2027 will build upon that foundation, establishing common goals, responsibilities, and continuity from one year to the next.

A plan is only valuable when people work together to put it into action. The purpose isn't to create more work, but to make Zor more organized, connected, and enjoyable for everyone.

Imperial Sir Jim continues to remind us to return to **fun and fellowship**, the very principles upon which our fraternity was founded in 1872. Technology, marketing, and strategic planning should support those traditions, never replace them.

As we look toward 2027, there's reason for optimism, not because every challenge has been solved, but because efforts begun years ago are coming together. Our units are active, communication is improving, membership opportunities are developing, and we're laying the groundwork for continued progress.

To everyone who has contributed to Zor's past and present, thank you. Each generation has helped plant the seeds, and together we're beginning to see them grow.

We won't measure our success by what we accomplish in one year, but by the opportunities we leave for those who follow.

Keep sharing our story, inviting others to join us, and enjoying the friendships that make Zor special.

Imagine That!

Illustrious Sir Steve Livernash

Message from the 2026 Chief Rabban

Closing Out the Parade Season with Gratitude and Purpose

It is hard to believe November is already here. The year seems to have flown by, and as another parade season comes to a close, I hope everyone can look back on the fun, fellowship, and memories we shared along the way.

Now comes an important question: How can we make the most meaningful use of the funds we worked so hard to raise throughout the year? Under Shriners International guidelines, our giving should primarily support our unit, our Temple, and Shriners Children's, while local organizations may receive up to $1,000 annually.

We are often reminded by Imperial that the hospitals are in good financial shape and that investing in our units and Temples is another meaningful way to strengthen the work we do together.

For those who want to make a direct difference in the lives of children and their families, the Zor transportation fund is a wonderful option. These funds help cover travel expenses for families and children traveling to important appointments and can also assist with hotel expenses. Sometimes the journey to care is a burden of its own, and helping ease that journey is one more way we can stand beside the families we serve.

The Zor general fund is another important place to consider. It helps cover insurance for our clubs and units, supports marketing assistance through Anessa in the office, and helps provide club and unit training at our annual meeting in January. These resources help keep our organization strong and prepared for the future.

We should also remember the value of reinvesting in our own units. Funds can help keep equipment in good working order, expand what a unit can offer, help purchase a fez for a new member, assist new members with the cost of attending Ceremonial, support officers attending annual-meeting training, or help offset members' expenses to attend MSA. Each of these investments helps strengthen our membership and ensures our traditions continue for years to come.

As we close out another year, the Zor Divan and I offer our heartfelt thanks to every one of you. Your time, generosity, dedication, and willingness to serve make a real difference. Thank you for everything you do to support Zor, Shriners Children's, and, most importantly, the children and families at the heart of our mission.

Ron Malcolm - Zor Chief Rabban

RECORDER BOB'S CORNER

• Please send the results of your Club or Unit's officer elections to the Zor Temple Office no later than November 30, 2026.

• Prior to December 31, 2026, an updated membership roster of members of each Club and Unit needs to be submitted to the Zor Office.

• If you have someone becoming a Shriner and you send me their Fez size, we might have a Fez someone has turned in to the office that is in good shape and would save the brother $250.00.

• I've been reminded that many do not know what the "Friends of the Zephyr" column in each edition of the Zephyr represents. It is a list of those who have contributed any amount to offset the cost of the monthly Zephyr. Those who are on that list realize the value of having such a fine newsletter. Just send donations to the Zor office.

• A reminder for all Units & Clubs: year-end financials as of 12/31/26 are due prior to January 31 of next year. Forms will be sent from the office late November – early December.

Potentate's Appointments Are For One Year Only

When a Potentate's term of office expires, all appointments made by him during his administration terminate, according to the Imperial Code.

Such appointments include ALL appointed officers, Potentates Aides, members of committees and their Chairmen, Special appointees, Directors, Assistant Directors and all members of the Potentate's Staff.

Some Nobles have mistakenly believed, or assumed their appointments to be permanent. Not so! Each Potentate, when installed in office, must make his own appointments, including Divan appointments.

The Potentate has the power and authority under Imperial Shrine Laws to replace every appointee, or he may, if he believes it to be in the best interest of the Temple, retain all appointee by reappointment.

Traditionally, for the sake of efficiency, many Nobles demonstrated ability are continued in office or appointed by reappointment. But this at the will and pleasure of the incoming Potentate.

In no case is he bound by his predecessor. By the same token, in no case can any Potentate bind his successor.

