15TH ANNUAL ATV/UTV RALLY

LOVE IS ALIVE

From the desk of
Illustrious Sir
BRIAN DUNHAM

Hello ZORLAND!

We all received an email from Imperial Sir Brad Koehn. As I read it, I realized that his message struck a chord with me. I have attended several meetings recently and it is increasingly clear that we as Shrine Masons need to hear this again and again. So in lieu of a letter from me this month I ask that you take the time to read or re-read the letter from Imperial Sir Brad.

Dear Fellow Nobles,

As Masons and Shriners, we have the privilege of building brotherhood with men of every background, sect, religion, and political thought. Far from dividing us, these differences make us stronger. Our desire to serve one another and our community unites us, and gives us to understand that we are each a part of something larger than ourselves.

The recent news has been horrific — a public figure assassinated at a speaking event, another school shooting, the murder of a woman on a train, all happening as the country is remembering the lives lost 24 years ago during the 9/11 attacks. Nationwide, it's sparking shock, sorrow and a lot of conversation.

As Masons, we are committed to unity of purpose. We know that politics and religion can be divisive, and that this division only serves to distract us and detract from our mission. That's why we avoid such discussion within our lodges. This principle of preserving unity has served us well for over 300 years.

As Shriners, we further understand how important it is that our words and actions project character and compassion — because we are the caretakers of our philanthropy. We must protect the reputation of the fraternity, because we rely on that reputation to attract support for Shriners Children's from donors, referring physicians and patient families.

That's why we, in our capacity as Shriners, must avoid interjecting ourselves into passionate political discussions. Fraternity members are certainly able to express their own personal political views, but we must never do so while being identified as a Shriner, while working as a Shriner, or while wearing the fez.

Our calling is higher than interjecting ourselves in the political drama of the hour. We want our fraternity to be seen as a force for good in a troubled world. Instead of being drawn into the fray, let us reflect on these tragic events and strive to grow in understanding and compassion.

Through our words and deeds, we can lead the way in mending our country, demonstrating character, compassion and a devotion to unselfishly making the world a better place for all.

Yours in the faith,

I am PROUD of ZOR Shriners and who we are as an organization and am confident that we will, together, continue to thrive as a ray of light in these turbulent times. Nobles, hold your heads high and be the light the world is desperately seeking.

Fraternally,

Brian Dunham, Potentate 2025

RECORDER BOB'S CORNER

- We still have over 100 Nobles who have not paid their 2025 dues and who, per our bylaws, will have to be suspended if not paid by the end of December. Please contact me if you have any temporary financial issues.
- As of June 30, 2025, there were 166,680 Shriners International Nobles, down from 176,009 a year ago – a 5.3% decline.
- As of December 31, 2024, out of 203 Shrine Temples, Zor had the 61st largest membership! Up from 63rd in 2023.

ATTENTION ALL CLUBS AND UNITS!

All clubs and units of Zor are encouraged to nominate Nobles for the Potentate's Annual Award of Merit.

Here are guidelines to consider:

This award is presented for dedicated and exemplary voluntary service to Zor Shriners and to the Shriners philanthropy, the Shriners Children's (hospitals/clinics), over a minimum of five years.

1. Recognition for outstanding service to Shriner Clubs or Units solely shall be the responsibility of those bodies and the nominee shall not be eligible for the Award of Merit recognition as they do not meet the guidelines.
2. The Award shall preferably be presented to Nobles not otherwise recognized as serving on the Divan or by appointment to prominent positions.
3. No member of Zor Divan or past member of the Divan shall be eligible for consideration until at least five years following being on the Divan; then only for voluntary service that is within Zor's sphere of influence.
4. Nomination can be made by a nomination letter describing why the Noble is deserving of this award, i.e., what activities he has participated in; what offices has he held with the club/unit nominating him; how he has contributed to the shrine philanthropy, how has he been involved with helping children.
5. Normally we request the letters be forwarded to the Zor Shriner office no later than November 1.

While a woman has never received this award, the Potentate encourages such a nomination if a Club or Unit feels it is warranted.

The awardee is selected solely by the Potentate.