If it is the will and pleasure of the incoming Potentate that the Noble is to continue in his office or position by reappointment , he will be notified by the Potentate to that effect.

Should any Noble not holding appointment by the new Potentae wear a Fez carrying any title auch as "Aide" or any other designation, he does so in violation of the Code.

Some Nobles seek to perpetuate an appointment fictitiously by adding to the lettering on the Fez the year or years of their appointmnet.This is a violation of the Imperail Law. The offenders may be uninformed; but... Ignorance of the law is no excuse.

Shriners Children's Care Helps Caleb Run

HIS ORTHOPEDIC AND REHABILITATION JOURNEY INCLUDED RE-LEARNING TO WALK MULTIPLE TIMES

Caleb, 13, has spastic diplegia cerebral palsy. "It happens in my legs where some of my muscles are very tight and they need to be loosened," said Caleb. "My mind is telling me that my body should be able to do something but the body's just not responding." Relatives recommended Shriners Children's team approach to CP. "From day one we left with equipment, and we left with a plan of action, and sort of like a promise that we're going to figure this out. And it's been a promise kept ever since," said Alex, Caleb's dad.

Treatment has included braces, and Botox injections and physical therapy to reduce overly tight muscles caused by CP. Caleb also had rehabilitation after advanced nerve surgery and a surgery that realigned his hips and feet. "Being able to walk again after the surgeries. It's a major milestone that all my physical therapists help me with here." Thanks to Shriners Children's care, Caleb is now able to run a mile and he recently learned to ride a bike, giving him new independence with his friends.

A Special Evening With Illustrious Sir Steve Livernash

Nobles and their lovely ladies from throughout the St. Croix Valley gathered on October 6th for a very special evening celebrating our Illustrious Sir Steve Livernash and his many contributions to Zor Shrine.

During the social hour, a special Cold Sands ceremony was conducted for our newest Noble, Ben Kusilek. Key members of the Divan—Chief Rabban Ron Malcolm, Assistant Rabban Mike Kastens, and Oriental Guide Mark Mayry—administered the ceremony in front of the 45 Nobles and guests in attendance. It was a particularly meaningful and memorable moment for Ben and his family. Ben is proudly carrying on a family Shrine legacy. Both his father and grandfather were Zor Shriners, making his journey into the Shrine an especially significant continuation of family tradition.

Following the outstanding meal catered by Ridgetop of Prescot, the evening turned toward memories and reflections on Steve's remarkable journey through Zor Shrine. Merl Steffen began by sharing how he came to know Steve, recalling Steve's unique Steam Punk creation and the lasting impression Steve has made on him.

Mike Kastens followed with reflections on his friendship and connection with Steve, sharing numerous heartfelt examples of Steve's outstanding personal qualities and the special Noble-to-Noble relationship they have developed over the years.

Chief Rabban Ron Malcolm then shared several stories about Steve, reflecting on their brotherly interactions and the deep respect and appreciation he holds for him. His words captured the genuine friendship and fellowship that exemplifies Steve and his leadership and are such an important part of the Shrine experience.

Steve then had the opportunity to share his own thoughts and reflections on his Zor Shrine journey. In his uniquely genuine and heartfelt manner, he spoke about his experiences within the Shrine, his perspectives on humanity, and his sincere gratitude for being a Shriner. His words provided a fitting and meaningful reflection on an evening dedicated to celebrating him. The audience then gave him a standing ovation.

The evening concluded with the presentation of gifts to Steve and his Lady Koral, offering a small token of appreciation for the friendship, fellowship, and many memories they have shared with the Nobles of Zor Shrine. Steve received a round disc acrylic award with full color imprints of Steves Potentate's pin and coin. Lady Koral received a donation to her pet therapy project.

SHRINERS 1872 to 2026 and Beyond!

STEAMROLLING INTO THE FUTURE!

IMAGINE THAT!

The Story Behind the 1872 Shrine Time Machine

Imagine a luxurious 1872-style private railroad carriage traveling through time, with backward-spinning wheels, steam, flickering lanterns, and mysterious gadgets!

Welcome to Steampunk, a fantasy world combining British Victorian elegance, Industrial Age machinery, and futuristic inventions that never existed!

Three years ago, while recovering from illness, Illustrious Sir Steve Livernash of the Zor Visioneers imagined combining all three into one extraordinary creation. The 1872 Shrine Time Machine was born! A little Chitty-Chitty Bang-Bang, 20 Leagues Under the Sea, and Willy Wonka-inspired work.

From Imagination to Reality

It began with a sketch and then the hunt for parts, starting with an antique vis-à-vis carriage, formerly used for horse-drawn rides in a Milwaukee park. Needing repairs, it found new life atop a 1992 Yamaha six-passenger golf cart frame, cleverly hidden beneath its Victorian exterior.

A 13-horsepower Predator electric-start engine replaced the original motor. New tires, brakes, and two sound systems were added. Chain-driven steering connects to a wooden ship's wheel, while extended pedals reach the elevated driver's position. Suspension modifications keep the carriage stable.

Three sections bring Steampunk to life:

- **Front — Futuristic Fantasy:** Repurposed gadgets, mysterious controls, and mechanical oddities transformed into working features.

- **Center — Industrial Age:** A vintage welder housing, smokestack, concealed commercial fog machine, and repurposed urn create the illusion of industrial steam power.

- **Rear — British Victorian Elegance:** Original red seating, ornate King Louis-style headboards, an 1882 steamer chest, royal crest and a magnificent five-foot Victorian parasol shipped from England.

The Wheels Bring It All Together! Victorian styling, industrial strength, and futuristic fantasy unite as the wheels and clock hands spin backward while the carriage moves forward!

Steam fog, smoke-filled bubbles, music, and flickering lanterns complete the mystical experience. With parts from so many places and eras, Johnny Cash's "One Piece at a Time" certainly comes to mind! Petey the Parrot rides along and confuses the crowd while the Shrine symbols are hidden in history, where only a Shriner will pick up on them.

And Phase Three is coming… Imagine That!

Why 1872? The Original Story

In 1872, Walter M. Fleming and William J. Florence founded what became Shriners International, built upon Fun and Fellowship among Freemasons.

Our extraordinary philanthropy through Shriners Children's grew from those roots, but friendship, fun, and fellowship remain the foundation of our fraternity.

During 2020–2021, Imperial Potentate Jim Smith, a fellow Zor Shriner, encouraged Nobles to "Get Back to Fun and Fellowship." That message helped inspire the Time Machine.

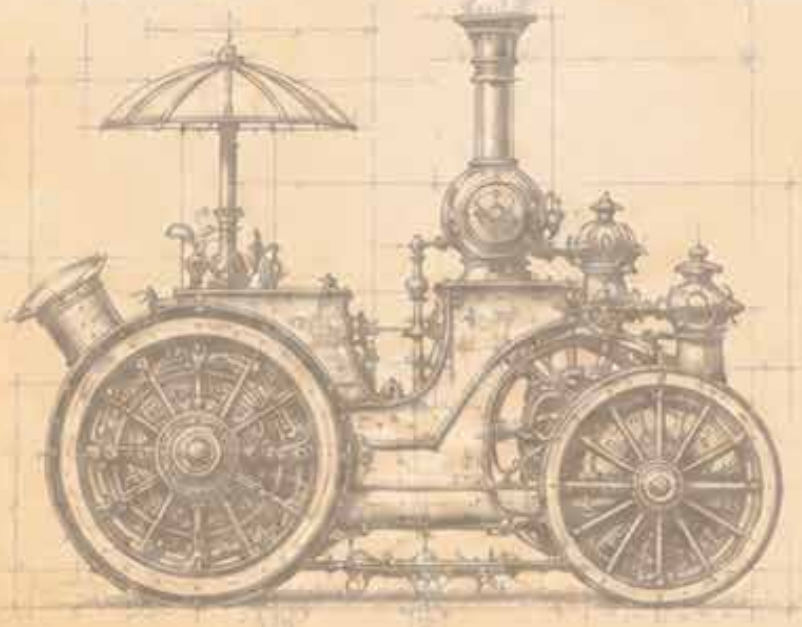

Its backward-turning wheels symbolize our roots, while the machine itself represents the imagination, teamwork, and ingenuity moving our fraternity forward.

Thanks to Al Plawman, Pet Piggy, and fellow Visioneers, hundreds of hours of designing, tinkering, and dreaming became a rolling celebration of Shrinedom!

Our wheels may turn backward, but our fraternity is moving forward!

From 1872 to 2026 and Beyond… FUN AND FELLOWSHIP WILL "STEAM" ROLL AHEAD!

All Aboard…. Imagine That!

Great Weather and Great Turnout for the Outdoorsmen Shoot!

The weather couldn't have been better for this year's Outdoorsmen Shoot & Raffle at the Sparta Rod and Gun Club! A total of 82 shooters participated in the Trap and Sporting Clays events, making for a fantastic day of friendly competition, camaraderie, and fun.