All ZOR Shriners and their Ladies are encouraged to attend this annual event. This is a perfect opportunity to top line sign for a Brother from your Lodge to become a Zor Shriner. If you are not sponsoring a candidate this year, you and your Lady are still encouraged to attend and join in all the fun activities of the Ceremonial Day. If for no other reason than to meet the new Nobles, visit with old acquaintances and to make some new Shrine friends.

In addition to the Ceremonial/Parade to Glory, there will be a Men's and a Ladies Luncheon, Service Awards, and the evening Banquet. A marketplace will feature Vet's Patrol Masonic Items, Daughters of the Nile cookie walk, Ladies Auxiliary table with Shriner items, Raffles, etc. Clubs, Units, or other groups wishing a table(s) in the marketplace must email their request to Monte Steiber at mbamsteiber@centurytel.net. A Message from the Membership Chair

Let's Grow the Brotherhood – Together

Dear Noble,

There's something truly special about being a part of Zor Shriners—something that words alone can't fully describe. It's the fellowship. It's the laughter shared at meetings and events. It's the pride of wearing the fez, knowing we stand for something bigger than ourselves. It's the joy of helping children through the incredible work of Shriners Hospitals for Children. Most of all, it's the bond that makes us family.

As Nobles, we carry forward a legacy built on fun, fellowship, and philanthropy—a legacy that has changed lives for generations. And now, more than ever, the future of that legacy depends on us.

It's time to grow. It's time to invite others to experience what we've been so fortunate to be part of.

Somewhere out there is a man searching for purpose, looking for connection, or simply waiting for someone to say, "You belong here." That someone could be your neighbor, your co-worker, your brother, or your best friend. And you could be the one who brings him into the Shrine.

We don't just want more members—we want more men of character. More hearts committed to service. More brothers ready to laugh, grow, and give.

Will you help us find them?

Let's extend the hand of fellowship. Let's share the story of Zor. Let's grow—not just in numbers, but in strength, in unity, and in purpose.

Talk to a Brother. Invite a conversation. Be the reason someone discovers the joy of becoming a Shriner. Because at Zor Shriners, we don't just wear the fez—we live its meaning.

With fraternal pride and deep appreciation,

Al Brueggen
Membership Chair

• VISIONEERS TECH TIPS •

The best password you have, is the one **you don't know**. *Wait, what??*
How is that possible?!

Most people these days have dozens – if not hundreds – of online accounts, and with each of those, have a password. Ideally each password should be unique not re-used on any other website or application and strong. Unfortunately, humans have a limited working memory. It is difficult for us to remember a hundred or more unique and strong passwords; and then remember to which website it is for. In addition, many people use simple, short passwords and then re-use those passwords for multiple different services. This is not a safe or secure practice.

So what can be done to make it safer? There is a class of technology called a password manager. A password manager is a digital vault for your passwords. It can create a long, unique, strong password at random. It then secures that stores it on your computer or mobile device. Some can also auto-fill a login form or application screen with those generated details. Password managers also work to sync your data to multiple devices with that same software installed; phone, tablet or computer. Instead of remembering hundreds of passwords, you only need to remember one strong master password — the one you use to unlock your password manager.

Getting started with a password manager is simple enough. The key aspect is choosing a 'master password' that you can remember easily. This password is used to encrypt and lock your digital vault of other passwords. You then can use the password manager to create a unique and strong password, update that service with the newly generated password and have it SAVE to your computer. You never need to actually know or type that generated password in again; you'll only need to remember your 'master password'. In this way, you will have a different, unknown to you password, safely stored in a secure vault, for each website or service.

I recommend using the password manager called Bitwarden, which is at the website - <https://bitwarden.com>

Daughters of the Nile

Hello Zorland!

On August 14th we had our joint Supreme Queen visit with Alabet Temple #31 at the Tebala Event Center in Rockford, IL. with Supreme Queen, Kathy Walliker. Queen Marianne Miller and I were excited as this was the first time either Temple had joined together as one. It was a much-anticipated event with a performance by the Alabet ladies who dressed up in costumes and danced for us. We had an enjoyable dinner of chardonnay chicken and pot roast with vegetables and for dessert, a delicious cake. Doug McPherson, Tebala's Potentate, was invited to speak to us. Our Supreme Queen was impressed by the number of Shriners who were present. Several of our Antioch members were able to attend as we initiated seven new members into both Antioch and Alabet Temples. Supreme Queen Kathy sent a nice letter stating how welcomed she felt and proud she was on how well our two temples worked together. In the coming future, we will be collaborating with more temples to combine our ceremonies and getting to know our counterparts better!