This marked the second year the event was held in Sparta, and it continues to generate excitement and draw participation from the surrounding communities. From first-time shooters to seasoned veterans, participants of all skill levels came out to enjoy the day and test their shooting abilities.

Shooters also had the opportunity to enter the Lewis Class division, which gave everyone a chance to walk away with a prize, regardless of their experience or skill level. This added an extra element of excitement and made the competition enjoyable for everyone involved.

A special thank-you goes out to all the shooters, volunteers, organizers, and supporters who helped make this year's event such a success. Events like this are a wonderful way to bring people together, build friendships, and showcase the fellowship that makes ZOR Shriners so special.

Mark your calendars! Next year's Outdoorsmen Shoot is scheduled for Saturday, September 25, 2027. We hope to see even more familiar faces and new participants join us for another great day!

Jenn Schaefer Vernig, Queen
Queen of Antioch Temple No. 113
Daughters of the Nile, Madison, WI

Greetings Zorland,

It's hard to believe fall is here and parade season 2026 is in the books!

Antioch had a busy summer and ended the season with a wonderful golf outing September 27th. This year we had over 50 golfers helping us support our cause, including Past Potentate Rodney LaBlanc, a handful of Nobles and our First Lady Koral.The day turned out to be beautiful and so much fun!

October 10th and 11th our friends from Daughters of the Nile Alabet Temple in Rockford celebrated their 100th Anniversary and invited to us join them.

Queen Virginia planned so many fun activities for the weekend.

Antioch had our meeting the morning of October 10th and then Past Queen Regina Fisher and I headed to Rockford for the celebration and fun! As with joining Zor for fun and fundraising, it's wonderful to join our Nile sisters at different temples.

Likewise, our landlords and friends of Middleton Ionic Lodge hosted a delightful Ladies at the Table dinner in September.

The Brothers of the Lodge invite Eastern Star and Antioch to share in a wonderful ceremony and celebration together. It's an event I look forward to each year.

It won't be long until we all gather in Lacrosse for the Winter Ceremonial and the famous Daughters of the Nile Cookie Walk!

Don't forget to bring your sweet tooth Saturday morning. Our ladies never disappoint when it comes to bringing the goodies.

Happy Fall! Queen Jenn Schaefer Vernig

Growing Stronger Together: ZOR Membership News

By Rodney Schultz, ZOR Membership Chair

A pat on the back and a tip of the fez to our newest Nobles and returning members in Beaver Dam! In September, eight new Nobles completed their Cold Sands and officially joined the ZOR Shriners family. Please join us in welcoming:

Michael James Roddy
Terry Klapper
Jacob Cramer
Kristen Kvalheim
John Machkovich
Glen Ingram
Robert Dolen
Jalal Ayan

ZOR also welcomed back four Nobles through transfers and reinstatements, along with previously active Shriners joining our ranks. We look forward to seeing all that this Beaver Dam group will accomplish as part of ZOR Shriners!

Membership Is on the Rise!
We started 2026 with 825 ZOR members, and we're proud to report that our membership has grown to 842! Both August and September brought positive membership growth, and we'd love to keep that momentum going as we finish out the year.

You can help make that happen! Reach out to your fellow Masons and encourage them to consider becoming a ZOR Shriner. Sometimes, all it takes is a simple invitation to introduce someone to the fun, fellowship, and philanthropy that make our fraternity so special.

Need information or assistance talking with a potential member? I'm happy to help! Contact me at: **rodney.schultz@zorshriners.com or call (414) 378-1553.**

Three New Nobles = FREE 2028 Membership!

That's right! Here's another great reason to help grow ZOR!

Through the **ZOR Recorder, Brother Bob Gorsuch Membership Contest**, any Noble who serves as the first-line signer on THREE new Noble petitions between July 1, 2026, and July 31, 2027, will qualify for FREE ZOR membership in 2028!

And the excitement is already building! **Four Nobles have already qualified!** Who will be next?

Finishing 2026 Strong

As your ZOR Membership Chair, it's incredibly rewarding to see all that our Nobles are accomplishing. From recruiting new members to organizing socials, participating in parades, and attending ZOR events, your dedication and enthusiasm continue to make a difference. Your energy is contagious!

As we approach the end of 2026, let's keep that momentum going and finish the year with positive membership growth.

I especially want to recognize and thank our "Irrepressible" ZOR Membership Team for the time, energy, and effort they've put into growing our fraternity. Your hard work is truly appreciated!

Thank you, Brother Nobles, for all you do to make ZOR stronger. Together, we're building an even brighter future!