HAYWARD MUSKY SHRINERS

15TH ANNUAL ATV/UTV RALLY

The Hayward Musky Shriners recently wrapped up their 15th Annual ATV/UTV Rally, and by all accounts, it was a wonderful success. Blessed with near-perfect weather—sunshine and comfortable highs in the low to mid-80s—the day brought riders together for a fun-filled outing on the trails.

More than 40 participants geared up and hit the ATV trails, enjoying not only the scenic Northwoods routes but also the camaraderie that comes with this annual tradition. Safety was a priority, and we are pleased to share that all riders returned without issue—except for one minor hiccup. Our very own Sawdusters President, Mike Hayden, ran into a railroad spike that punctured his tire. With a quick tire plug, a little determination, and several stops to top off the air, Mike was able to finish the ride and share in the laughs along the way.

After the trail rides, participants gathered at the American Legion Post in Spooner, where the excitement continued. The Post served as the hub for the raffle drawings, poker run card pulls, and prize announcements. Riders and supporters alike enjoyed the chance to connect, celebrate the day, and raise funds for a great cause.

Adding a special touch, even four-legged friends joined in the fun. Several loyal K-9 participants trotted alongside their owners, a tradition that has become a heartwarming part of the rally over the years.

The rally once again highlighted the spirit of fellowship, fun, and community service that defines the Shriners. With each year, the event grows stronger and continues to bring people together while supporting the work of Shriners International and its philanthropy.

The Hayward Musky Shriners thank all participants, volunteers, and supporters who made the 15th Annual ATV/UTV Rally a memorable and meaningful event. Here's to many more miles of safe riding and successful rallies in the years to come!

THAT'S A WRAP!

This summer was a busy one for the parade units of Zor Shriners! From small town celebrations to larger community festivals, our nobles proudly represented Zor across Wisconsin, sharing smiles, laughter, and the spirit of Shrinedom everywhere they went.

Parades have always been one of the most visible and beloved traditions of Shriners. This summer, Zor units showed up in full force. Crowds clapped and cheered as familiar red fezzes passed by, accompanied by a colorful variety of parade units. The Parade Units brought energy and excitement to each community.

From Memorial Day through Labor Day, Zor Shriners took part in parades that celebrated patriotism, hometown pride, and family fun. Whether it was the large-scale parades in Wisconsin Dells or smaller hometown events in places like Kellner, Colfax, or Owen, our Units made sure each appearance was memorable. Kids waved with delight at the funny antics of the our clowns and admired the precision and creativity of the Tin Lizzies, Midgets and other motorized Units.

The summer parade season is more than just a chance to entertain, it's a chance for us to show the communities we serve who we are and what we stand for. Every fez, every smile, and every wave is a reminder of the Shriners' commitment to supporting children's health care and making a positive difference in people's lives.

To all the Nobles who paraded this summer: thank you for giving your time and energy to represent Zor so proudly. Your efforts not only brought joy to countless families along the parade routes but also helped strengthen the connection between Shriners and our communities.

As the summer winds down and we look ahead to the fall season, we carry with us the memories of sunshine, laughter, and fellowship from another successful summer of parading.

Looking forward to Next Year!

OVERCOMING CHALLENGES!

Cerebral palsy care helps children around the Midwest

Shortly after his first birthday, Dennis was diagnosed with spastic diplegic cerebral palsy by doctors in his home state of Michigan. They told his family he might never walk or talk. His disease causes tight, stiff muscles, mainly in his legs, and affects walking and balance.

But a friend at church shared about the care at Shriners Children's Chicago, and Dennis began a treatment journey that's brought hope and

progress. His mom remembers those first, nervous visits, and how quickly they felt supported by the care team. His appointments with Kelsey Davidson, MD, increased this year as he began more targeted treatments.

Dennis, now 5, is independent — using both a walker and a wheelchair to get around. He's currently working toward using elbow crutches, a big step in his mobility journey.
